AWARD

The Government of West Bengal by its Labour Department order No. 3431-I.R./IR/13L-60/73, dated the 11th April 1974, referred the aforesaid industrial dispute between the parties herein to this Tribunal for adjudication of the following issue :

Issue

Whether dismissal of Shri Nilkanta Banerjee with effect from 15th March 1972 is justified ? To what relief, if any, is he entitled ?

Presently, this Tribunal is to consider, by way of preliminary issue, whether the reference is maintainable, whether the dispute is an industrial dispute within the meaning of section 2(k) of the Industrial Disputes Act (hereinafter referred to as the said Act) and lastly whether the Union under reference has locus standi to represent the cause of the workman Shri Nilkanta Banerjee (hereinafter referred to as 'Shri Banerjee' for the sake of brevity).

Briefly stated, Shri Banerjee was an employee of Messrs. Bangasri Press of 12/2 Madan Mitra Lane, Calcutta-6. He was a compositor there. It is claimed that from 31st January 1972 to 7th February 1972 he remained absent without necessary leave. On 8th February 1972 he joined his duties. He was asked to show cause why necessary action should not be taken against him for his unauthorised absence. Shri Banerjee submitted his written explanation. The management, by their letter, dated 10th February 1972, allowed him to resume his duties, provided however that he would express regret for his misconduct. According to the Union, Shri Banerjee submitted a letter recording his regret. It is further claimed that he was assured by the said Press that he would be informed about the date of his joining. But, curiously enough, on 15th March 1972 Shri Banerjee received a letter from the management terminating his service with immediate effect.

The management, on the other hand, contends that even in spite of their letter, dated 10th e ruary 1972 Shri Banerjee did not care to join his duty and as such his services were dispensed with on and from 15th March 1972. After the receipt of the said letter, Shri Banerjee addressed a letter to the management, dated 14th April 1972, calling upon them to recall the said order and allow him to join his duty. On 11th June 1972 North East Calcutta Press Workers'/Employees' Union (hereinafter referred to as the said Union) wrote a letter to the proprietor of the said Press asking them to recall the said order of dismissal. The management did not concede. There was conciliation proceeding. The Management did not participate in the said conciliation proceeding and finally the present reference.

The principal issue that awaits adjudication is whether the dismissal of Shri Nilkanta Banerjee with effect from 15th March 1972 is justified. Mr R. M. Chatterjee, Advocate appearing on behalf of the management, raised the aforesaid preliminary issue as indicated. As the preliminary issues were raised at the instance of the management, this Tribunal called upon Shri Chatterjee to substantiate the preliminary issues at the first instance.

Shri Chatterjee examined the proprietor Shri Kali Krishna Bose as P.W. 1 and through him got a number of documents proved. Shri S. R. Ghose, learned Advocate appearing for the Union, also examined Shri Banerjee as O.P.W. 1 and through him proved some documents. The admitted position is that Shri Banerjee was an employee of the Press. He was a compositor there. He was dismissed by the management with effect from 15th March 1972. In his cross-examination P.W. 1 admitted that he received a letter from the said Union challenging the dismissal of Shri Banerjee. The letter of the Union is marked as Ext. A. According to the management, after the receipt of the order of dismissal, he personally wrote a letter to the management and sent the same under certificate of posting. The copy-letter is marked as Ext. B and the postal certificate is marked as Ext. B/1.

This Tribunal proposes to consider first of all whether the Union mentioned in the order of reference has locus standi to represent the cause of the workman. Reading the reference as it is, the dispute embodied and appearing therein is a dispute within the meaning of section 2(k) of the said Act. The first few lines of the said order of reference runs as follows :

> "Whereas an industrial dispute exists between Messrs. Bangashree Press, 12/2 Madan Mitra Lane, Calcutta-6, and their workman represented by North East Calcutta Press Workers'/Employees' Union......"

It is out and out a reference under section 10 simpliciter. In other words, the dispute is within the meaning of section 2(k), i.e., a collective dispute. According to Mr. Chatterjee, in order to succeed that it is a collective dispute, the onus is upon the Union to show that the workmen of the said printing press supported the cause of Shri Banerjee. They must also satisfy this Tribunal that the Union has the requisite qualification to represent the said workmen.

The admitted position is that though the reference is under section 10, the principal issue for adjudication is in respect of an individual workman, namely, Shri Nilkanta Banerjee. The

Union has to prove that the workmen of the said printing press and/or a substantial number of of them took up the cause of Shri Banerjee. In this connection reference can be had to section 2(k) of the said Act. The said section defines "industrial dispute". The said definition, inter alia, provides a dispute between the employer and workmen. Therefore, it has to be established that the workmen supported the cause of Shri Banerjee. According to Mr. Chatterjee there is no evidence that other workmen supported the cause of Shri Banerjee. He further submits that simply when a Union addresses a letter disputing an order of the management, a Tribunal cannot per se accept such a letter as a dispute raised on behalf of the workmen. In this connection Shri Chatterjee relied upon the case of Dipak Industries Ltd. and another v. State of West Bengal and ors. [reported in 1975 (I) LLJ, 293]. Admittedly the Union has not examined any other workmen of the said printing press. Shri Banerjee stated in his evidence before this Tribunal that he had the support of the workmen of Bangashree Press, but they did not openly support his cause out of fear. So his evidence unmistakably points out that he had moral support from other workmen, so to say, they do not support him openly. In order to have an industrial dispute within the meaning of section 2(k) it must be established that other workmen supported the cause or it was a collective dispute. Unless it is a collective dispute, it cannot be an industrial dispute within the meaning of section 2(k) of the said Act. An individual dispute can be an industrial dispute under section 2A, but the fact remains that the present reference is not a reference under section 2A.

Mr. Ghosh, on the other hand, contends that when the Union raised the dispute, it was per se an industrial dispute within the meaning of section 2(k) and no evidence is required to show that it was a collective dispute and/or the appreciable number of workmen supported the cause of Shri Banerjee. In this connection Mr. Ghosh refers to two decisions: (i) the case of Southern India Tannery, Trichurpalli & Industrial Tribunal, Madras [1969 (18) F.L.R., 84], and (ii) the case of Payen & Talbros Ltd. and Hans Raj & ors. [1968 (17) F.L.R., 191]. In the former decision it has been held that when the dispute is a collective dispute sponsoring of such a dispute by majority of workmen is not necessary. The dispute was about the scheme of gratuity. This Tribunal holds that, that decision has no application in the present case. In the instant case, the dispute is per se an individual dispute namely, the dispute of Shri Nilkanta Banerjee. In order to claim that it is a collective dispute, the onus is upon the Union to satisfy that they took up the cause of Shri Banerjee as their own cause. Similarly, the latter decision also deals with gratuity scheme. In this decision it has also been held that gratuity scheme being per se an industrial dispute, it does not require espousal or support of body of workmen. On the self-same ground, the latter decision is also of no avail to Mr. Ghosh. Except that the Union took up the cause of Shri Banerjee, there is no material before this Tribunal that the workmen of Bangashree Press and/or the workmen of the industry supported the cause of Shri Banerjee. The admitted position is that the Union is an omnibus Union. It is now well settled that in case of an omnibus Union, the onus is upon the Union to satisfy that it has the support of the workmen to espouse the cause. Unless that fact is proved, it cannot be said that it is an industrial dispute within the meaning of section 2(k) of the said Act.

In fine, this Tribunal holds that the present dispute is, if at all, an industrial dispute: it is a dispute within the meaning of section 2A of the said Act. The Union has no locus standi to represent the workman. In the premises, the reference is not maintainable in its present form. The preliminary objection raised by Mr. Chatterjee succeeds. This award is made accordingly and the reference is disposed of.

The Company examined its witness thereafter, and the case was ultimately fixed for further evidence on 9th January 1976, when both parties filed a joint petition stating that the dispute in question is likely to be amicably settled. On the same ground the parties took several adjournments. The Union stopped appearing before the Tribunal from 3rd April 1976. This day (20th May 1976) the parties filed a petition of compromise signed by one Shri Chandra Nath Ganguly, General Secretary of the Union in question, on the one hand and one Shri Arun Kumar Bose, Proprietor of the Company in question, on the other. Both of them examined themselves on oath and stated that the dispute had been amicably settled between the parties and that a no-dispute award might be passed

In the facts and circumstances of the case it would be just and proper to accept the settlement. I accordingly pass a 'no-dispute' award in the case, as there is no dispute existing between Messrs. New Baranagore Brass Foundry on the one hand and their workmen represented by Baranagore Brass Foundry Workers' Union on the other.

This is my award.

ANNEXURE

In the matter of a complaint under section 33A of the Industrial Disputes Act, 1947, filed by Shri Md Nasir, C/o Commercial Shops and Factory Establishments Staff Union, 19/2A Pitambar Ghatak Lane, Calcutta-27, an employee of Messrs Council House properties Ltd. (Pvt.), 4 Government Place North, Calcutta-1, against the aforesaid Company in connection with Government order No. 1143-I.R., dated 25th February 1974. (Case No. 7/75 under section 33A.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri T. B. GANGULY, Judge,
Fourth Industrial Tribunal.

For the Workman : Shri B Banerjee, Advocate.
For the Company : Shri B. K. Mukherjee, Advocate.

This is a petition of complaint under section 33A of the Industrial Disputes Act, 1947, filed by Shri Md. Nasir [address : C/o. Commercial, Shops and Factory Establishments Staff Union, 19/2A Pitambar Ghatak Lane, Calcutta-27, an ex-employee of Messrs. Council House Properties Ltd. (Pvt.), 4 Government Place North, Calcutta-1]. The workman's case is that during the pendency of an industrial dispute between the said employer concern and its workmen on a charter of demands, the employer on 22nd January 1975 wrongfully terminated his service as a liftman under the Company since June 1973, without showing any casue and without serving any charge-sheet on him, that the workman has been prejudiced by such unjustified and mala fide act on the part of the Company in contravention of section 33 of the Industrial Disputes Act. The workman, therefore, prays for reinstatement with full back wages.

The employer concerned in its written statement has sought to make out a case that on 26th December 1974 the workman concerned took a loan of Rs. 200 and left for his native place taking eight days leave, that thereafter he did not return and report for his duties and accordingly it was a case of abandonment of service by the workman himself, that there was no mala fides on the part of the employer and no contravention of provisions of section 33 of the Industrial Disputes Act as it was not a case of dismissal or termination for misconduct and consequently the petition is misconceived and should be rejected.

The following points arise for determination in this case, namely:

(1) Did the workman abandon his service?

(2) Did the employer wrongfully terminate the service of Shri Md. Nasir in contravention of the provisions of section 33 of the Industrial Disputes Act?

(3) What relief, if any, is Shri Nasir entitled to?

Findings

Points Nos. 1 and 2

These two points are taken together for convenience. On the side of the workman two witnesses have been examined including the workman himself. P.W. 1, Shri Nasir admits that he took a loan of Rs. 200 from the Company on 26th December 1974 and went home on account of his father's illness, that he returned from his home and joined his duties after a week, that on 22nd January 1975 after he had worked as a liftman for two hours, the Manager Shri Radheshyam Sarogi called him and without assigning any reason removed him from his duties, that he having failed to get back his job wrote a letter on 25th January 1975, Ext. 1, and sent it per registered post whose acknowledgment receipt is Ext. 1(a). P.W. 2, Shri Satin Roy Chowdhury, is the President of the Commercial Shops and Factory Establishments Staff Union, and he corroborates P.W. 1, saying that he drafted Ext. 1, got it typed out and sent it per registered post.

On behalf of the Company the Manager, Shri Radheshyam Sarogi, has examined himself. He says that Shri Nasir took a loan of Rs. 200 from him stating that his father had died and that he paid the money and Shri Nasir went away home taking eight days' leave but he never came back thereafter. He denies that he had terminated the service of Shri Nasir on 22nd January 1975 after the latter had worked for two hours. He also categorically denies to have received Ext. 1, the letter written by Shri Nasir to the Company. Considering the fact Ext. 1 (a), the postal acknowlegement receipt, is correctly addressed to the name of the employer concern and that it bears the rubber stamp of that firm along with a signature thereunder dated 30th January 1975 and also having regard to the fact that in paragraph (7) of the written statement of the Company denial of the receipt of Ext. 1 is not stated at all, rather, it has been stated there that the allegations contained in the letter dated 25th January 1975 (Ext. 1) were denied and disputed, I find it difficulty to rely on the statement of O.P.W. 1, Shri Sarogi, on this point. I therefore find that it is a fact that Shri Nasir wrote the letter, Ext. 1, to the Company on 25th January 1975, i.e., soon after his alleged removal from service, which was duly received by the Company. It is significant that though this fact of termination of the service of Shri Nasir by the management on 22nd January 1975 after he had worked for two hours had been specifically alleged in Ext. 1, the Company remained silent and did not choose to controvert it by way of written reply. It should also be noted that in view of the decision of the Supreme Court in the cases of Messrs. Buckingham & Carnatic Co. Ltd., and Venkatiah and another, reported in 1963 (7) FLR 343 [also reported in 1963 (II)LLJ 638], to the effect that abandonment or relinquishment of service is always a question of intention, and the onus is on the employer to prove by adequate evidence such intention in order to prove a case of abandonment, I hold that not only the employer has failed miserably to prove abandonment of service by the workman concerned, but the evidence on this score goes to show that the workman's version is likely to be true. Admittedly, this is a case governed by the West Bengal Shops and Establishments Act and the rules framed thereunder. It appears that the employer has in violation of the provisions of section 15 of the said Act terminated the service of the workman concerned without complying with the mandatory provisions of giving one month's notice in writing or paying one month's wages in lieu of notice to the workman. Rule 20 of the rules framed under the said Act lays down that "when an employee remains absent without leave or beyond the period of leave originally granted, the employer shall, before taking any disciplinary action against the absentee, issue a notice requiring him to explain in writing the reasons of absence within fifteen days of the date of issue of the notice. Clearly, the provisions of this rule have not been followed by the employer in the instant case. I therefore, hold that the employer's case of abandonment totally falls through and the materials on record lead me to the conclusion that the service of the workman concerned was terminated wrongfully by the employer in contravention of section 33 of the Industrial Disputes Act, as neither prior permission nor subsequent approval of the action of termination of service of Shri Nasir was obtained by the employer from this Tribunal. Accordingly, I find that Messrs. Council House Properties Ltd. (Pvt.) has contravened the provisions of section 33 of the Industrial Disputes Act, 1947, during pendency of a reference of an industrial dispute concerning the said employer and its workmen.

Point No. 3

In view of what has been found above, Shri Nasir is entitled to reinstatement with full back wages.

AWARD

Government of West Bengal, Labour Department, by order No. 88-I R./IR/7L-13/71, dated 6th January 1972, referred an industrial dispute existing between Messrs. Hukumchand Jute Mills Ltd., P. O. Hazinagar, district 24-Parganas, and their workman represented by Jute Textile Workers' Union, Ghoshpara Road, P. O. Hazinagar, district 24-Parganas, for adjudication under section 10 of the Industrial Disputes Act, 1947, on the issues mentioned below:

Issues

(1) Whether the demand of the Selectors for issue of "billets" (a token of work done) is justified? To what relief, if any, are they entitled?

(2) Whether the demand for issue of pay slip to all workmen is justified? To what relief, if any, are they entitled?

(3) Whether the demand for absorption of "on trial workmen" to regular job is justified? To what relief, if any, are they entitled?

(4) Whether the workmen are entitled to wages for 17th March 1970 and 14th July 1970?

2. On receipt of the reference in this Tribunal on 28th January 1972, usual notices were duly served on the parties who appeared before the Tribunal and in due course filed their respective written statements. On the procedural steps being over the case was set down for hearing as early as on 23rd May 1973. But the hearing could not be taken up on that date as well as on the numerous subsequent dated fixed up for the purpose because of adjournment after adjournment obtained by one side or the other side on ground this or that. Ultimately today (28th May 1976), was fixed for hearing when both the parties appeared and filed a joint petition of settlement stating that they had settled the dispute on the terms embodied in the petition.

3. The petition of compromise is signed by the Factory Manager and General Secretary of the Union in reference and also by the authorised learned Advocates of both the sides. I have heard both the sides. I have also considered the joint petition of settlement. The terms of settlement are found to be just, reasonable and lawful in the facts and circumstances of the case. I accept them.

4. Accordingly I make the award on compromise in terms of the joint petition of settlement which do form a part of the award as Annexure "A".

AWARD

The Government of West Bengal by order No. 2214-I.R./IR/10L-97/73, dated the 4th June 1975, had referred the following industrial dispute between Messrs. Howrah Wire Netting Concern and their workmen represented by Howrah Wire Netting Concern Workers' Union to this Tribunal for adjudication :

Whether the closure is real ?

Whether the closure was under unavoidable circumstances beyond the control of the management so as to attract the proviso to section 25FFF(1) of the Industrial Disputes Act, 1947 ?

To what relief, if any, are the workmen entitled ?

Registered notices were issued requiring the parties to appear before this Tribunal on 11th July 1975. Both the parties entered appearance and then filed their respective written statement. After the interlocutory stages were over the reference was set down for hearing on 12th May 1976.

On 12th May 1976 both the parties prayed for time on the plea that a talk of settlement was going on between the parties. To keep industrial peace and harmony, the Tribunal allowed the prayer and fixed 21st May 1976 for effecting the compromise in default hearing.

Today both the parties appear and file a joint petition praying for an award on the basis of the said petition of compromise. Perused the petition. The terms appear to be valid and sufficient. This Tribunal finds that there is no impediment in passing an award as prayed for. Hence, this Tribunal passes this award on the basis of the said petition of compromise which do form a part of this award. The reference is disposed of accordingly.

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri A. N. BASU, Judge,
Fifth Industrial Tribunal.

This is a reference under section 10 read with section 2A of the Industrial Disputes Act, 1947, by the Government of West Bengal, Labour Department, by order No. 4174-I.R./IR/10L-277(A)/72, dated the 6th October 1975, in respect of an industrial dispute existing between Messrs. Hindusthan Small Tools (P) Ltd, 4 Mandeville Gardens, Calcutta-19, and their workmen Shri Chinta Haran Dey of 44/2 Mahendra Banerjee Road, Calcutta-60, and Shri Biswanath Paul of 2 Adhar Chandra Das Lane, Ultadanga, Calcutta-4, for adjudication on the issue mentioned below:

Issue

Whether the dismisal of Shri Chinta Haran Dey and Shri Biswanath Paul with effect from 1st October 1973 is justified? What relief, if any, are they entitled to?

2. On receipt of the Order of Reference in this Tribunal on 10th October 1975, usual notices were issued to the parties and they were duly served on the Company and the workman Biswanath Paul. The notice issued to Chinta Haran Dey was received back unserved with the postal endorsement that he had deceased. The appearing parties were directed to note the return in regard to Chinta Haran Dey for taking such action as might be considered necessary. No further action was taken in regard to Chinta Haran Dey. In due course written statements were filed by the remaining workman Biswanath Paul and also by the Company, and 3rd June 1976 was fixed for hearing with a direction to the parties to come ready. But none of them appeared and both absented without taking any steps. It appears from the record that the concerned workman, as a matter of fact, did not take any step all through excepting on one occasion when he filed his written statement and remained absent all along.

3. On a consideration of the circumstances along with the available materials it appears that the parties are not keen or interested to proceed with the reference for one reason or the other. I accordingly dispose of the reference by recording that the dispute under reference has ceased to exist between the parties.

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the Annexure hereto.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Sree Durga Oil Mill, 123/2 Acharyya Profulla Chandra Road, Calcutta-6, and their workman Shri Notu Behari Bera, C/o. Samiron Tailoring Shop of 7 Cross Street, Calcutta-7. (Case No. VIII-79/75.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

AWARD

Government of West Bengal, Labour Department, by order No. 2181-I.R./IR/15L-6/75, dated the 3rd June 1975, referred an industrial dispute existing between Messrs. Sree Durga Oil Mill, 123/2 Acharyya Prafulla Chandra Road, Calcutta-6, and their workman Shri Notu Behari Bera, C/o. Samiron Tailoring Shop of 7 Cross Street, Calcutta-7, under section 10 read with section 2A of the Industrial Disputes Act, 1947, for adjudication on the issue :

Issue

Whether the termination of services of Shri Notu Behari Bera with effect from 26th June 1974, by way of refusal of employment to him is justified ? To what relief, if any, is he entitled ?

2. On receipt of the Order of Reference in this Tribunal on 11th June 1975, usual notices were issued and duly served on the parties and they entered appearance and filed their respective written statements. Thereafter the workman filed his documents. But the Company inspite of extension of time on several occasions did not care to file its documents. The case thus came to 9th April 1976, on which date the Company again absented without taking any step and the case was accordingly fixed for hearing on this day, i.e., 1st June 1976, with a warning to the parties to come prepared. This day the workman has come ready but the Company is found absent on repeated calls. The case has in the circumstances been heard ex parte.

3. The concerned workman Shri Notu Behari Bera (P.W. 1) has examined himself. His case in evidence as well as in the pleadings is that he was a machineman in the Company on wages of Rs. 165 per month at the relevant time. He reported for duty on 26th June 1974, but was refused employment by the management without assigning any reason. He then successively reported for duty again on 27th June 1974 and 28th June 1974, requesting the management to allow him to resume duties but without success. He then issued a letter, Ext. 1, dated 29th June 1974, under certificate of posting Ext. 1(a), to the Company demanding reemployment with wages for the period of forced unemployment but again without any response from the management. The dispute was then taken up by the Labour Department for conciliation but this also proved abortive because of the adamant attitude of the management who choose not to attend the conciliation meeting and as a result there was the instant reference. It is also in the evidence of the concerned workman that once before on 29th May 1974, he was similarly refused employment but on the intervention of the Union he was then allowed to join by the management on 7th June 1974. The workman has averted on oath that he committed no wrong and he did not receive any charge-sheet, etc.

4. From the unchallenged evidence on record it is clear that the concerned workman was refused employment by the management with effect from 26th June 1974, without any good and sufficient justification. It must, therefore, be held that the termination of services of the concerned workman by the management with effect from the aforesaid date by way of refusal of employment is not justified. It is in the evidence of the concerned workman that he is still unemployed. He should therefore get full back wages for the period of forced unemployment.

5. Accordingly it is ordered that the Company do reinstate the concerned workman in his former post and pay him all back wages for the period of forced unemployment.

6. This is my award.

AWARD

The Government of West Bengal, Labour Department, by its order No. 3606-I.R./IR/11L-322/75, dated 30th August 1975, referred an industrial dispute between Messrs. Sooklatinga Tea Co. (P) Ltd. and their workmen represented by Motor Workers' Union, Calcutta, Howrah, 24-Parganas and Hooghly, to this Court for adjudication on the following issue, namely:

Issue

Is the refusal of employment to Shri Ram Deo Pandey, Driver, with effect from 27th May 1974 and the subsequent dismissal with effect from 3rd August 1974 justified? To what relief, if any, is he entitled?

Pursuant to the notices served on the parties they appeared on 29th December 1975 and the Union filed its written statement on 28th January 1976. The Company did not file any written statement though several adjournments were given to it for filing the same. Since the Company did not appear nor did it file any written statement the case was heard ex parte on 31st May 1976.

The Union by filing written statement on behalf of the workman contends that Ram Deo Pandey was the only Driver working on a salary of Rs. 225 per month. He fell ill and gave an application to the Company for leave. On 10th May 1974 he received a letter from the Company wherein he was asked to explain why he was absent from duty since 3rd May 1974. The workman by a letter informed the Company that on the night of 2nd May 1974 he fell ill and a medical certificate was sent by him to the Company under registered Post, dated 5th May 1974. By a letter, dated 20th May 1974, he requested the Company to grant him leave up to 25th May 1974 and he sent a medical certificate given by Dr. Bhattacharyya of 199 Bidhan Sarani, Calcutta. The Company by its letter, dated 21st May 1974, asked the workman to get himself examined by Dr. Khettry. The workman was examined by Dr. Khettry on 27th May 1974 and by his letter, dated 27th May 1974, he asked the Company to allow to join his duty as he was medically fit. By the letter, dated 31st May 1974, the Company asked the workman to produce that medical certificate which the workman had already done. The Company, after receiving the report of Dr. T. N. Khettry, called for examination for his absence by its letter, dated 8th June 1974. The workman gave reply by his letter, dated 12th June 1974, wherein he stated that Dr. Bhattacharyya had already given him a fitness certificate on 26th May 1974 and he asked the Company to withdraw the charge-sheet. The Company asked the workman to face the domestic enquiry on 27th June 1974, but the workman received that letter on 1st July 1974 and as such he could not attend the enquiry proceeding. The workman by his letter, dated 2nd July 1974, asked the Company to fix another date for enquiry and he was called to attend the enquiry on 15th July 1974. No enquiry was held at that time but he was asked to sign on some papers. He did not receive his wages for the months of May, June and July 1974. The Company by its letter, dated 3rd May 1974, terminated his service. The action of the Company being illegal and unjustified the workman protested and prayed for reinstatement. As the Company did not listen to his request the matter was taken up by the Union with the Labour Department. Hence this reference. The workman has prayed for reinstatement with back wages.

The workman has examined himself as P. W. 1. He says that as he fell ill and was suffering from Jaundice he sent a medical certificate by registered post to the Company on 2nd May 1974 and prayed for leave. Exhibit 2 is the postal receipt and Exhibit 3 is the acknowledgement due. On 10th May 1974 the Company wrote a letter to the workman (Exhibit 1) asking him to explain why he was absenting without leave. The workman by his letter, dated 18th May 1974 (Exhibit 4), told the Company that he had been sick since 2nd May 1974. By another letter, dated 20th May 1974 (Exhibit 7), the workman asked the Company to grant him leave up to 25th May 1974 and he attached a medical certificate granted by Dr. Sris Chandra Bhattacharyya. Dr. Bhattacharyya granted him another certificate on 25th May 1974 whereby he stated that the workman was under his treatment from 3rd May 1974 to 25th May 1974 and he was fit to join his duty. With this medical certificate the workman went to join duty but the Company did not allow him to join. So he wrote a letter (Exhibit 11) requesting the Company to allow him to join the duty. The Company asked the workman to appear before Dr. Khettry and the workman appeared before him. From the letter, dated 5th June 1974 (Exhibit 14), written by the workman to the Company it appears that he was examined by Dr. Khettry on 5th June 1974. As he was declared fit by his doctor on 26th May 1974 the opinion of Dr. Khettry that he was not suffering from any disease on 5th June 1974 became immaterial. The Company by its letter, dated 8th June 1974 (Exhibit 17), issued a show-cause notice on the workman and he gave a reply by the letter (Exhibit 18). The Company by the letter (Exhibit 21) asked him to appear before a domestic enquiry on 21st June 1974, but this did not reach the workman in time. So by the letter, dated 2nd July 1974 (Exhibit 22), the workman prayed for another opportunity to appear before the enquiry proceeding but by the letter, dated 3rd August 1974 (Exhibit 23), the Company terminated the service of the workman. By the letter, dated 1st August 1974, the workman again asked the Company to allow him to resume his duty. Since the Company terminated his service the Union wrote a letter on 20th August 1974 to the Company (Exhibit 27) protesting against the illegal termination of the service of the workman.

The foregoing discussion shows that the workman fell ill on the night of 2nd May 1974 and he informed the Company accordingly. Thereafter he sent medical certificate and letters requesting the Company to allow him leave up to 25th May 1974. When the Company asked the workman to appear before Dr. Khettry he was fit to resume duty and therefore there was no point in asking him to appear before a doctor when medical certificate had been produced by the workman asking the Company that he was fit to resume duty. The Company held a domestic enquiry but the notice of the same reached him on 1st July 1974, i.e., 5 days after the date fixed for holding the domestic enquiry. The workman could not appear before the Enquiry Officer to prove his innocence. The termination of the service of the workman by the Company was illegal and unjustified. He is entitled to reinstatement with back wages. The workman says that he was getting salary of Rs. 225 per month when his service was terminated by the Company. I, therefore, direct the Company to reinstate the workman with back wages from 1st May 1974 till his reinstatement in service at the rate of Rs. 225 per month.

This is my award.

AWARD

The Government of West Bengal, in the Labour Department, by its order No. 6947-IR. dated 4th November 1974, referred under section 10 of the Industrial Disputes Act, an industrial dispute between Messrs. G. R. Industries and their workmen represented by G. R. Industries Workers' Union, on the following issue:

Issue

Whether the lockout with effect from 20th May 1974 was justified? Is the closure of the factory followed by lockout real? To what relief, if any, are the workmen entitled?

After receipt of the reference on 6th November 1974, usual notices were served on the parties.

The parties thereafter filed their written statements.

The Company in paragraph 1 of the written statement alleges that the reference "is bad in law, inoperative, defective and that the learned Tribunal is not competent to adjudicate the same" on several grounds noted in item Nos. (a) to (e) of the written statement and wanted the Tribunal to hear and decide the preliminary points first. Accordingly, the parties were heard on the preliminary points raised. At the time of hearing only one of the preliminary points raised by the Company was pressed. That point which is noted in item (c) of paragraph 1 is quoted below—

> (c) "That the Labour Department, Government of West Bengal, has made an error in making the reference even after the settlement arrived on 20th September 1974 between the workmen on one hand and the Company on the other. Copy of which was duly forwarded to the authorities concerned for registration in accordance with the provisions of Rule 68(3) of the West Bengal Industrial Disputes Rules, 1958, covering the issues referred to before Your Honour for adjudication."

Now it is to be ascertained on the basis of the evidence on record considered in the light of the legal position as to whether the objection raised can be sustained.

The case of the Company stated in the evidence of P. W. 1, Shri R. C. Rampuria is that all the workmen of the Company approached the management for settlement, that he on behalf of the Company entered into the settlement with the workers on 20th September 1974, that the terms of the settlement were recorded, that the settlement was signed by all the workers of the Company and himself, that there was no dispute with the Company and its workers from 20th September 1974, and that a copy of the settlement (Ext. 1) was duly forwarded to the Labour Department with a forwarding letter signed by himself and the workers (Ext. 2). It is suggested to him in the cross-examination that all the workers of the factory did not join in making the settlement, that the dispute beween the parties still exists and that the provisions of Rule 63(3) of the West Bengal Industrial Disputes Rules have not been complied with.

It is to be determined as to whether there was in fact any valid settlement and if so, whether the provisions of the Rule 63(3) have been complied with.

With regard to the first point as to whether there was any valid settlement or not, I am satisfied from the evidence on record that a settlement was duly made by all the workers of the Company on the one hand and the Company on the other. O.P.W 1, the Secretary of the Union, denies in his examination-in-chief that all the workers of the Company put their signatures in the agreement, Ext. 1. But he admits in his cross-examination that there were about 65/70 workers of the Company when the settlement, Ext. 1 was made at the time the Company reopened after the lock-out. In his examination-in-chief he admits that there was an agreement between the Company and the workers and that Ext. 1 is that agreement, which bears the signatures of some of the workers including himself. His evidence that all the workers of the Company did not put their signatures on the agreement cannot be accepted in view of his evidence in cross-examination that there were about 65/70 workers of the Company when the Company reopened after the lock-out, that the settlement, Ext. 1 was made at the time of reopening, that he cannot bring any worker as a witness who did not put his signature on the agreement, Ext. 1, and in view of the fact that the agreement, Ext. 1 is signed by more than seventy workers. These facts considered together show that the evidence of P.W. 1 that the settlement was signed by all the workers of the Company is trustworthy. The evidence of O.P.W. 1 that he and others were threatened by the Company to put their signatures on the agreement is not supported by any circumstance whatsoever. He admits in his cross-examination that he gave instruction to his lawyer for writing the written statement that was filed on behalf of the Union, but the allegation of threatening does not find any place in the long written statement of the Union. It has not even been suggested to P. W. 1.

In the circumstances, I hold that there was a settlement of dispute between all the workers of the Company on the one hand and the Company on the other. It is true that the Union did not figure as a party to the settlement, Ext. 1, but that fact, if considered in the light of the circumstances of the case, cannot vitiate the validity of the agreement. The Union represents the workmen. It cannot have any greater right than that of the workmen. There is nothing to show that the workmen are incompetent to make any settlement with the management without taking the help of the Union. As I have already found that all the workmen of the Company made the settlement, Ext. 1, I hold that the settlement in question (Ext. 1) was duly made. O.P.W. 1, the Union Secretary admits in his cross-examination that the settlement, Ext. 1 has been given effect to and has been acted upon by both the parties. In view of this settlement (Ext. 1) and the evidence of P.W. 1 that there is no dispute beween the Company and the workers from 20th September 1974 and the facts noted in the following paragraphs, I hold that the reference made by the order dated 4th November 1974, i.e., long after the settlement, is incompetent.

I have already noted that it has been contended on behalf of the Union that the provisions of Rule 68(3) having not been complied with, the agreement, Ext. 1 cannot be given effect to. It is held in the case reported in AIR 1970 (S.C.) P-1851 that a settlement in order to be valid has to be in compliance with the statutory provisions. So, it is to be ascertained as to whether the contention of the Union can be upheld. Before discussing the evidence on this point I quote the provisions of Rule 68(3) of the West Bengal Industrial Dispute Rules—

> "(3) Where a settlement is arrived at between an employer and his workmen/workmen otherwise than in course of conciliation proceeding before a Board or Conciliation Officer, the parties to the settlement shall jointly send a copy thereof to the Assistant Secretary to the Government of West Bengal, Labour Department, and the Conciliation Officer concerned, either by registered post with acknowledment due or by personal service upon receipt, during the hours respectively fixed for the purpose by the officers concerned".

The evidence on record shows that the provisions of this Rule 68(3) of the West Bengal Industrial Dispute Rules have been complied with. O.P.W. 1, the Union Secretary states that the workers did not send any copy of the agreement (Ext. 1) under their joint signatures to the Government or any officer of the Government. But he admits in his cross-examination that a copy of the application, Ext. 2, was sent to the Labour Commissioner under the signatures of those workers and another. He admits the signatures of some of the signatories to Ext. 2. P.W. 1 proves the Ext. 2, which according to him, has been signed by himself and some of the workers. O.P.W. 1 states that a copy of this application, Ext. 2 was sent to the Labour Commissioner as well as to the Secretary to the Labour Department under the joint signatures of those persons and another. This letter, Ext. 2, considered with the evidence of P.W. 1 and O.P.W. 1 clearly shows that a copy of the settlement dated 30th September 1974, was sent to the Labour Commissioner and to the Secretary, Labour Department, in accordance with the provisions of Rule 68(3) quoted above. I hold that the provisions of Rule 68(3) have been complied with.

In the circumstances stated above, I hold that this reference is incompetent

ANNEXURE

In the matter of an industrial dispute between Messrs. Sahu Jain Services Ltd. and others, 11 Clive Row, Calcutta-1, and their Calcutta office staff represented by Sahu Jain Employees' Union, 11 Clive Row, Calcutta-1. (Case No. 20/76.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri T. B. GANGULY, Judge,
Fourth Industrial Tribunal.

For the Union: Shri A. P. Chatterjee, Advocate.

For the Company: Shri B. K. Mukherjee, Advocate.

The Government of West Bengal, by Labour Department, order No. 259-I.R./EIL/11L-11/73, dated the 16th January 1976, has referred the instant industrial dispute between Messrs. Sahu Jain Services Ltd. and seven other Companies (address: 11 Clive Row, Calcutta-1) and their Calcutta office staff represented by Sahu Jain Employees' Union, 11/1 Balaram Ghose Street, Calcutta-4 (Present address: 11 Clive Row, Calcutta-1), by withdrawing the same from the Sixth Industrial Tribunal and transferring the same to this Tribunal under section 33B of the Industrial Disputes Act, 1947, consequent to the order of remand passed by the Hon'ble High Court, Calcutta, in its Writ Jurisdiction quashing the award passed by the Sixth Industrial Tribunal in respect of the dispute between Messrs. Sahu Jain Services Ltd. and their Calcutta office staff represented by the said Union. The issue referred to for adjudication is—

> What should be the quantum of bonus for the accounting year 1965-66?

Shri B. K. Mukherjee, Advocate appearing for the Company Messrs. Sahu Jain Services Ltd., contends, with reference to the judgement of the Hon'ble High Court remanding the instant dispute, that the Hon'ble Court having held: "Although it is immaterial for consideration of the Tribunal as to whether taxes have actually been assessed and/or paid or not but it must compute the taxes on the basis of the statute and the Act itself. The said principle is clearly now laid down to the latest Supreme Court decision in the case of Delhi Cloth and General Mills Co. Ltd. Vs. Their workmen and others reported in AIR 1972 SC 299. Applying the principles, laid down there, I am of the view that it must be held that there is an error of law apparent on the face of the said award and the same must be quashed and the matter to be remanded to the Tribunal for disposal according to law, that is, according to the provisions of the Payment of Bonus Act, 1965", the Company is entitled to deduct the amount of direct taxes from the gross profit in accordance with the provisions of section 6(c) read with section 7 of the Payment of Bonus Act, 1965.

Shri A. P. Chatterjee, Advocate appearing on behalf of the Union, contends that accepting the position that the amount of direct tax under section 6(c) of the Bonus Act is to be on notional basis, such deduction on account of direct tax is not permissible under the law where the Company is not liable to pay it. He urges in this connection that in the instant case the Income-tax Authorities have not assessed and claimed income-tax for the year 1965-66 as yet and it is, therefore, barred under section 43 of the Income-tax Act and hence there should not be any deduction on account of direct tax.

It is a settled law that the Bonus Act is a self-contained and self-sufficient Act and that direct tax calculation is based on the fictional or notional basis. It has nothing to do with the actual assessment or payment of taxes under the Income-tax Act. On a perusal of the Calcutta High Court decision reported in 1972(5) LIC 1227 and the Supreme Court decision as aforesaid I am of the opinion that even in such a case where tax has not been assessed by the Income-tax Authorities on the Company for the year 1965-66 and even having regard to the fact that four years having expired, fresh assessment of tax on the income of the said year is not permissible under section 143 of the Income-tax Act, I do not find any provision in the Bonus Act itself to make a departure from the deduction of direct tax for the purpose of finding out the allocable surplus under the said Act. I hold, therefore, that deduction on account of direct tax on notional basis as laid down in section 6(c) read with section 7 of the Payment of Bonus Act, 1965, should be made in the instant case.

Now, referring to the computation of Gross Profit in respect of Messrs. Sahu Jain Services Ltd. as per Annexure 'A' to the award as originally passed by the Sixth Industrial Tribunal, the amount of Gross Profit comes to Rs. 2,94,459. Deducting depreciation of Rs. 81,537 from it we arrive at the figure Rs. 2,12,922 for the purpose of calculating income-tax on notional basis. From paragraph (F) of the First Schedule of Part I of the Finance Act, 1967, it appears that then the rate of direct tax was 55 per cent. of the total income, where it exceeded Rs. 25,000. Calculating at this rate, the amount of income-tax for the year 1965-66 comes to Rs. 1,17,107. Accordingly, the total amount deductible from the Gross Profit comes to Rs. 2,83,661 (Rs. 1,17,107 for Income-tax plus Rs. 81,537 for depreciation plus Rs. 85,000 for 8.5 per cent. dividend on equity shares, capital of Rs. 10,00,000 plus Rs. 17 for return on reserve at the rate of 6 per cent. on Rs. 276), thereby giving the available surplus of Rs. 10,798. And 60 per cent. of this is the allocable surplus which comes to Rs. 6,479. The Company having paid bonus at the rate of 4 per cent. amounting to Rs. 50,746 is not liable to pay anything more by way of bonus. Calculation is given in the following table:

Table showing computation of Allocable Surplus

		Rs.
1. Gross Profit ...	...	2,94,459
2. Deductions—		
(a) Depreciation allowed as per Income-tax Rules	Rs. 81,537	
(b) Tax liability for the current year	Rs. 1,17,107	
(c) Development rebate reserve ...	...	
(d) Dividend on Preference shares	...	...
(e) 8.5 per cent. dividend equity share capital of Rs. 10,00,000	Rs. 85,000	
(f) Return on reserves and at the rate of 6 per cent. on Rs. 276	Rs. 17	2,83,661
Available surplus	...	10,798
Allocable surplus for the purpose of bonus at the rate of 60 per cent. of Rs. 10,798		6,479

This is my award.

AWARD

The Government of West Bengal, by its Labour Department order No. 5259-I.R./IR/10L-229/72, dated 13th July 1974, referred the aforesaid industrial dispute between the parties herein to this Tribunal for adjudication of the following issue:

Issue

Bonus for 1970-71.

Registered notices were issued requiring the parties to appear before this Tribunal on 16th August 1974. Notices were duly served and thereafter parties entered appearance and filed their respective written statements. After the interlocutory stages were over, the reference was set down for hearing. On the first date of hearing parties expressed their minds to effect an amicable settlement at the intervention of this Tribunal, and accordingly a date was fixed for putting in the terms of compromise.

Parties today filed a joint petition stating, inter alia, that the management will pay bonus at the rate of 4 per cent. of 12 months' earning of each individual workman in full and final settlement of the bonus claim for the year 1970-71. They further agreed that the Company shall pay the said bonus within a month from this date. The Union accepts the said offer and joined with the management in this behalf. The terms appear to be valid. This Tribunal accepts the terms of settlement and passes this award on the basis of the said compromise petition which do form part of this award.

The reference is disposed of accordingly.

In the matter of an industrial dispute between Messrs. India Film Laboratories (Pvt.) Ltd., 30 Chandi Ghosh Road, Tollygunge, Calcutta-40 and their workmen represented by India Film Laboratories (Pvt.) Ltd. Employees' Union, 20/2A Iswar Ganguly Street, Calcutta-26. (Case No. 332 of 1972.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri T. B. GANGULY, Judge,
Fourth Industrial Tribunal.

For the Union: Shri Matish Roy.

For the Company: Shri Arun Dutta, Advocate, and Shri B. K. Mukherjee, Advocate.

The Government of West Bengal, by Labour Department, order No. 7466-I.R./IR/11L-694/72, dated the 11th December 1972, has referred the instant industrial dispute between Messrs. India Film Laboratories (Pvt.) Ltd., 30 Chandi Ghosh Road, Tollygunge, Calcutta-40, and their workmen represented by India Film Laboratories (Pvt.) Ltd. Employees' Union, 20/2A Iswar Ganguly Street, Calcutta-26, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue:

Issue

Whether the dismissal from services of Sarbashri (1) Anil Kumar Mohanta, (2) Chandi Banerjee, (3) Puskar Purkayat, (4) Anil Kumar Ghosh, (5) Harendra Nath Das, (6) Nirmal Ghorai, (7) Mohendra Jana and (8) Tapash Gobinda Sen is justified? To what relief, if any, are they entitled?

The written statement filed by the Union deals with the cases of workmen, serial Nos. 1 to 7, in paragraphs 1 to 16 thereof and with the case of workman, serial No. 8 Tapash Gobinda Sen, in paragraphs 17 and onwards.

The Union's case in respect of workmen Anil Kumar Mohanta and six others, in brief, is that the Company has about 80 workmen who are made to suffer in bad condition and not even allowed the minimum wages, that the Company has no certified standing orders to govern the service conditions of the employees, that the workmen against the opposition of the Company formed "India Film Laboratories (P) Ltd. Employees' Union" which was registered on 23rd June 1967 but the management recognised it only in 1969, that the seven workmen concerned submitted a joint petition to the Board of Directors on 23rd November 1971 demanding enhancement of wages, that the management by its reply dated 25th November 1971 asked them to represent through the recognised Union, that the management gave a joint charge-sheet on 26th November 1971 to the seven workmen who submitted separate replies on 29th November 1971 denying the charges, that subsequently on 1st December 1971 the management gave separate charge-sheets to the seven workmen and suspended them with effect from that date, that these workmen instead of putting separate replies referred to the replies dated 29th November 1971 against the charge-sheet dated 1st December 1971, that on 6th December 1971 these seven workmen again submitted a joint petition demanding increase of wages, that from 28th December 1971 to 31st December 1971 the management caused an eye-wash enquiry to be held in violation of the principles of natural justice, that the enquiry officer did not read over the actual statements of witnesses in presence of the charge-sheeted workmen though he obtained their signatures on the enquiry proceedings on some false pretexts and by threat, that they were not allowed by the enquiry officer to record their objection on the enquiry proceedings, that they demanded a copy of the enquiry proceedings and the enquiry officer assured them to give the same at the end of enquiry, which he did not do ultimately, that the management as a measure of victimisation dismissed all the seven workmen by dismissal letters dated 20th January 1972 behind the knowledge of the Board of Directors of the Company, that they demanded of the management a copy of the enquiry proceedings within 10 days from the date of receipt of their letter dated 8th February 1972, but the management by a letter dated 23rd February 1972 declined to give it though in other cases such copies were given, that on 4th May 1972 the Secretary of the Union protested against their dismissal and demanded reinstatement with back wages, and that thereafter the dispute was referred to the Assistant Labour Commissioner and the conciliation attempt on his part having failed, the instant reference has been made.

In respect of the 8th workmen, viz., Shri Tapas Gobinda Sen, the case of the Union, in brief, is that Shri Sen was appointed Accountant from 6th February 1967 on a monthly salary of Rs. 250, that prior to the charge-sheet served on Shri Sen on 20th April 1972 he did not get any warning or charge-sheet, that Shri Sen is one of the active organisers of the Employees' Union and he became one of its office-bearers in 1969 and he is the present secretary of the Union by virtue of his election as such in the annual general meeting of the Union held on 29th January 1972, that Shri Sen applied for one month's leave on 14th February 1972 which was to commence from 21st February 1972 and on its expiry he applied for extension of leave up to 31st March 1972, that on the expiry of his leave Shri Sen resumed his duties on 1st April 1972 but he was not allowed by the management to perform any job on that day onwards as a result of which Shri Sen sent a protest letter to the management on 12th April 1972, that on getting the protest letter the management became furious and issued a charge-sheet to Shri Sen on 20th April 1972 on certain vague allegations, that Shri Sen replied to the charge-sheet and sent in per registered post on 22nd April 1972 which reached the management on 24th April 1972, that the management by its letter dated 27th April 1972 fixed the date of enquiry as regards the charges against Shri Sen on 9th May 1972, that Shri Sen was under suspension without any formal order or notice, that Shri Sen wrote on 3rd May 1972 for furnishing him a list of prosecution witnesses and for assuring supply of copy of deposition of each witness before his cross-examination by Shri Sen but the management declined to comply with his request by a letter dated 4th May 1972, that the management wrote another letter dated 4th May 1972 making certain allegations against Shri Sen and the latter denied those allegations by his letter dated 8th May 1972 reiterating his demand regarding list of prosecution witnesses and copy of the recorded deposition but without any result, that the President of the Union by his letter dated 18th May 1972 referred the matter to Shri R. M Paul, Labour Officer, who called a joint conference on 9th June 1972 which was not attended by the management, that the management by its letter dated 7th June 1972 dismissed Shri Sen behind the knowledge of the Board of Directors on the basis of a fake and eye-wash enquiry, that the dismissal was in violation of section 33 of the Industrial Disputes Act as a dispute was then pending with the conciliation officer, that Shri Sen by his letter dated 12th June 1972 protested against his wrongful dismissal and demanded reinstatement with back wages and the President of the Union also sent a similar letter to the management, that thereafter certain communications followed between the parties and ultimately the Labour Officer, Shri R. M. Paul having submitted failure report under section 12(4) of the Industrial Disputes Act, the instant reference has been made by the Government.

In both the cases the prayer is reinstatement with full back wages with the declaration that the dismissal is illegal, disproportionate, severe and an act of victimisation.

The Company has made out the following case, in brief, in its written statement :

The case of the Company is that the wages and benefits enjoyed by its employees are fair, reasonable and comparable, that the Company has adopted the Model Standing Orders which regulate the terms and conditions of service of the workmen, that the Company not only recognised the Employees' Union but entered into bipartite and tripartite settlements with it, that a large number of workmen formed another Union in the name and style "India Film Laboratories Private Ltd. Workmen's Union" and got it registered on 27th June 1972, and that the former Union raised unnecessary disputes and claimed representation of the workmen

The Company's case as regards the workmen, namely, Shri Anil Kumar Mohanta and six others (serial Nos 1 to 7 in the order of reference) is that instead of representing their grievances through the recognised Union, these seven workmen by a joint petition dated 23rd November 1971 demanded enhanced wages and thereafter chose to strike work without signing the Attendance Register though they attended their place of duty, that the management issued a joint charge-sheet on the seven workmen on 20th November 1971, which was replied to by them on 29th November 1971, that further charge-sheets were issued on the seven workmen on 1st December 1971 and they were suspended with effect from that date pending enquiry, that the charge-sheeted workmen did not reply to the charge-sheet and they did not verbally refer to the replies dated 29th November 1971 as replies to the subsequent charge-sheet dated 1st December 1971, that the Company gave a notice of enquiry on 20th December 1971 and fixed 28th December 1971 as the date for holding the enquiry, that the enquiry was held on 28th December 1971 and 31st December 1971, that the enquiry officer duly recorded the statements of witnesses and gave opportunity to the charge-sheeted workmen to cross-examine them and to give defence evidence, that the enquiry was fair and proper, that there was no violation of the principles of natural justice, that the charge-sheeted workmen participated in the enquiry and signed the enquiry proceedings, that the allegation that they were not allowed by the enquiry officer to record their objection is untrue, that they never demanded a copy of the enquiry proceedings from the enquiry officer, that the enquiry officer found them guilty of charges (i) and (ii) of the charge-sheets dated 1st December 1971, that the management on the basis of the findings of the enquiry officer rightly dismissed them by the dismissal letter dated 20th January 1972, that Shri Anil Kumar Mahanto and three others protested against the dismissal by their letter dated 8th February 1972, and that the Union was not competent to raise any industrial dispute regarding the said dismissal and hence the Union's letter dated 4th May 1972 was not replied to.

Regarding Shri Tapas Gobinda Sen, the Company's case, in brief, is that he is neither an office-bearer of the Union from 1969 nor he became the Secretary of the Union as alleged, that when Shri Sen applied for leave, he was informed that the leave could not be granted but in spite of this he absented himself from duties from 21st February 1972 without obtaining prior leave from the management, that Shri Sen made over an application on 23rd March 1972 for extension of his leave up to 31st March 1972, that though he received the Company's letter dated 23rd February 1972, he gave a receipt mentioning the date as 24th March 1972, that although Shri Sen reported for duty on 1st April 1972, he did not perform or attend to his duties regularly and properly, that Shri Sen gave a letter on 12th April 1972 to the management making false allegations and threatening legal action against the alleged refusal of employment, that the Company gave a charge-sheet to Shri Sen on 20th April 1972 making out specific charges and not to victimise him, that Shri Sen signed the Attendance Register on 1st, 4th, 10th, 11th and 12th April 1972, but he did not attend to his duties and left the office within 15th minutes without intimation or permission, that the Company never suspended Shri Sen and he himself remained absent, that on receipt of Shri Sen's letter dated 3rd May 1972 the Company replied to it on 4th May 1972 assuring full opportunity to defend himself in the enquiry, that the contents of Shri Sen's letter dated 8th May 1972 are false and designed as a plea not to attend the enquiry which was to take place on 9th May 1972, that an ex parte enquiry was held on 9th May 1972 as Shri Sen did not attend the enquiry in spite of notice, that the enquiry officer submitted his report on 1st June 1972 and found Shri Sen guilty of charges Nos. (ii), (iii) and (vii) of the charge-sheet, dated 20th April 1972, that the management accepted the findings of the enquiry officer and dismissed Shri Sen by its letter dated 7th June 1972, that the Company by its letter dated 8th June 1972 wrote to the Labour Officer, Shri R. M. Paul, refusing to attend the joint conference on 9th June 1972 and informing him about the dismissal of Shri Sen on 7th June 1972, that the dismissal order was proper and based on the findings of the enquiry officer and it was neither in violation of section 33 of the Industrial Disputes Act nor any principles of natural justice, and that thereafter certain unfruitful communications passed between the parties.

FINDINGS

In the instant case it appears that the parties have elected to adduce evidence on merit, of course, without prejudice to the validity of the domestic enquiry. On behalf of the Company it is urged that following the principles laid down in Delhi Cloth and General Mills Co Ltd. v. Ludh Budh Singh, reported in 1972 (I) LLJ 180 (SC), the Tribunal should, at the first instance, consider whether the domestic enquiry is valid and proper, that if the Tribunal holds that the enquiry is proper and valid, the question of considering the evidence adduced in the Tribunal on merits will not rise at all and that it is only when the Tribunal holds that the enquiry was not properly held, it will have jurisdiction to consider the evidence adduced by the parties before it and arrive at a decision on the basis of such evidence. On a careful perusal of the aforesaid Supreme Court decision, I find that the above is the settled legal position on the point. It further appears from the said decision that the Hon'ble Supreme Court laid down in Delhi Cloth and General Mills Ltd. v. Gonesh Dutta and others, reported in 1972 (I) LLJ 172, that the nature of the jurisdiction of the Tribunal in a proceeding before it either on a reference under section 10 or by way of an application under section 33 of the Industrial Disputes Act is a very limited one, that the legal position is that where a proper enquiry is held by the management, the Tribunal has to accept the findings arrived at in that enquiry unless it is perverse or unreasonable or the management is guilty of victimisation or unfair labour practice or acting mala fide. It is further laid down that the test of perversity of a finding will be that the said finding is not supported by any legal evidence at all. And the finding will also be held perverse in those cases where the finding is one which no reasonable person could have arrived at on the material before it. Another Supreme Court decision referred to by the Company is in the case of Messrs. Bengal Bhadee Coal Co. and Ram Prabesh Singh and others, reported in 1963 (I) LLJ 291 (SC). In the matter of drawing of adverse presumption regarding victimisation it lays down that there is no doubt that though in a case of proved misconduct normally the imposition of a penalty may be within the discretion of the management, there may be cases where the punishment of dismissal for the misconduct proved may be so unconscionable or so grossly out of proportion to the nature of the offence that the Tribunal may be able to draw an adverse inference of victimisation merely from the punishment inflicted

On the point of jurisdiction, the Union refers to the case of Messrs. Ritz Theatre (P) Ltd., Delhi vs. Its workmen, reported in 1950-67 SCLJ (5) 3081, which is covered by the aforesaid decision in the case of Delhi Cloth and General Mills Co. Ltd. vs. Ludh Budh Singh.

Keeping in view the aforesaid legal position, first of all, I proceed to examine the validity and legality of the domestic enquiry held by the Company in the instant case.

Regarding the domestic enquiry as against Shri Anil Kumar Mohanto and six others, it appears from Ext. 4, the management's letter, dated 26th November 1971, addressed to the seven workmen that they were alleged to have unilaterally stopped work although they were attending the laboratory, that they were present in the laboratory without signing the attendance register and that they were inciting other employees of the Company to stop work. The Company further intimated to them that such action on their part was improper and illegal and they were requested to desist from the aforesaid illegal behaviour and to commence work forthwith failing which the Company would be competent to take appropriate action against them. Ext. C to Ext. C/6 show that these workmen replied on th November 1971 denying the charges. There- fter the Company started disciplinary proceed- gs against them by serving charge-sheet, Ext. dated 1st December 1971. It shows that three pecific charges were levelled against them which ere as follows :

(i) You unilaterally stopped work and in spite of requests you refused to do work allotted to you ;

(ii) You refused to sign attendance register, though you were present at the labora tory ;

(iii) You incited other employees of the Company willing to work and asked them to stop work.

The management asked for show cause within ven days from the date of receipt of the charge- heet It may be noted here that no reply was iven by the charge-sheeted workmen so far as is charge-sheet dated 1st December 1971 is con- erned, It shows that the management informed e charge-sheeted workmen its decision to hold e domestic enquiry at 3 p.m. on 28th December 971 by Shri P. K. Banerjee and they were invited attend the enquiry and also asked to submit eir explanation in reply to the charges not later han 27th December 1971.

Now, let us examine and scrutinise the relevant quiry proceedings and the report in respect of ese seven persons which are Exts. Z/8 and Z/9 spectively. On a perusal of the proceedings ere is no doubt that Shri P. K. Banerjee com- enced the enquiry in respect of the charges gainst these seven workmen at 3 p.m. on 28th ecember 1971 and the enquiry was attended to Shri Subodh Mitra on behalf of the Company d by the seven charge-sheeted workmen repre- nted by Shri Anil Kumar Mohanto. It appears om the note made by the enquiry officer that e seven charge-sheeted workmen authorised ri Anil Kumar Mohanto as their Foreman in the mestic enquiry. The documents placed by the ompany before the enquiry officer were marked hibits and made part of the proceedings. The quiry officer quite clearly explained the proce- re to be followed by him in conducting e enquiry to the parties present It also appears at on 28th December 1971 Shri S. Mitra exa- ined four witnesses on behalf of the Company d the proceedings continued up to 7-30 p.m. ereafter it was adjourned to 30th December 1971 3 p.m. The parties were informed accordingly d this was signed by the enquiry officer, by the mpany's representative and by the charge- eeted workmen. It appears from the state- ent of witnesses as recorded by the enquiry icer that Shri Anil Kumar Mohanto cross-exa- ined some of the witnesses On a careful per- al of the recorded proceedings, I have least ubt to hold that the enquiry officer recorded statement of the Company's witnesses in pre- nce of the charge-sheeted workmen and they ned the proceedings with full knowledge of the ntents thereof. Merely, because Shri Anil mar Mohanto while signing each page of the corded statement put the date 31st December 1971 below his signature and also because Shri Mohanto signed differently at different pages, I am unable to hold that the charge-sheeted workmen were not present during the examination of the Company's witnesses and that they were not afforded opportunity to cross-examine those witnesses and that the enquiry officer made a false record to this effect though their signatures were obtained subsequently as attempted to be alleged before this Tribunal. It may be noted that neither in any correspondence addressed by these charge-sheeted workmen to the management nor in the written statement filed in this Tribunal on their behalf such allegation has ever been made.

It also appears from the enquiry proceedings and the enquiry report, Exts. Z/8 and Z/9, that Shri Anil Kumar Mohanto did not examine any witness in defence of the charge-sheeted workmen and that he made a statement for self and on behalf of the charge-sheeted workmen on 31st December 1971 and the remaining charge-sheeted workmen accepted the statement of Shri Mohanto by endorsing their signatures thereunder. Shri Mohanto admitted that they had stopped the work since 26th November 1971 and that they did not sign the Attendance Register from that day onwards till they were suspended though they attended their place of duty and accordingly they admitted the charges Nos. (i) and (ii) in course of the statement before the enquiry officer. He further stated that he told Shri Meheta that until their wages were enhanced by the Company, they would not work. On a careful perusal of the enquiry proceedings and the enquiry report of the enquiry officer, I am satisfied that the enquiry was fair and proper and that so far as the charges Nos. (i) and (ii) are concerned, the enquiry officer arrived at his findings rightly on the basis of the materials on record and there was no violation of the principles of natural justice.

Regarding the finding of the enquiry officer in respect of the third charge as against Shri Anil Kumar Mohanto and six others, namely, inciting the other employees of the Company willing to work to stop work, it cannot be sustained in law as the enquiry officer based his finding on this point on facts and incident of 17th December 1971 which occurred subsequent to the issue of charge-sheet on 1st December 1971. It may be noted that the Hon'ble Supreme Court has held in the case of Punjab National Bank Ltd vs. Its workmen (1959 II LLJ 666) that a domestic enquiry must always begin with the supply of a specific charge-sheet to the employee and in dealing with the merits of the dismissal of an employee, the employer would be confined to the charge-sheet given by him to his employee, and it would not be open to the employer to add any further charges against the employee and the case would have to be considered on the original charge-sheet as it was framed. Accordingly, a post-charge-sheet fact cannot form the basis of the enquiry officer's finding as regards charge No. (iii) regarding inciting other employees not to work as embodied in the charge-sheet dated 1st December 1971.

There is no evidence to conclude that the enquiry officer acted mala fide in any way to the prejudice of these seven charge-sheeted workmen. I, therefore, find that the domestic enquiry in respect of Shri Anil Kumar Mohanto and six others as fair and proper and accordingly I am unable to assume jurisdiction to enter into evidence on merits as adduced by the parties in this Tribunal.

Now, therefore, it is to be seen if the management is guilty of victimisation as alleged by these workmen or if the punishment of dismissal is unconscionable, disproportionate or illegal or it is in violation of the standing orders.

It is clear from the admission of Shri Anil Kumar Mohanto in course of his statement before the enquiry officer as well as from other facts and circumstances and evidence on record that these seven charge-sheeted workmen deliberately and wilfully committed acts of insubordination and disobedience in respect of their superior in refusing to work while being present at their place of duty without signing the Attendance Register. It also appears that these seven workmen without putting forward their demand through the recognised Union of the concern struck work illegally violating the terms of settlement in which Shri Mohanto specially was a signatory. So, having regard to the gravity of the offence, I am inclined to hold that the penalty awarded by the management in this connection cannot be said to be unconscionable or shockingly disproportionate and as such interference by the Tribunal does not arise.

Next, the question of violation of the provisions of the standing orders as alleged by these workmen is taken up. It is evident from the pleadings as well as from the record that the Company has no certified standing orders and it has adopted the Model Standing Orders framed under the Bengal Industrial Employment (Standing Orders) Rules, 1946. It appears from paragraphs 27(i) and (xi) that these seven workmen are guilty of wilful insubordination or disobedience and striking work in contravention of the provisions of the Industrial Disputes Act and the settlement of 1969, which are acts of misconduct liable to be punished with dismissal under paragraph 28(2).

It is seriously contended on behalf of the workmen that the management having passed the order of dismissal without giving them an opportunity for making representation on the proposed penalty and thus violating paragraph 28(5)(c) of the Model Standing Orders, the dismissal is bad in law, and that these seven workmen are entitled to reinstatement with full back wages. Several decisions are cited on their behalf in support of this contention. In the case of Workmen of Messrs. B. C. Mills, Madras v. Management of B. C. Mills, Madras, reported in 1969(19) FLR 253, the Hon'ble Supreme Court has held that the certified standing orders are part of the statutory terms and conditions of service between the employer and employees, but this ruling does not apply in this case as it is clearly not a case of certified standing orders. For similar reasons Allahabad High Court decision on this point as reported in 1971 Lab. I.C. 1447, is not applicable in the instant case. In the case reported in 1975(8) LAB. I.C. 1204 the Hon'ble Supreme Court has held that under paragraph 26(c) of the standing orders of the Company a show cause notice along with a copy of the finding of the enquiry officer is required to be given by the management to the workman concerned for the purpose of enabling him to show cause within a specified period as to why the proposed punishment of dismissal should not be inflicted on him, that the notice is required to be given not as a mere idle formality but it has a meaning and purpose that it is intended to provide an opportunity to the workman to show cause against the proposed punishment of dismissal, that the workman may show that the findings of the enquiry officer are not justified on the evidence or that even if the findings are justified, they do not warrant the extreme penalty of dismissal from service having regard to the nature or gravity of the misconduct, and the past record of the workman and any other extenuating circumstances, that the notice must, therefore, give a reasonable opportunity to the workman and that it is a condition precedent which must be satisfied before an order of dismissal can be validly passed by the employer. I would like to distinguish the present case on the basis that this is a case of interpretation, scope and effect of the Model Standing Orders and the above decision of the Hon'ble Supreme Court relates to a certified standing orders of the Company.

It appears from section 12A of the Industrial Employment (Standing Orders) Act, 1946, that the Model Standing Orders are applicable to an industrial establishment till the certified standing orders come into operation in the establishment. It also appears that the Model Standing Orders are framed by the Government under the rule-making power under section 15(2)(b) of the Industrial Establishment (Standing Orders) Act, 1946, that the Model Standing Orders applicable in the present case have been framed by the Government under section 10, Bengal Establishment (Standing Orders) Rules, 1946. Paragraph 28(5)(c) of this Model Standing Orders provides for giving by the management to the workman concerned a reasonable opportunity for making representation on the penalty proposed. It may be noted that it does not provide for giving of show notice with a copy of the finding of the enquiry officer as was under consideration by the Supreme Court in the above case, under paragraph 26(c) of the Standing Orders of the Company concerned. Paragraph 28(6) of this Model Standing Orders requires the management to take into account the gravity of the misconduct, the previous record of the workman and any other extenuating or aggravating circumstances and to give to the workman a copy of the final order.

On behalf of the Company, the Supreme Court decision in the case of Shahdara (Delhi)-Saharanpur Light Railway Co. Ltd. v. Shahdara-Saharanpur Railway Workers' Union, reported in 1969(I) LLJ, 734, is cited. This decision lays down that the second show cause notice regarding the proposed penalty need not be given and that a breach of the Model Standing Orders is not material but the breach of the certified standing orders is

Keeping the above legal position in view and having regard to the deliberate and wilful acts of insubordination and disobedience and of striking work illegally, I am unable to hold that the omission on the part of the management to afford reasonable opportunity to these charge-sheeted workmen for making representation on the penalty proposed, is not such a breach of the Model Standing Orders as to warrant interference by this Tribunal with the order of the management. In the peculiar circumstances of this case no prejudice has been caused to these workmen for omission on the part of the management to take into account their previous records or any extenuating circumstances, as there was none. I am therefore inclined to hold that the said omission on the part of the management may be ignored, specially having regard to the peculiar facts and circumstances of the present case. The final order of the management seems to have been communicated to the workmen in the form of the dismissal order.

I, therefore, hold that the dismissal of Shri Anil Kumar Mohanto and six others is justified.

Lastly, the case of Shri Tapas Gobinda Sen is taken up. Admittedly, the domestic enquiry was done ex parte by the enquiry officer. It may be seen if the management or the enquiry officer allowed reasonable opportunity to Shri Sen for participating in the enquiry and for defending himself. It is clear from the enquiry proceedings and the enquiry report of the enquiry officer (Exts. Z/8 and Z/9) and also from Ext. D, the notice of enquiry, dated 20th December 1971, Ext. M, Shri Sen's letter, dated 3rd May 1972, Ext. N, the letter of the Secretary of the Company, Shri T. Majumdar, dated 4th May 1972, and Ext. P, Shri Sen's letter, dated 8th May 1972, that Shri Sen demanded of the Company the names of the prosecution witnesses to be examined at the enquiry, a copy of the standing orders and copies of statements of the Company's witnesses beforehand for the purpose of his cross-examining them and that even though the Company assured Shri Sen to furnish the names of prosecution witnesses at the time of commencement of the enquiry and to allow him inspection of the recorded statement of the Company's witnesses before his cross-examination, and had disclosed that the Model Standing Orders would apply, Shri Sen was adamant with regard to his demand and he deliberately chose not to attend the enquiry unless his demands were fulfilled by the Company. The plea of Shri Sen for not participating in the enquiry does not appear to be proper and justified in the absence of such prescribed procedure in the standing orders applicable to the Company and accordingly the enquiry officer must be held to have acted rightly in proceeding with the enquiry ex parte in the absence of Shri Sen. In this paticular context it cannot be said that the enquiry officer violated the principles of natural justice. Shri Sen's allegation regarding fake and eye-wash enquiry is, in my opinion, not tenable.

Ext. J, the charge-sheet, dated 20th April 1972, shows that altogether seven charges were brought against Shri Sen out of which the enquiry officer found him quilty only of charges Nos. 2, 3 and 7. These charges respectively are to the effect that Shri Sen failed to maintain the Sundry Debtors' Ledger and the Sundry Creditors' Ledger properly and regularly and also failed to brought forward the closing balances thereof for the year ending 31st July 1971, to the following year 1971-72, and that Shri Sen absented himself from duty for a month without the sanction of the management.

Regarding the charges 2 and 3, Shri Sen in his reply, Ext. stated that those duties were not specifically allotted to him exclusively and that he completed those Ledgers as and when specifically allotted to him. The enquiry officer on examination of the Sundry Debtors' and Sundry Creditors' Ledgers along with the list of Sundry Debtors (Ext. C, marked by the enquiry officer), the list of Sundry Debtors, whose balances were struck and forwarded by Shri Sen (Ext. H, marked by the enquiry officer), and the list of Sundry Debtors, whose balances were struck and forwarded by the auditors (Ext. I, marked by the enquiry officer), along with the oral testimony of Shri Majumdar, the Secretary of the Company, Shri Metha, the Technical Director of the Company, and Shri Durgadas Dey, one of the partners of the Auditors' Firm, rightly found Shri Sen guilty of those two charges. I hold that the evidence on record warrants the findings arrived at by the enquiry officer on these two charges, specially having regard to the fact that Shri Sen was the Accountant of the Company.

Regarding charge No. 7, the reply of Shri Sen is that he never absented himself without any proper application and with the consent of the authority. It appears from the enquiry proceedings and the report that the enquiry officer relying on the statement of Shri Metha, the Technical Director, and considering Shri Sen's leave application, dated 14th February 1972, Ext. 12, and his subsequent application for extension of leave, dated 23rd March 1972, found him quilty of misconduct as he absented himself for long without obtaining leave or sanction from the authorities. Paragraph 15 of the Model Standing Orders prescribes for a written leave application by the workman at least 15 days prior to the date of the intended commencement of such leave and for passing by the management orders on the application within a week of its submission. Though in this case these formalities were observed rigidly neither by the workman nor by the management, nevertheless, in view of the evidence on record forming the basis of the finding in this regard by the enquiry officer, I do not consider it proper to interfere in any way with the finding of the enquiry officer, having regard to the limited scope and jurisdiction at this stage for adjudication by the Tribunal. It was stated by Shri Metha before the enquiry officer that on receipt of the leave application from Shri Sen, Ext. 12, he informed him that the leave could not be granted but this is denied by Shri Sen. The Company's letter, dated 23rd February 1972, Ext. Z/4, which was received by Shri Sen on 24th March 1972, as evident from the date entered by him below his signature on Ext. Z/4, shows that the Company communicated to

Shri Sen that the leave as prayed for could not be granted to him. Be that as it may, it is clear that the provisions in this regard as aforesaid of the Model Standing Orders were observed neither by Shri Sen nor by the Company. I do not see any cogent reason to hold the enquiry to be unfair and improper or in any way vitiated by mala fides and perversity. Under paragraph 27(v), habitual absence without leave or absence without leave for more than ten days, and under paragraph 27(ix), negligence or habitual neglect of work are misconducts punishable with dismissal under paragraph 28(2) of the Model Standing Orders. Having regard to the fact that Shri Sen failed to maintain the Debtors' and the Creditors' Ledgers properly and to balance those individual accounts and to carry forward their respective balances at the commencement of the next financial year, the enquiry officer rightly found Shri Sen guilty of habitual neglect of work. Accordingly, having regard to the gravity of misconduct proved against Shri Sen, I am unable to hold that the penalty of dismissal is unconscionable, or shockingly disproportionate to the offence as to lead to the inference of victimisation.

For reasons stated above, in connection with the case of Shri Anil Kumar Mohanto and six others, I am also unable to hold that the order of dismissal by the management cannot be sustained in view of the fact that a second show cause notice on the proposed penalty with a copy of the finding of the enquiry officer was not given to Shri Sen. Further, it is not proved that Shri Sen was a protected workman as the necessary legal formalities had not been proved to have been observed in the instant case. Merely bacause Shri Sen was elected as Secretary of the Union and he signed communications addressed to the Company as such, he cannot be held to be a protected workman within the meaning of section 33 of the Industrial Disputes Act. Under this section a "protected workman" has been defined as a workman who, being an officer of a registered Trade Union connected with the establishment, is recognised as such in accordance with the rules made in this behalf and rule 71 of the West Bengal Industrial Disputes Rules, 1958, requires every Registered Trade Union connected with an industrial establishment to communicate to the employer before the 30th September, every year the names and addresses of such of the officers of the Union who are employed in that establishment and who, in the opinion of the Union, should be recognised as "protected workmen". It also requires the employer to recognise such workmen by a communication to the Union in writing within 15 days of the receipt of the names and addresses, the list of workmen recognised as "protected workmen". It also requires sending copies of the Union's communication and also the employer's communication in reply regarding recognition of the "protected workmen" to the Labour Commissioner and the conciliation officer concerned. In the instant case there is no proof that Shri Sen was recognised as a "protected workman" entitling him to special protection under the Act.

Accordingly, I hold that the domestic enquiry in the case of Shri Sen also to be fair and proper, and I find no reason to interfere with the order of dismissal passed by the management in this case as the punishment seems to be in accordance with the provisions of the Model Standing Orders and nothing has been proved to hold that the action of the management is vitiated by mala fide, action, victimisation or unfair labour practice. Hence, I hold that the dismissal from service of Shri Sen is justified.

In view of what has been stated above, it is found that the dismissal from service of all the workmen under reference is justified and that they are entitled to any relief.

This is my award.

AWARD

The Government of West Bengal, Labour Department, by its order No. 7537-I-R./IR/11L-467/73, dated 22nd November 1973 referred an industrial dispute between Messrs. (1) H. D. Cartwright & Co., and (2) Nirmal Kumar & Co., and their workmen represented by Commercial Employees' Union (Calcutta), to this Court under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947) for adjudication on the following issue, namely :

Issue

> "Whether termination of services of Sarbashri Bikhari Charan Das, Layak Singh, Jagannath Singh, Jata Shankar Upadhyay, Kamal Singh, Kali Charan Singh, Krishna Deo Singh, Shree Balak and Jagadish Singh is justified ? To what relief, if any, are they entitled ?"

Pursuant to the notices served on the parties the Commercial Employees' Union representing the workmen filed written statement on 28th February 1974. The contention of the Union as made out in its written statement is that Messrs. H. D. Cartwright & Co. and Messrs. Nirmal Kumar & Co. are two reputed firms and Ram Gopal Ganeriwala and Kishori Lal Ganeriwala are two Partners of these Companies. The workmen whose names appear in the reference have been working in this two Companies since long and they are members of the Union. In July 1968 the Union placed a Charter of Demand and there was a Memorandum of Settlement for 3 years with effect from 1st July 1969. On 3rd July 1972 the Union sent a notice under section 19 of the Industrial Disputes Act, 1947 regarding the termination of the aforesaid settlement, dated 22nd December 1969. Messrs. Ramgopal Ganeriwala had many other forms/Companies of its own and made an agreement in the month of November 1969 to the effect that the business of the Companies, if closed down, the partners would take up the responsibility of the workers employed in the said two firms and they would be transferred to Messrs. Ram Gopal Ganeriwala or to any other firm or Company of his own. The Union again submitted a Charter of Demand on 3rd July 1972 and launched a lawful agitation for realisation of the said Charter of Demand, after serving a notice on 28th December 1972. Ram Gopal Ganeriwala with a vindictive motive served a retrenchment notice on 8th January 1973 upon nine workmen working in Messrs. H. D. Cartwright and Nirmal Kumar & Co. The management did not disclose the reason of the pretended closing down of the business operation to the Union or to the retrenched employees. The Union protested by letters, dated 9th January 1973 and 10th January 1973 against the arbitrary and illegal action of the management. The financial position of the Company is very sound and business prospect is very bright. The action of the management is mala fide and vindictive. The Union has prayed for reinstatement of the workmen with full back wages.

The two Companies involved in this reference, i.e., Messrs. H. D. Cartwright & Co. and Messrs. Nirmal Kumar & Co. filed two separate written statements on identical lines on 27th May 1974. The contention of these two Companies is that the joint reference made against the two Companies is invalid and the Commercial Employees' Union (Calcutta) is not competent to sponsor any dispute on behalf of these workmen. The Union never raised any industrial dispute with the management for the termination of service of these workmen. These two Companies were facing considerable difficulties for several years in business operation and in 1969 they ceased to take new business. The business of these Companies were closed down in 1973 and thereafter the service of these employees were terminated by the letters, dated 8th January 1973, and the employees were asked to collect their dues including one month's salary in lieu of notice and compensation at the rate of 15 days average pay for each completed year of service. The termination of employment of these employees were effect on closing down of business operation of the firms and compensation was given on closure of terms of section 25FFF of the Industrial Disputes Act. The employees did not collect the notice pay, compensation amount and other dues in full and final settlement of their claims and therefore the amount was collected and remitted to them by money orders. Jagannath Singh, Jagadish Singh and Shree Balak accepted the dues but other workers did not accept. On closing down the business operation of the firm the service of all the employees were terminated excepting two clerks who were retained for the purpose of winding up only. The workers are not entitled to any other benefit except that provided that under section 25FFF of the Industrial Disputes Act, 1947. The closure is bona fide and real.

Upon the submission made by the learned Lawyers of both parties the following issues emerge for my consideration :

(1) Is the joint reference made by the Government in the name of 2 Companies invalid?

(2) Is the Commercial Employees' Union (Calcutta) competent to sponsor the cause of the workmen?

(3) Did the Union raise industrial dispute with the management on termination of service of the concerned workmen?

(4) Are the workmen entitled to reliefs prayed for?

Issue Nos. 2 and 3 : P.W. 4 Ajit Narayan Misra, Assistant Secretary of the Union, has examined himself in this case. He says that all the workers of Messrs. H. D. Cartwright & Co. and Messrs. Nirmal Kumar & Co are members of the

Union He has produced the Membership Register (Ext. 17 and Membership Forms filled up by the workmen which are marked Exts. 18 to 18-O). The three workmen examined in this case, i.e., P.W. 1 Kamal Singh, P.W. 2 Krishnadeo Singh, and P.W. 3 Layak Singh say that they were members of this Union. The only witness examined on behalf of the Company is O.P.W. 1 T R. Subramanian He does not say a single word regarding the competence of the Union to sponsor the cause of these workmen The 3 documents relied upon by the Company show that the Memorandum of Settlement, dated 22nd December 1969 (Ext. 14) was between Messrs. H. D. Cartwright & Co. and Messrs Nirmal Kumar & Co and the workmen represented by Commercial Employees' Union (Calcutta). The Company has not produced a single chit of paper to show that there is any other Union in its establishment to represent the cause of the workmen. All the documents produced before me show that Commercial Employees' Union (Calcutta) had always sponsored the cause of the workmen with the management. The service of those workmen were terminated by the letters, dated 8th January 1973 (Exts. 10 series). On 9th January 1973 and 10th January 1973 the Assistant Secretary wrote letters to Messrs H D. Cartwright & Co. and Messrs. Nirmal Kumar & Co. (Exts. 12 and 13) protesting against the retrenchment and he asked the two Companies to withdraw the notice of retrenchment and allow the workers to resume their duties. So the Union by writing the 2 letters (Exts 12 and 13) protested against the notice of retrenchment issued by the Company on those workmen and therefore it raised industrial dispute with the management after their services had been terminaed by way of retrenchment. I, therefore. hold that the Union is competent to sponsor the cause of these workmen and it raised industrial dispute with the management after their services had been terminated. These two issues are answered accordingly.

Issue No 1: The learned Lawyer appearing for the Company has contended that the joint reference in the name of 2 Companies that is, Messrs. H. D Cartwright & Co and Messrs. Nirmal Kumar & Co. made by the Government is invalid. Under section 10(5) of the Industrial Disputes Act the Government is competent to make joint reference if the appropriate authority is of the opinion that the dispute was of such a nature that any other establishment, group or class of establishments of similar nature were likely to be interested in or effected by such dispute. The learned Lawyer appearing for the Company submitted that it was the retrenchment of service of individual workman upon closure of the firm Therefore, according to him, the dispute was not of such a nature that members of other establishments were likely to be interested in or affected by. This contention of the learned Lawyer appearing for the two Companies does not seem to be correct. It is an admitted fact that Messrs H D. Cartwright & Co. and Messrs. Nirmal Kumar & Co. are the partnership firms of Ram Gopal Ganeriwala and Kishori Lal Ganeriwala. The Union has made this statement in paragraph 3 of its written statement. The question before me is whether this was a cloure of these two firms on 8th January 1973 when retrenchment notices were issued on the workmen. Therefore the dispute involved is of a similar nature and the reference made by the Government in the joint name of the two Companies is legal and valid. The issue is answered accordingly.

Issue No. 4: The contention of the Union is that Messrs. H. D. Cartwright & Co. and Messrs Nirmal Kumar & Co. are two prosperous firms and they have not been closed down. On the other hand the Company, in paragraphs 8 and 9 of its written statement, has submitted that these two Comanies had been facing considerable difficulties in business operation and ceased to take up new business in 1969 and then finally closed down the business operation in 1973. Now the question before me is, were the service of these workmen terminated upon closure of the two firms under section 25FFF of the Industrial Disputes Act, 1947 or it was a case of retrenchment?

On 22nd December 1969 there was a Memorandum of Settlement (Ext. 14) between these Companies and their workmen represented by Commercial Employees' Union (Calcutta). The material portion of this settlement runs as follows:

"Messrs Ram Gopal Ganeriwalla and Bimal Kumar Ganeriwala are the Partners of Messrs. H D. Cartwright & Co. and Nirmal Kumar & co............. During the pendency of the Tribunal, it has been decided by the said Partners of the aforesaid two Partnership concerns ....that on and from 7th November 1969 the said concerns will continue their business in course of winding up their affairs and will continue to execute orders/contracts which are already pending with Messrs. H. D. Cartwright & Co and Nirmal Kumar & Co............ The workmen of all the above three concerns, namely, Messrs. H. D Cartwright & Co. Nirmal Kumar & Co. and The Bhubandhar Tea Co. Ltd, having come to know of this, took up the matter with Messrs. Ram Gopal Ganeriwalla and Bimal Kumar Ganeriwalla, Partners and Directors of the aforesaid Messrs Ram Gopal Ganeriwalla Kishorilal Bimal Kumar and Bhubandhar Tea Co. Ltd. regarding their employment position". So on 22nd December 1969 when Ext. 14 was executed the Union and the workers knew that Messrs. H D. Cartwright & Co. and Nirmal Kumar & Co would not take up any new contract from 7th November 1969 and they would continue their business in course of winding up their affairs. On 6th November 1969 there was a provisional agreement (Ext. 15) whereby the management had agreed that the workmen working under Messrs. H D. Cartwright & Co and Nirmal Kumar & Co. would be transferred to Messrs Kishorilal Bimal Kumar of 14 Clive Row, Calcutta-1 There was another Memorandum (Ext. 16) on the same terms and paragraph 5 of the settlement runs as follows:

"So long Messrs. H. D. Cartwright & Co and Nirmal Kumar & Co. will continue to function, the employees concerned will assist the managements in smooth conduct of their business." So these three documents, Exts 14, 15 and 16 clearly show that Messrs H. D. Cartwright & Co. and Nirmal Kumar & Co. ceased to take up any new contract from 7th November 1969 and they continued to function in course of winding up their affairs. The management, however, agreed that the workers of these Companies would be transferred to other sister concerns In paragraph 8 of its written statement the Union has stated that a notice was sent on 3rd July 1972 under section 19 of the Industrial Disputes Act (Ext. 5) whereby it terminate the settlement, dated 22nd December 1969. The contention of these two Companies is that it could not absorb all the surplus workers of these two firms in the sister concerns and these workers had resorted to various illegal and unlawful and criminal activities in collusion with outsiders. P.W. 1 T. R Subraminam who is the Principal Executive Officer attached to Ram Gopal Ganeriwala has deposed before me. He says that both the Companies are closed and after their closure they had been asked to look after the pending works of the Company. He categorically says that the business of both the Companies was closed on 7th November 1969 and no new contract was taken up by these Companies after 7th November 1969. From 7th November 1969 to 7th January 1972 the Companies had been retaining the surplus staff as they could not be absorbed elsewhere, and therefore retrenchment notices were served on them on 8th January 1973.

The Union has not produced any evidence to corroborate its contention that Messrs. H. D. Cartwright & Co and Nirmal Kumar & Co. are two prosperous concerns. Agreement, dated 22nd December 1969 and 11th November 1969 (Exts. 14, 15 and 16) disprove the contention of the Union that the two Companies were going on concerns. They, on the other hand, prove that from 7th November 1969 they stopped taking up new contracts and they continued to function in the course of winding up their affairs. I, therefore, do not find any reason to disbelieve the evidence of O.P.W. 1 T. R. Subramanian when he says that the two Companies are closed and notices were served on the workmen on 8th January 1973 upon the closure of the two firms. The 3 workmen examined in this case have no knowledge about the business concern of these Companies. P.W. 1 Kamal Singh admits that after retrenchment he never entered the premises of the Company. How can these workmen now say that the two Companies are still functioning when in December 1969 the Union representing the workmen signed a settlement to the effect that the two Companies would function for the purpose of winding up operation and the workmen would be absorbed in some other sister concern of the Partners of the two Companies. So these workmen knew in 1969 that these Companies were going to be closed down and they would be transferred to some other concern. Mr. Subramaniam says that they were surplus staff and they could not be absorbed in other Companies. Therefore upon closure of the two Companies retrenchment notices were served on them on 8th January 1973. I, therefore, hold that the closure of these two Companies is bona fide and notices of retrenchment were served on these workmen upon the closure of the same on 8th January 1973.

That being the position the workers cannot claim reinstatement. They have been offered one month's notice pay and compensation as provided in section 25FFF of the Industrial Disputes Act. They are not entitled to the payment of compensation on closure as provided in section 25F of the Industrial Disputes Act. The learned Lawyer appearing for the Union agreed that if it was a notice under section 25FFF of the Industrial Disputes Act then it is legal. In 1972 L.L.J. 206 it has been held that payment of benefit due to the workers was not a condition precedent under section 25FFF. The payment of compensation subsequent to the date of closure does not violate the provision of section 25FFF. The management by issuing the notice on 8th January 1973 (Exts. 10 to 10G) offered the workers one month's pay in lieu of notice and retrenchment compensation and they were asked to collect the same during the office hours from the office. When the workers did not turn up the management calculated the benefits and the amount was sent by money orders. Some of the workers accepted but others refused. Therefore, in my view the notice given to these workers is legal and valid and they are not entitled to any relief in this case. The issue is answered accordingly.

I, therefore, hold that the workers are not entitled to reinstatement with back wages.

This is my award.

The General Industrial Society Ltd., Champdani, district Hooghly, and their workmen represented by G.I.S. (Cotton Mill) Workers' Union, Champdani, district Hooghly, by an Arbitration Agreement, dated 29th December 1975, agreed to refer the following dispute to me for arbitration:

> Whether the workmen of the Cotton Mill Division are entitled to get bonus on the basis of the separate accounts of the Cotton Mill Division of the Company for the year ending 31st December 1974?

The Labour Department, by their notification No. 153-I.R./IR/8L-66/72, dated 9th January 1976, published the said Arbitration Agreement. On receipt of the above Government Order I issued notice to the parties to file their written statements. The parties thereafter filed their written statements and other documents in the first week of March 1976. The Company also filed a rejoinder to the written statement of the Union on 22nd May 1976. The parties were thereafter heard by me on 24th May 1976.

The Company's case, as set out in their written statement, is briefly as follows:

(1) The General Industrial Society Ltd. is a Company registered under the Indian Companies Act having its registered office at Ruby House, 8 India Exchange Place, Calcutta-1. It has presently three undertakings, viz., Cotton Mill Division at Champdani and Jute Mill Division at Gondalpara (both in the district of Hooghly, West Bengal), and a Jute Twine Factory at Vizianagram, Andhra Pradesh. It had also a Cast Iron Foundry where the manufacturing operation was discontinued from 24th June 1975.

(2) The Company publishes in terms of Indian Companies Act every year an Annual Report which contains, amongst others, the Balance Sheet and Profit and Loss Account for the relevant year, for presentation to its share-holders and such Balance Sheet and Profit and Loss Account are duly audited. With a view to judge performance of each of the above Divisions the Company prepares at its above registered office a sep[illegible] Profit and Loss Account and Balance Sheet for each of these three Undertakings every year Such separate Profit and Loss Account and the Balance Sheet are scrutinised by the Auditors with the books of accounts of the Undertakings of the Company. Therefrom the final audited Profit and Loss Account and Balance Sheet are prepared for the purpose of complying with the provisions of Companies Act, 1956, for publication of Annual Report referred to above.

(3) In the past the Company used to pay bonus to its employees on the basis of Agreement/Settlement/Award/Customs, etc. prior to enforcement of the Payment of Bonus Act, 1965. Therefore, the employees of different Undertakings of the Company were getting bonus as per the Agreement/Settlement/Award/Customs, etc. applicable to them independently. However, since the enforcement of Payment of Bonus Act, 1965, the Company has been working out allocable surplus for the purpose of payment of bonus on the basis of its published Annual Report which contains working result of all the Divisions taken together.

(4) The Company paid bonus to its Cotton Mill workers for the year 1964 as per settlement, dated 1st October 1964 Thereafter Payment of Bonus Act, 1965, came into force and a further payment for the said year 1964 was made in the year 1965. At the time of such payment the Company considered the published Profit and Loss Account which contains working results of all the Undertakings taken together. However, the Workers' Union raised a dispute in the year 1966 for the payment of bonus for the year 1965 that separate Profit and Loss Account of this Undertaking should be considered. The dispute was referred to 8th Industrial Tribunal for adjudication. In the meantime there was changes in the Workers' Union and the workers did not take much interest in the adjudication proceedings before the said Tribunal which ultimately passed a "No dispute" award. Since then Company has always paid to its Cotton Mill Workers on the basis of settlements reached with them from time to time.

(5) On promulgation of the Payment of Bonus (Amendment) Ordinance, 1975, replaced by the Payment of Bonus (Amendment) Act, 1976, which rendered ineffective any agreement, etc. to the contrary the workers of the Cotton Mill Division at Champdani contended that bonus for accounting year ended on 31st December 1974 should be paid on the basis of separate Profit and Loss Account and Balance Sheet of Cotton Mill Division of the Company and not on the basis of consolidated Profit and Loss Account and Balance Sheet. An advance payment in terms of the Company's notice, dated 5th October 1975 was made in the meantime to the workers of the Cotton Mill Division and tripartite settlement, dated 27th December 1975 was thereafter entered into between the management and Workers' Union and both the parties agreed to refer the matter for arbitration and accordingly, an arbitration agreement, dated 29th December 1975 was signed.

In view of the above the Company submits that the payment of bonus to all workers of all the Undertakings of the Company should be made on the basis of consolidated Profit and Loss Account and Balance Sheet as published by the Company and not on the basis of unitwise Profit and Loss Account and the Balance Sheet.

The case of the Union briefly, as set out in their written statement, is as follows:

(1) The Company has under it the following Undertakings:

(a) Jute Mill Division at Gondalpara, Hooghly.

(b) Jute Division at Vizianagram, Andhra Pradesh,

(c) Cotton Mill Division at Champdani, Hooghly, and

(d) Foundry Division at Gondalpara, Hooghly,

(2) The service conditions of the workmen of the aforesaid four Undertakings/Divisions are not uniform and the service conditions of the workmen of each of the aforesaid Undersigns are guided by the various settlements and/or awards.

(3) The performance and productivity of the workmen of the different Divisions, the business prospects and the profitability of the aforesaid different Undertakings/Divisions are also not uniform.

(4) The Company prepares and maintains Profit and Loss Account and Balance Sheet in respect of each of the aforesaid four Undertakings/Divisions and the Company's consolidated Balance Sheet and Profit and Loss Account are finally prepared on the basis of the said separate accounts.

(5) The Cotton Mill Division of the Company at Champdani earns maximum profit for the Company and, in fact, the separate profits of this Textile Division are higher even than the consolidated profits of the Company.

(6) All the aforesaid Divisions had all along been treated by the Company as separate establishments even prior to the enactment of the Payment of Bonus Act, 1965, for the purpose of computation and/or payment of bonus and the Company had been paying bonus at different rates or percentage to the workmen of its different Divisions and the Company never paid bonus to its workmen of different Divisions on the basis of consolidated Balance Sheet and Profit and Loss Account.

(7) The Company always paid bonus to the workment of the Textile Division on the basis of various settlements and the rate of bonus in the Textile Division was always highest in comparison with other Divisions and the last settlement was made with the Union on 1st October 1974.

(8) According to the terms of the said Settlement, dated 1st October 1974, the workmen of the Textile Division, i.e., the workmen under Reference are

entitled to 19 per cent of the annual earnings as bonus for the financial years 1973, 1974 and 1975. The workmen also received 19 per cent. bonus for the financial year 1972.

(9) According to the terms of the said Settlement, dated 1st October 1974, the bonus for the financial year 1974 was to be paid three weeks before Puja, i.e., by 20th September 1975. But the Management for some ulterior motives did not pay the bonus on or before 20th September 1975.

(10) The Payment of Bonus (Amendment) Ordinance, 1975, was promulgated on 25th September 1975 and the Management subsequently on the plea of said Bonus Ordinance, refused to pay bonus as per terms of the Settlement, dated 1st October 1974, as it was not linked with production or productivity. The Management on the contrary wanted to pay bonus based on the profits of the consolidated Balance Sheet and Profit and Loss Account of the Company.

(11) The Union submitted that the aforesaid action of the Company is unjustified, illegal and mala fide, as the workmen's right to receive bonus for the financial year 1974 accrued and became payable on or before 20th November 1975 and it could not come under the mischief of Bonus Ordinance.

(12) The workmen for justifiable reasons refused to accept the aforesaid Company's proposal. It is further stated that the Company's consolidated Balance Sheet and Profit and Loss Account do not reflect the real profits of the Cotton Mill Division.

(13) The workmen demanded that the bonus should be paid on the basis of the existing settlement or in the alternative on the basis of separate accounts of the Cotton Mill Division of the Company for the financial year 1974.

(14) The Union submitted that the spirit of the Bonus Ordinance of 1975 or Payment of Bonus Amendment Act, 1976, would be defeated and also great injustice would be done to the workmen in view of the existing settlement, if the bonus is not paid to the workmen under Reference on the basis of separate accounts of the Cotton Mill Division.

Apart from the contentions and the points raised by the Company in their written statement they also urged that if the contention of the Cotton Mill Workers is accepted, the workers of other Undertakings would be affected and, therefore, the workers of all the Undertakings besides the Cotton Mill Division should be given an opportunity of presenting their case before me in terms of section 10A, sub-section 3A of the Industrial Disputes Act.

I am unable to concede to this prayer of the Company. The Industrial Disputes Act does not vest the Arbitrator with power to include other parties concerned or interested in the dispute, unless Government issues a notification under section 10A, sub-section 3A of the Industrial Disputes Act. In the present case I find that no such notification by Government has been issued and I, therefore, hold that I have to give hearing only to those who are parties to the Arbitration Agreement.

As regards the Company's contention that workers of other Divisions will be affected and there will be industrial unrest if the contention of the Cotton Mill Division Workers is accepted I think this has not much substance as I find that in the past when a substantially higher quantum of bonus was paid to the Cotton Mill Workers than what was paid to the workers of other Divisions, there was no unrest or industrial dispute on the score.

I shall now deal with the merits of the present dispute.

I have carefully considered the respective cases, contentions and submissions of the parties as made out in their written statements and also at the time of hearing before me. I find from the statements filed by the Company that from 1968 onwards up to 1974 the Company paid bonus to the workers of the Cotton Mill at a rate much higher than what was paid to the workers of the other two Undertakings of the Company, viz., Jute Mill and Jute Twine. Admittedly, the higher quantum of bonus was paid to the workers of the Cotton Mill Division as a result of bipartite and tripartite Agreements. Shri Arun Sen, President of the Union, contended that this higher quantum of bonus was paid to the workers of the Cotton Mill Division because of the profitability of the Division as reflected in the separate Balance Sheet and Profit and Loss Account of the Division and not on the consolidated Banance Sheet of the entire Company. According to him, the Company in the past never took the stand that bonus for the Cotton Mill Workers should be calculated on the basis of consolidated Balance Sheet of the Company. Thus, workers of the Cotton Mill Division have always been treated on a separate footing in the matter of payment of bonus Moreover, he referred to the proviso of section 3 of the Payment of Bonus Act which stipulates payment of bonus for any accounting year on the basis of a separate Balance Sheet and Profit and Loss Account for any Undertaking or department or branch of an establishment. It is admitted by the Company that every year it prepares a separate Profit and Loss Account and Balance Sheet for each of the three Undertakings.

After giving due consideration to the practice followed by the Company and having regard to section 3 of the Payment of Bonus Act, I am led to believe that the Company paid bonus to the workers of the Cotton Mill Division from 1968 onwards up to 1974 mainly on the basis of separate Balance Sheet and Profit and Loss Account even though such payment was made on the basis of bipartite or tripartite Agreement. These amounts were substantially higher than what was paid to the workers of the other two Undertakings of the Company. Section 3 of the Act and its proviso has not been affected by the amended Payment of Bonus Act, 1976.

I, therefore, decide and award that for the year ending 1974 the workmen of the Cotton Mill Division are entitled to get bonus on the basis of the separate account of the said Division as per the proviso to section 3 of the Payment of Bonus Act which was presumably the underlying principle of the Company in paying bonus to the workers of the Cotton Mill Division even though such payment was based on agreement between the parties. Before concluding I may observe that if the bonus for the financial year 1975 was paid three weeks before the Pujas, viz., by the 20th September 1975, the present dispute would not have arisen.

In the matter of an industrial dispute between Messrs. Orient Supply Syndicate, 2 Raja Woodmount Street, Calcutta-1, and their workmen represented by Commercial Employees' Union, 12A Netaji Subhas Road, Calcutta-1. (Case No. 103/72.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri T. B. GANGULY, Judge,
Fourth Industrial Tribunal.

For the Union : Shri S. R. Ghosh, Advocate.

For the Company : Shri D. K. Das Gupta, Advocate.

The Government of West Bengal, by Labour Department, order No. 3561-I-R./IR/11L-82/73, dated the 11th May 1973, has referred the instant industrial dispute between Messrs. Orient Supply Syndicate, 2 Raja Woodmount Street, Calcutta-1, and their workmen represented by Commercial Employees' Union, 12A Netaji Subhas Road, Calcutta-1, under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue :

Issue

(1) Whether the termination of services by way of retrenchment of Sarbashri (i) Dibakar Deb Sarkar, (ii) Satish Chandra Haldar, (iii) Santosh Kumar Pal, (iv) Arun Kumar Ghosh and (v) Tulsi Kahar with effect from 10th September 1971 is justified ? To what relief, if any, are they entitled ?

(2) Whether termination of services of Shri Budhiram Kahar from 1st October 1971 by way of refusal of employment to him is justified ? To what relief, if any, is he entitled ?

The Union in its written statement has made out the following case :

The employer concern is a partnership firm. With a view to wrongfully terminating the services of the workmen under reference the said Firm brought a collusive suit being Suit No. 585/1971 in the City Civil Court at Calcutta and got a Receiver-Manager appointed for the management of the said Firm on and from 10th September 1971. The said Firm by identical letters dated 15th October 1971 terminated the services of workmen one to five with effect from 10th September 1971. The workmen (No. 6) Shri Budhiram Kahar was also refused employment with effect from 1st October 1971. The said Union of which the workmen under reference are members made correspondences with the management for settlement of the dispute, but without any result. Thereafter the dispute was referred to the Labour Commissioner, West Bengal, for conciliation and the same also failed. The employer firm is still carrying on its business with the help of new recruits. The conciliation officer having submitted a failure report, the Government has made the instant reference. The employer Firm illegally and acting mala fide and taking recourse to victimisation and unfair labour practice terminated the services of the workmen concerned. It is therefore prayed that the workmen be deemed to be still in service of the Firm and they be allowed full back wages with other benefits.

The employer Firm in its written statement has made out the case that on account of disagreement amongst the partners they brought a suit for dissolution of the partnership business in the City Civil Court, Calcutta, in which a Receiver-Manager was appointed by that Court for taking over the business of the Company on 10th September 1971, and as a result of which the services of all the employees in the said Firm stood automatically terminated, that accordingly the Receiver-Manager issued discharge letters to all the employees, that for the safe custody of the Company's properties Shri Budhiram Kahar who was also discharged was reappointed by the Receiver-Manager by letter dated 15th October 1971 that the workmen Nos (1) and (2) Shri Dibakar Deb Sarkar and Shri Satish Chandra Halder, have already entered into settlement with the Company and accepted the termination made by the employer as good and valid, that this Tribunal has no jurisdiction to entertain and adjudicate upon the instant reference as there was no industrial dispute as the discharge of the employees followed the closure of the business as a result of decree of the Court, that the workmen ought to have made their claims before the Receiver-Manager who had actually discharged them, that prior to the reference the workmen never raised any demand with the management of the firm, and that accordingly the workmen are not entitled to the reliefs as prayed for.

Findings

At the time of final hearing it is conceded on behalf of the workmen that the workmen Nos. (1) and (2), viz., Shri Dibakar Deb Sargar and Shri Satish Chandra Halder, having already settled their dispute amicably with the employer, their case is given up. In view of the agreed case of both sides that the dispute relating to these workmen already been settled the reference is not maintainable so far as these two workmen are concerned.

As regards workman No. six, Shri Budiram Kahar, a joint petition of compromise has been filed before this Tribunal on 7th November 1975. In this petition it is stated that in view of payment of Rs. 3,562 by the Firm in full and final satisfaction of all his dues, Shri Budhiram Kahar does not like to proceed with the dispute which has been settled and concluded. Considering that the terms of compromise are legal and beneficial to the interest of both the parties, the compromise is accepted and it is awarded that the dispute as regards Shri Kahar stands fully satisfied in terms of the petition of compromise filed on 7th November 1975.

The Union ultimately pressed the dispute relating to the three workmen, namely, Santosh Kumar Pal, Arun Kumar Ghosh and Tulsi Kahar. As I have already stated above, the case of the employer Firm is that on account of appointment of Receiver-Manager for the Firm's business by an order of the City Civil Court, Calcutta, in a suit for dissolution of partnership, the Receiver-Manager terminated the services of these workmen by his letters, dated 15th October 1971 (Exts. 6 to 8). It is contended on behalf of the Firm that the termination of service of these workmen being by virtue of this operation of law as a result of appointment of a Receiver-Manager for the management of the Firm's business by an order of the Court, these workmen are not entitled to reinstatement and back wages and their remedy is only to receive retrenchment compensation, if any, from the appropriate Court. In support of the contention three decisions have been cited on behalf of the Firm Firstly, a decision of the Hon'ble Madras High Court in the case of Workers of N. Desai Gounder & Co., Coimbatore v. Labour Court, Coimbatore and another, reported in 1962 (II) LLJ 133, has been cited. In this case where by the terms of a decree made by a Civil Court in a suit for dissolution of the partnership filed by one of the partners, the partnership was directed to be dissolved and a Receiver was appointed to carry out the necessary directions for closing the business and the Receiver terminated the services of the workmen employed in the business carried on by the partnership Firm, it was held that the closure being for unavoidable circumstances, the discharge of the concerned workmen would not amount to retrenchment and that the payment of compensation under section 25FFF of the Industrial Disputes Act would not be an industrial dispute which could be referred for adjudication under section 10 of the Act and that in such a case the proper remedy would be for the concerned workmen to apply under section 33C (2) of the Act for computation of the benefit which they would be entitled to under section 25FFF of the Industrial Disputes Act. Secondly, a Division Bench decision of the Calcutta High Court, reported in 1965 (II) LLJ 230, (Ram Hari De v Official Liquidator, High Court, Calcutta), has been cited. In this case where certain employees discharged as a result of the winding-up of the bank filed claims before the Official Liquidator claiming retrenchment compensation notice pay etc. by virtue of a previous agreement with the bank, and the Official Liquidator rejected all the claims of the employees except the claim for the annual allowance for the year 1962, it was held that the 'retrenchment' as defined in the Act must be the termination of services of workmen by the employer and it was not applied to the case of bona fide closure of the business as a result of a winding-up and the order of termination of services following therefrom does not attract retrenchment compensation and the concerned employees in such a case are only entitled to the benefit under section 25FFF of the Act. Lastly, a decision of the Supreme Court reported in 1969 (II) LLJ 685 [Workmen of Brahmputra Tea Estate and Brahmputra Tea Estate (by incoming management) and others] has been cited In this case where services of 15 employees in one of the Tea Estates were terminated by a Receiver appointed in a mortgage suit against the Tea Gardens and where as a result of winding-up proceedings filed for non compliance with certain statutory requirements, an Official Liquidator was appointed to be in-charge of the assets of the Tea Company and a Receiver was appointed for possessing and managing the three Tea Gardens and where the discharged employees raised a dispute for reinstatement and also where the Official Liquidator sold away the equity of redemption in the three Tea Gardens to respondent No. 1, it was held that the respondent No. 1 was not a transferee coming within the purview of the proviso to section 25FF and as such he is not liable to answer the claim of the 15 workmen and the Official Liquidator and the Receiver were the proper parties for the purpose.

On behalf of the Union the following decisions have been cited :

In the case of B N. Elias & Co (P) Ltd. v. Fifth Industrial Tribunal and others, reported in 1965 (II) LLJ 324, Justice Shri D. Basu, Calcutta High Court, as he was then, has held that where certain workmen were retrenched without payment of compensation under section 25F of the Industrial Disputes Act and where it was paid after one month after the retrenchment and the workmen received the same in final settlement, the Industrial Tribunal found rightly that the retrenchment was justified.

In the case of Ambalal Shivlal v. Vin (D. M) and others, reported in 1964 (II) LLJ 217, the Division Bench of the Gujarat High Court has held that section 25F of the Industrial Disputes Act only creates a bar to retrenchment without payment of the notice pay and the retrenchment compensation and without service of the prescribed notice to the appropriate Government and it does not create a right to receive compensation. Hence the workmen retrenched without complying with the provisions of this section could not claim retrenchment compensation directly under section 25F. It is also held that for non-compliance with these legal provisions, the retrenchment order becomes null and void and that till compensation amount is paid by the employer, the relationship of master and servant between the employer and the employee continues and the only legal right which the employee has is to receive his wages on the basis that he continues to be in service.

In the case of State of Bombay and others v. Hospital Mazdoor Sabha and others, reported in 1960 (I) LLJ 251, the Supreme Court has held that section 25F prescribes certain preconditions for retrenchment, and non-compliance of these conditions would render the retrenchment invalid and inoperative.

It may be pointed out that on behalf of the employer Firm no oral evidence has been adduced. It appears from the certified copy of the Order No 15, dated 8th February 1972, passed in Title Suit No. 585 of 1971 of the City Civil Court, Calcutta, which was filed in this Tribunal by the Company on 17th August 1975 that the suit was dismissed on compromise in terms of the joint petition and the Receiver was discharged. It is clear from the order that the Receiver was discharged after five months from his appointment. There is nothing to show that with the appointment of the Receiver by the Court, the services of the workmen concerned stood automatically discharged by operation of law or by the effect of the Court's order. On the side of the workmen five witnesses have been examined of whom P.W.s 1 to 3 are the three workmen concerned. P.W. 1 Shri Santosh Kumar Paul says that he worked as a motor driver under the employer firm since August 1949 on a monthly salary of Rs 130, that Shri Arun Ghosh also worked there on a monthly salary of Rs 130 and Shri Tulsi Kahar worked there on a monthly salary of Rs 89, that the Company retrenched all of them with effect from 10th September 1971, that the Company did not pay his salary since December 1970, that the Company did not pay him retrenchment compensation, notice pay and gratuity, and that he prays that the arrear salary, retrenchment compensation, notice pay and gratuity be paid to him. In cross-examination he says that the Receiver took over the management of the Company and retrenched all the employees, and that after discharge of the Receiver the management has taken over the charge of the Company. P.W. 2 Shri Arun Kumar Ghosh says that probably he worked under the Firm since June 1955, that his service was terminated and he got the letter of termination in November 1971, that at that time his salary from January 1971 to October 1971 was due, that he was not paid retrenchment compensation, notice pay, gratuity and bonus for the year 1970-71 and that he claims all these. In his cross-examination he admits that he got the appointment letter from the Firm in 1962 and the Receiver took over the charge of the Company and terminated his service. P.W. 3 Shri Tulshi Kahar says that the Company terminated his service without payment of retrenchment compensation, notice pay and gratuity and at that time his salary from February 1971 to October 1971 was due, that one month's pay was also due from the Company by way of bonus and that he prays for such dues. In his cross-examination he admits that his service was terminated by Ext. 7 and that he demanded his dues by Ext. 2. P.W. 4 Shri Narayan Misra, the General Secretary of the Union, says that Ext 14 was written to the Firm by the Union on behalf of the workmen, that he personally gave the original to the Manager of the Company who did not grant any receipt, that the management not having acceded to the request, the dispute was referred to the conciliation officer and that the Company never represented before the Labour Officer that no dispute was raised by the workmen regarding the termination of their services. In his cross-examination he admits that though Ext. 15 mentions a dispute relating to termination of service of Shri D. D. Sharma and others, it relates to the instant dispute. P.W 5 Shri Tapan Kr. Ganguly is an Assistant of the Labour Commissioner's office who has produced the relevant conciliation file which is Ext. 16.

Now considering the above legal position together with the facts of the present case, I find that the employer Firm has failed to prove that by operation of law the services of the employees of the Firm stood automatically terminated. The evidence adduced by the Union, on the other hand, shows that the management of the Firm now rests with the partnership concern itself. The decisions referred to on behalf of the Company as discussed above are not attracted to the facts of the instant case. I am, therefore, inclined to hold that even if it is not a case of retrenchment, it is a case of "deemed retrenchment" within the meaning of section 25FF and the workmen concerned were entitled to the notice and compensation in accordance with the provisions of section 25F. It is absolutely clear from the materials on record that in the instant case the Receiver did not observe the preconditions for retrenchment as laid down in section 25F which he was required to do under the provisions of section 25FF. In view of the Supreme Court decision and also the decision of the Division Bench of the Calcutta High Court as discussed above, I cannot but hold that the termination of services of these three workmen were bad in law as no retrenchment compensation was paid to them and no notice as required under the law was given to them and that whatever had been done by the Receiver was done for and on behalf of the employer Firm. Accordingly, these three workmen must be deemed to have continued in service and they are therefore entitled to an order of reinstatement with full back wages. It may be noted here that though in the written statement filed on behalf of the workmen specific prayers for reinstatement and back wages have been made, the workmen themselves while deposing before this Tribunal have not expressly made such prayer. Be that as it may, in view of the legal position of the termination being null and void in the eye of law, they must be deemed to be continuing as employees under the Firm concerned and accordingly they are entitled to full back wages instead of retrenchment compensation, notice pay, etc., claimed by them while deposing before this Tribunal. It is therefore directed that Shri Santosh Kumar Paul, Shri Arun Kumar Ghosh and Shri Tulshi Kahar be reinstated and full back wages be paid to them.

As regards Dibakar Dev Sarkar and Satish Chandra Halder the reference is not maintainable, their claims having been settled beforehand.

Regarding Budhiram Kahar the dispute no longer subsists having been compromised.

This is my award.

ANNEXURE

In the matter of complaint under section 33A of the Industrial Disputes Act, 1947, filed by Shri G. B. Subramaniam, 106/B Raja Basanta Roy Raod, (2nd floor), Calcutta-29, an employee of Messrs. Ashwini Kumar & Co., 4 India Exchange Place, Calcutta-1, against the aforesaid Company in connection with G. O No. 6724-I R./IR/11L-861/70, dated 31st December 1971. (Case No. 57/74, under section 33A.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri T. B. GANGULY, Judge,
Fourth Industrial Tribunal.

For the Company: Shri S. Sarkar, Advocate.

For the Workman: Shri S. Majumdar, Advocate.

The petitioner's case briefly is that during the pendency of an industrial dispute referred to this Tribunal by the Government of West Bengal, Labour Department, order No. 6724-IR, dated 31st December 1971, the Opposite Party terminated his service illegally by a letter, dated 13th December 1974, without obtaining the permission or approval of this Tribunal, that the termination amounts to dismissal by way of punishment on the ground of petitioner's active connection with the Kanoria Concerns Karmachari Union, and that though the petitioner obtained leave from Shri A. R. Kanoria, the Partner of the Company, on an application, dated 17th/18th November 1974, on 18th November 1974 for the period of three weeks on account of accidental injury in his left shoulder and arm, the Opposite Party on the false pretext that petitioner remained absent without leave or initimation terminated his service. The petitioner therefore prays for declaring that the termination of service is unjustified and in contravention of section 33 of the Industrial Disputes Act and also for reinstatement with full back wages and bonus.

The Opposite Party-Company in its reply states that this Tribunal has no jurisdiction to entertain and adjudicate upon this petition of complaint under section 33A of the Act because the employer in the instant case did not terminate the petitioner's service by way of punishment with the meaning of section 33 of the Act, that the petitioner having been absent without leave or intimation for a period of about 28 days in spite of two letters written to him by the Company has automatically forfeited lien on his service as such there was automatic termination of his service that accordingly there having been no contravention of section 33 of the Act a petition under section 33 of the Act does not lie and that the petitioner's case of taking leave from Shri Kanoria on 18th November 1974 is not true. The Company therefore prays that the petition of complaint be rejected with cost.

The points arising for determination are—

1. Has the service of the petitioner been terminated in contravention of the provisions of section 33? If so, does the petitioner's complaint under section 33A he ?
2. Is termination of the service of the petitioner justified ?
3. What relief, if any, is the petitioner entitled to ?

Point Nos. 1 and 2

The petitioner on the one hand alleges that he saw the Partner, Shri A. R. Kanoria, on 18th November 1974 when his application delivered to the Despatch Clerk, Shri A. K. Kutti, was put up before Shri Kanoria, and the latter passed an order on the same granting him leave for three weeks as prayed for by him on the ground of his accidental injury. On the other hand, the Company denies the same and asserts that the petitioner neither took leave nor replied to the two letters written by it to him, Exts. A and A/1, and accordingly the Company had no other alternative but to terminate his service by the letter of dismissal, Ext. C. It is contended on behalf of the Company that though mention of the two earlier letters, Exts. A and A/1, were made in the letter of dismissal, Ext. C, it is significant that Shri Subramanian in his letter, dated 17th December 1974 did not mention anything about Exts. A and A/1. On behalf of Shri Subramanian it is submitted that there is no proof that the two letters, Exts. A and A/1, reached him and that in Ext. D, Shri Subramanian's reply, dated 17th December, 1974, he categorically mentioned the facts of his having obtained leave from Shri Kanoria on 18th November 1974 and also of the prayer for extension of leave for two weeks more by his application, dated 9th December 1974, and the Company not having examined Shri Kanoria to deny this fact, on adverse presumption against the Company should be drawn.

There is no dispute regarding the fact that the Company terminated the services of the petitioner during the pendency of a reference before this Tribunal. It is also the admitted position that the Company in the instant case is a Commercial Establishment governed by the provisions of the West Bengal Shops and Establishment Act. It is also clear that there is no Standing Orders in the instant case to govern the relationship between the employer and the employee, and the provisions of the West Bengal Shops and Establishments Act and the Rules made thereunder are relevant for the purpose. Though the fact that the leave application, dated 17/18th November 1974 was delivered to the Despatch Clerk, Shri A. K. Kutti, who gave a receipt on a separate piece of paper with the rubber stamp of the Company is not mentioned in the written complaint or in Ext. D, nevertheless Ext. 1 leaves no doubt in mind that Shri Subramanian so delivered the said letter whose receipt was acknowledged by Shri Kutti, the admitted Despatch Clerk. On a comparison of the initial of Shri Kutti on Ext. 1 with his initials in Ext. F, the Attendance Register for November 1974, it appears to me that the signatures of Shri Kutti are identical on both the set of papers. Another fact should be noted that though Ext. 3, the reply of Shri Subramanian, dated 17th December 1974, bears the words "Registered with A/D" at the right hand top corner and though its counterpart, Ext. D, has been produced by the Company, the Company has failed to produce the registered cover or any other document to prove that this Ext. D was received by it per registered post. In view of the receipt at the bottom of Ext. 3 given by Shri Kutti on 17th November 1974 and in the absence of the registered envelope, I am unable to accept the statement of Shri P. R. Choraria, O.P.W. 1, to the effect that Ext. 1 and Ext 3 did not bear the signature of Shri Kutti and that he himself received Ext. D and that the endorsement at the top would show that. Shri Choraria admits that Shri Kutti is the Typist-Clerk of his office and also acts as Despatch Clerk, and that Ext. 1 and Ext. 3 bear the seal in the name of the Company. It may be mentioned here that Rule 20 of the West Bengal Shops and Establishments Rules, 1964, deals with unauthorised absence. The Company relies on Rule 20(2)(iii) which provides that if a person employed does not submit any explanation to the employer within the time limit given in the notice referred to in sub-rule (1), the latter may terminate the lien of the person employed on his appointment forthwith. Sub-rule 1 of the said Rule enjoins issue of a notice requiring the employee remaining on unauthorised leave to explain in writing the reasons of his absence within 15 days from the date of issue of notice and sub-rule (3) lays down that the notice referred to in sub-rule (1) shall be served by registered post to the address given under rule 17, or in its absence, to the address last given by the person employed to the employer. In the instant case it appears that no notice was served per registered post on Shri Subramanian before terminating his service by the dismissal letter, dated 13th December 1974. The clear conclusion therefore is that the Company did not act legally in the instant case. Considering the above facts, circumstances and the evidence on record and specially having regard to the fact that Shri Subramanian by production of Ext. 1 and Ext. 3 having successfully discharged his onus regarding submission of leave application and the Company having failed to prove otherwise by examining Shri Kanoria, I hold that the Company's case of automatic termination of the petitioner's service for unauthorised leave cannot be accepted and the necessary conclusion is that the termination was not justified and was in contravention of the provision of section 33 of the Act giving rise to Tribunal's jurisdiction for entertaining and adjudicating upon the instant application under section 33A of the Act.

On behalf of the Company the decision of the Hon'ble Supreme Court in a case between Messrs. National Engineering Industries Ltd. and Hanuman reported in Supreme Court Labour Judgements, Vol. 2, page 1037, is relied on. In this case the Standing Orders provided that a workman would lose his lien on his appointment if he did not join his duties within certain after his leave expired and it could only mean that his service stood automatically terminated when the contingency happened. In this context the Hon'ble Supreme Court held that an application under section 33A was not maintainable as it was a case of automatic termination of service in which case section 33 did not apply. Having regard to the facts found above, this decision does not stand in the way of the conclusion reached above. Another Supreme Court decision relied on by the Company is in the case of Air India Corporation, Bombay, versus V. A. Rebellow and another reported in Supreme Court Labour Judgements. Vol. 9, page 286. It lays down that bonafide loss of confidence of the employer in the employee is immune from challenge by the employee under section 33A of the Act. This decision, in my opinion, does not apply to the facts of the instant case.

On behalf of the employee the Supreme Court decision in the case between the Management of Murugan Mills Ltd. and Industrial Tribunal, Madras, and another reported in 1965 FLR, Vol. 10, page 162, is referred to. In this case it has been held that where termination was a colourable exercise of power or was a result of victimisation or unfair labour practice. the Tribunal could go behind the order and find the reasons for termination.

Another Kerala High Court decision relied on is in the case between Messrs. Dalmia International

Ltd, Kerala and Thomas and another reported in 1975 II, LLJ 526. In this case it is held that the jurisdiction of the Industrial Tribunal under section 33A is the same as in the case of a reference under section 10 of the Act, and the complaint under section 33 will be 'deemed' industrial dispute by fiction of this provision. The fiction should be given effect to and section 11A would be a applicable then.

Point No. 3: from what has been found above, it follows that the petitioner is entitled to the declaration that his termination of service in contravention of the provisions of section 33 of the Act was not justified, and that he is entitled to reinstatement with back wages for the entire period.

This is my award.

By order of the Board,

Managing Director

Twenty-second Annual Report of the Board of Directors of the West Bengal Financial Corporation.

For the year ended the 31st March 1976

To the Members

The Directors present their Twenty-second Annual Report along with the audited Statement of Accounts for the year ended the 31st March 1976

During the year under review the inflationary trends seen in the past few years were brought under control. This remarkable achievement has been largely due to the fiscal, monetary and other corrective and remedial measures taken by the Government. The firmness and determination with which these and other corrective measures have been introduced have generated a new sense of discipline and confidence in the economy. While certain areas of industrial activity, notably engineering, textile and paper experienced a lack of demand during the year, it is expected that the package of incentives contained in the current year's budget will stimulate all round growth in the economy without endangering stability

Against this background of stability and revived confidence, we are happy to report that the preformance of the Corporation has shown a marked improvement over the previous year.

General information about the Corporation

The Corporation earned a profit of Rs. 26·42 lakhs subject to provision for taxation as against Rs. 23·80 lakhs last year. The net profit after provision for taxation amounts to Rs. 18·00 lakhs as compared with Rs. 14·40 lakhs in the previous year and this is available for appropriation during the year. Sanctions and disbursements of the Corporation reached further heights this year registering an increase of about 98 p r cent. and 54 per cent. respectively over the previous year. The number of proposals in the pipeline at the end of the year has also increased substantially reflecting a sustained growth particularly in the small scale sector.

To cope with the increase in the volume of work, the Corporation has appointed a number of additional professional hands in the financial, technical and legal sections. A position has now come when the Corporation has to look for additional accommodation to make room for further expansion. Steps are being taken in this regard.

A noteworthy feature of our operations during the year has been a further shift in emphasis in favour of the small scale industry. While units in this sector have for the past few years accounted for the bulk of sanction in terms of number, this year their share in terms of volume also increased remarkably.

Another encouraging feature of our operations this year has been the emergence of a number of new agrobased units in the backward areas of the State. It may be recalled that the Corporation had financed the establishment of a number of roller flour mills in districts which have recently emerged as wheat producing areas in the State. These projects are nearing completion and will commence production shortly. During the year under review, the Corporation has broken new ground by sanctioning a few modern Khandsari Units or mini sugar mills. Five such units have been sanctioned loans in Krishnagar, Murshidabad, West Dinajpur and Malda. Other agro-based units include board mills based on rice straw and solvent oil extraction units based on rice bran. Loans have also been sanctioned for the creation of additional capacity for the benefit of the potato growers.

The Corporation was able to extend its activities in the backward areas of the State to a considerable extent. Frequent visits by our Officers to various districts and participation in the intensive campaign for the development of small scale industry held at Siliguri in November 1975, has increased significantly the volume of our assistance to North Bengal districts. The Corporation intends to play an active part in such campaigns during the current year.

The Corporation has been following a policy of extending assistance to technically qualified entrepreneurs on liberal terms. During the year under review, a special scheme called "Technician Entrepreneurs Scheme" has been finalised. Under this scheme the Corporation will extend assistance up to 90 per cent. of the cost of block assets, the remaining 10 per cent being provided by the Government of West Bengal under the Additional Employment Programme. The maximum limit of loan under the scheme is Rs. 2·5 lakhs. During the year 6 cases involving loans of Rs. 5·86 lakhs were sanctioned under this scheme.

Loans amounting to Rs. 71·02 Lakhs in 16 cases were sanctioned during 1975-76 under the Line of Credit provided by the International Development Association (IDA) as against Rs. 64·28 lakhs in 12 cases in 1974-75. The foreign exchange component of these loans is Rs. 51·79 lakhs as against Rs. 36·48 lakhs in the previous year. Proposals worth Rs. 74·53 lakhs are in the pipeline.

In our last report we had mentioned the receipt of Rs. 10 lakhs each from the State Government and the Reserve Bank of India as subscription towards special class share capital for strengthening the equity base of companies promoted by small entrepreneurs. Shares have been issued against this amount during the current year. The utilisation of this capital has got off to a modest start this year with the sanction of Rs. 1·51 lakhs to 3 companies during the year under review.

In our previous report we had mentioned the introduction of a rebate provision in our interest structure. This appears to have overcome, at least to some extent, the disincentive for the repayment of our loans created by the high cost of bank borrowing.

The Corporation has quite a few loanee concerns whose operations were seriously affected in the past and are now undergoing reconstruction. After a careful examination of the problems of such units, rescheduling of loan repayment provided in deserving cases has been allowed. Partly as a result of this and partly because of improved recoveries, the overdues have come down from Rs. 197·04 lakhs on 31st March, 1975 to Rs. 160·80 lakhs on 31st March 1976.

Position of applications, financial Assistance sanctioned and disbursed

The position regarding applications, financial assistance sanctioned and disbursements made during 1975-76 is given in the Table below:

(Rupees in lakhs)

	1975-76		1974-75	
Receipt of applications—	No.	Amount	No.	Amount.
(a) Small-scale	247	761·99	86	159 71
(b) Others	20	380·70	34	477·24
(c) Transport	2	2·06	1	0·96
	269	1144·75	121	637·91

(b) Others	19	269·78	22	318·41
(c) Transport	2	2·06	..	..
	234	853·20	91	430·45

(b) Others	..	..	166·18	83·30
(c) Transport	..	..	..	..
			267·86	173·74

The Corporation had a carry over of 35 applications for Rs. 225·00 lakhs from the previous year. Applications for Rs. 181·35 lakhs were withdrawn by the parties concerned and those for Rs. 55·42 lakhs did not meet the Corporation's minimum requirements. At the end of the year 42 applications for financial assistance for an aggregate amount of Rs. 279·78 lakhs were being processed. Table 'A' attached indicates the position in further detail. The figures show a significant improvement in the Corporation's operations. The Corporation received 269 applications of the aggregate value of Rs. 1144·75 lakhs in 1975-76 as against 121 applications in the previous year for the aggregate value of Rs. 637·91 lakhs. It sanctioned 234 applications for the total amount of Rs. 853·20 lakhs as against 91 applications of the total amount of Rs. 430·45 lakhs in the previous year. Disbursements totalled Rs. 267·86 lakhs as against Rs. 173·74 lakhs in the previous year. When compared with the receipt of applications and sanctions made last year, as indicated above it may be said that the flow of applications has been encouraging during the year under review and a satisfactory improvement in number of sanctions with increased amount of total disbursement is discernible during the period under review.

The gap between sanction and disbursement is big and is a disquieting feature. Some of the factors reponsible are (i) delay in finalisation of land deal, (ii) delay in getting power connection, (iii) overrun in the project cost, (iv) inability of the promoters to bring their committed contributions. So far as the Corporation is concerned, to over come the slower pace of utilisation, it has already taken and is taking steps for speeding up legal documentation. The Corporation is also looking to the problems of individual cases so as to help get them over their difficulties

Out of the aggregate amount of Rs. 267·86 lakhs disbursed to small and medium industries during the year, the share of the 72 new projects totalled Rs. 180·68 lakhs (58 small scale and 14 medium sized) and that of 38 existing units Rs. 87·18 lakhs (28 small-scale and 10 medium-sized) for expansion/modernisation purposes. Table 'B' shows a cumulative net financial assistance sanctioned, disbursed and outstanding as at the 31st March, 1976.

Industry-wise Analysis of Financial Assistance sanctioned

An Industry-wise Analysis of financial assistance sanctioned, is shown in Table 'C' indicating the major group of industries assisted. The investments of the Corporation in industrial units in Engineering, Textile, Chemical and Pharmaceutical, Cold Storage, Paper, Flour Mill and Rice Mill and Hotel Industries account for 56·85 per cent. in number and 66·34 per cent. in amount sanctioned. For the first time a loan was sanctioned at Digha in Midnapore District for fishing with motorised boats.

District-wise Analysis of Financial Assistance

Table 'D' shows the Corporation's coverage in the districts. Shares of Calcutta, 24-Parganas, Howrah are no doubt very large, but gradually other districts which have been identified as backward districts are claiming more shares as hithertofore. This goes to remove the regional imbalances and offer much needed employment opportunity. Visits to the districts have been undertaken by the Corporation's Officers with a view to explore the possibilities of offering financial assistance to industries and locating prospective entrepreneurs

Purpose-wise Analysis of Financial Assistance

The purpose-wise analysis of financial assistance for the year 1975-76 has been given in Table 'E'. The Corporation sanctioned Rs. 819·73 lakhs for the acquisition of fixed assets by its clients during the period under review excluding sanctions to transport operators and Rs. 0·45 lakhs by way of working capital

Underwriting operations and Direct Subscriptions to Capital

The position has not changed since the last report. The details of investment position by way of underwriting operations done prior to 1970 is noted below :

(Rupees in lakhs)

	Amount under-written	No. of units	Amount devolved on the Corporation
Equity shares	29·50	10	28·44
Preference shares	30·00	8	29·72

*4 units being common for both types of shares.

The activities of the units whose shares have been underwritten are as follows :

		Amount involved in underwriting Rs.
No. of units in process of construction ..	..	..
No. of units in process of working	13	45·68 lakhs
No. of units closed at present	1	4·59 lakhs
No. of units which have made profits ..	6	22·39 lakhs
No. of units which have declared dividend ..	3	9·42 lakhs

The Corporation received Rs. 2·23 lakhs as dividend on 3 accounts in 1975-76 as against Rs. 0·48 lakh on 2 accounts in 1974-75. The present investment by way of underwriting stands at Rs. 50·27 lakhs distributed over 14 companies.

Assistance by way of share participation from the Special Class Share Capital all in the form of preference shares has been granted by the Corporation to 3 units during the year under review to the extent of Rs. 1·51 lakhs and disbursement made amounted to Rs. 25,000.

Deferred Payment Guarantee

The Corporation carries in its books two commitments. The outstanding commitments in the deferred payment guarantee have now gone down to Rs. 15·04 lakhs from Rs. 15·32 lakhs reported last year

Assistance to Small-scale Industries

The Corporation continues to assist the small-scale industries in a big way. Table below shows the picture of Corporation's assistance to small-scale industries during the last 5 years. During 1975-76 the Corporation has sanctioned 234 cases out of which 213 cases representing 91·03 per cent. fell within small-scale sector. Out of the total approval of Rs. 853·20 lakhs, this sector claimed Rs. 581·36 lakhs or 68·14 per cent. Compared to 1974 75. approvals in favour of small-scale units in 1975-76 registered an increase of 210 per cent. in number and 418 per cent in amount which is significant.

Bond 1985 for Rs. 100 lakhs in two phases—July, 1975 and January, 1976 which was oversubscribed and it retained 10 per cent. excess subscription as allowed. The proceeds were utilised towards repayment of borrowing from R.B.I. AWARD

By the Government of West Bengal, Labour Department, order No. 3289-I.R./IR/11L-682/73, dated the 2nd April 1974, an industrial dispute existing between Messrs. Blackie and Sons (I) Ltd., 285J Bepin Behari Ganguly Street, Calcutta-12, and their workman Shri Gokul Jana, c/o. Shri Sridam Chandra Bera, P.O. and Vill. Baishnab Chak via Kolaghat, district Midnapore, was referred to this Court under section 10 read with section 2A of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication in respect of the following issue·

Issue

Whether termination of service of Shri Gokul Jana is justified? What relief, if any, is he entitled to?

Pursuant to service of notices, both parties appeared and filed their respective written statements and thereafter during the pendency of this case the sole workman Shri Gokul Jana in respect of whom the present reference was made died which fact has been intimated in writing by the Company to this Court. The Company has also filed a registered letter addressed to Gokul Jana which was returned back to the Company with the postal endorsement "death" and thereafter the Company filed a verified petition on 16th June 1976 in this Court stating that the workman Gokul Jana is dead and so the present case has abated. It appears that the copies of this petition was served on the learned Advocate of Gokul Jana (since deceased) on 3rd April 1976, but today the said learned advocate is also not present in Court. As because the sole workman Shri Gokul Jana is dead, so I hold that the present case has abated and as such it is not maintainable in law as the industrial dispute which has been referred to this Court for adjudication is no longer in existence.

This is my award. This disposes of the order of reference.

LABOUR DEPARTMENT

ORDER

No. 2259-I.R./IR/10L-148/76.—15th May 1976.—Whereas under the Government of West Bengal, Labour Department, order No. 4077-I.R./IR/10L-101/70, dated the 12th May 1970, the industrial dispute between Messrs Pioneer Tubewell Industries (P) Ltd., 82 Topsia Road South, Calcutta-46, and their workmen represented by Paschim Bengal Mazdoor Congress, 7B Rani Rashmoni Road, Calcutta-13, regarding the issue mentioned in the said order being a matter specified in the Second Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the First Industrial Tribunal;

And whereas the said First Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

ANNEXURE

In the matter of an industrial dispute between Messrs Pioneer Tubewell Industries (P) Ltd., and their workmen named in the issue below represented by Paschim Bengal Mazdoor Congress. (Case No. VIII-214/70).

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

Shri S. AHMED, M.A., LL.B., Judge, First Industrial Tribunal

APPEARANCES:

For the Company :

For the Union :

AWARD

This industrial dispute between Messrs Pioneer Tubewell Industries (P) Ltd., 82 Topsia Road South, Calcutta-46, and their workmen named in the issue below represented by Paschim Bengal Mazdoor Congress, 7B Rani Rashmoni Road, Calcutta-13, has been referred to this Tribunal for adjudication under section 10 read with section 2A of the Industrial Disputes Act, 1947 by the Government of West Bengal in the Labour Department order No. 4077-IR, dated 12th May 1970, on the following issue:

Issue

> Whether dismissal of Sarbashri Durga Prosad, Banawarilal, Paramesar Rai, Bindeswari Rai (No. 1) and Baran Deo Singh is justified? To what relief, if any, are they individually entitled?

On receipt of the reference, usual notices were sent to the parties. They appeared and filed their respective written statements. The Union in its written statement stated that in the year 1964 the workmen of the Company joined the present Union and had placed its charter of demands as far back as 8th January 1964. The mangement became displeased with the organisers of the Union. Over an incident, dated 4th March 1964, the concerned workmen were charge-sheeted. Over the same incident a criminal case was filed against the workmen. The criminal case ended in acquittal of the workmen by Court's order, dated 31st August 1967. These workmen were also suspended by the management and the management declared a lockout from 7th March 1964. The lockout continued over a month and ultimately it was lifted after a settlement in course of conciliation on 10th April 1964. Among the terms of settlement was that suspension imposed upon the charge-sheeted workers will be withdrawn. Thereafter the Company held an enquiry over the charge-sheets issued against the concerned workmen. The Union contends that the enquiry was a sham one and it was wholly vitiated and norm of principles of natural justice was not followed. The enquiry officer found the charges framed against the concerned workmen to be true, and they were dismissed from service. As an industrial dispute was pending before the Seventh Industrial Tribunal in which both the Union and the Company was a party, the Company filed a petition under section 33(2)(b) of the Industrial Disputes Act for approval of the action taken by it against the concerned workmen. This application under section 33(2)(b) of the Industrial Disputes Act were not struck off by the Second Labour Court. Thereafter the workmen raised the dispute with the Labour Directorate and the present reference has been made. The Union prays for reinstatement of the workmen with full back wages.

The Company in its written statement pleaded that this Tribunal has no jurisdiction as no industrial dispute was raised either by the workmen or their Union with the management. It also took the plea that the Union does not represent a substantial section of the workers of the Company. On the merits of the issue involved the Company's case is that the Third Omnibus Engineering Reference was pending in the Seventh Industrial Tribunal in 1964. The present Union was added as a party to the said reference claiming to represent a section of the workers of the Company. During the pendency of the said reference eight of the workmen committed riot inside the factory premises while on duty. For this the management issued the charge-sheets against the offenders and suspended them pending enquiry. The assaulted workmen also filed a criminal case. In the absence of the complainant the accused persons were discharged. The Company held due enquiry in respect of the charge-sheets issued. The workmen were given due opportunity to defend themselves. The enquiry was fair and proper. The enquiry officer found the concerned workmen guilty of the charges framed against them and they were dismissed from service with effect from 22nd August 1964. The Company filed an application under section 33(2)(b) of the Industrial Disputes Act in the Seventh Industrial Tribunal. These cases were ultimately disposed of by the Second Labour Court. Thereafter a dispute was raised by the Union before the Labour Commissioner and the present reference has been made. The Company prays for an award that the workmen concerned are not entitled to any relief.

By a petition, dated 18th August 1972, the Company prayed for hearing of preliminary points. The preliminary objections were heard by my predecessor-in-office and were disposed of by him by his order No. 56, dated 6th June 1974. Thereafter the case was fixed for hearing on merits. The Company examined two witnesses. On 27th May 1975 the Company was found absent. The Union appeared. The matter was fixed for hearing ex parte on 7th July 1975. On the same date the Company appeared in the late hours and filed a petition for adjournment. On 1st August 1975 the Company filed a petition, but no one was present on behalf of the Company to move the same. It was rejected. As the case was fixed for ex parte hearing on that date and the Company took no steps for setting aside the order of ex parte hearing, parties were asked to be ready at once. The Company was found absent and the matter was heard ex parte. On 22nd August 1975 the Company filed another petition. It was placed for hearing on 16th September 1975. The Company prayed that it may be given an opportunity to submit its argument, which was allowed. Arguments were heard.

The Union examined its witnesses ex parte. They were not cross-examined. The Union examined Shri Kshitish Chandra Sinha, its Joint Secretary. According to him the concerned workmen never received the letter terminating their services. They first came to know it from the notice of the proceeding under section 33(2)(b) of the Industrial Disputes Act He has prayed for reinstatement of the workmen with full back wages. The concerned workmen Durga Prosad, Banawarilal, Paramesar Rai, Bindeswari Rai (No. 1) and Shri Baran Deo Singh were examined as witnesses for the Union. All of them stated that the charges brought against them were baseless. They also prayed for reinstatement with full back wages. As against this the Company's witnesses on record are O.P.W. 1 Shri Shanti Ranjan Ganguly and O.P.W.2 Shri Sushil Kumar Paul Both of them are employees of the Postal Department and were examined to prove the issue date of some stamps used on an exhibit proved earlier while the preliminary point was heard. The Company has neither filed any paper in support of its case. No evidence relating to the charges or the enquiry has been adduced by the Company. There is nothing to show that the action taken by the Company against the concerned workmen has any justification. As a result, the concerned employees are entitled to relief.

The learned Advocate for the Company urged before me that the objection of the Company that the Union has no locus . standi has to be decided. I have already observed that the preliminary objections were heard by the predecessor-in-office. It does not appear from the petition of the Company or from the order of my learned predecessor that this preliminary objection was pressed by the Company. The Company cannot be given opportunity to raise issue which they could have raised in the earlier occasion. As the preliminary objection has been decided by my predecessor-in-office I am not inclined to deal with any other preliminary objection.

As a result of my observation as above, I find that the termination of services of these concerned workmen, namely, Durga Prosad, Banawarilal, Paramesar Rai, Bindeswari Rai (No. 1) and Baran Deo Singh has no justification. They are entitled to immediate reinstatement and full back wages.

This is my award.

AWARD

The Government of West Bengal, Labour Department, by its order No. 2095-I.R./IR/11L-54/75, dated 30th May 1975, referred an industrial dispute between Messrs. Shree Ganga Cold Storage Co. Ltd., and their workman Shri A. K. Mukherjee represented by Commercial Establishment Staff Union, 19/2A Pitambar Ghatak Lane, Calcutta-27, to this Court under section 10 read with section 2A of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication on the following issue, namely,—

Issue

Whether the dismissal of Shri A. K. Mukherjee with effect from 1st November 1972 is justified? To what relief, if any, is he entitled?

Pursuant to the notices served on the parties the Company filed written statement on 25th November 1975. In Paras 1 to 3 of its written statement the Company has taken certain preliminary objections. The contention of the Company is that Commercial Establishment Staff

Union of 19/2A Pitambar Ghatak Lane, Calcutta-27, has no locus standi to represent the case on behalf of the workman, A. K. Mukherjee. In the reference A K. Mukherjee and the Union, both being the party in the case, the reference is bad in law. The Company further contends that the job assigned to A. K Mukherjee was of administrative nature and he was not workman within the meaning of Industrial Disputes Act, 1947, and as such this Court has no jurisdiction to decide the case.

So on the preliminary points raised by the Company the following three issues emerge for my consideration:

(1) Has the Union any locus standi to represent the workman ?

(2) Is the reference legal and valid ?

(3) Did the workman perform the duties of administrative nature ?

DECISION

Issue No. 1

The workman was drawing a salary of Rs. 400 per month at the time his service was terminated by the Company. He was working in the Accounts Department as an Accountant. The contention of the Company is that the duties assigned to him were of administrative nature and therefore he did not come within the definition of the word 'workman'. According to the Company the workman, A K. Mukherjee, comes within the exception of section 2S(iii) of the Industrial Disputes Act and therefore this Court has no jurisdiction to adjudicate upon the dispute. The workman has deposed here as O.P.W. 1. He says that he acted as Accountant in the Accounts Department and his duty was to write cash book, ledger and make other entries. He had no power to dismiss any employee of the concern. He could not appoint anybody, draw a charge-sheet against an employee and take disciplinary action against them. He had no power to grant leave and censor any employee. He had no such general power to supervise the works of the staff. In the Company there was a Board of Directors, Secretary and Manager. According to A. K. Mukherjee, the duties performed by him were clerical in nature and he did not perform any administrative functions.

The Company has not produced any such appointment letter to show that the workman was assigned duties of administrative nature. No such evidence has been adduced before me by the Company to prove that he had officers subordinate to him whose works he was required to overlook, that he had to take decision and responsibility for ensuring that the matters entrusted to his charge are efficiently conducted. He was Accountant under the Company and the Company has produced some papers to show that he used to sign on behalf of the Company. Ext. 1 shows that he has appeared before the Income Tax Authorities and he used to sign on behalf of the Company but these papers do not prove that he was performing duties of administrative nature. In LL.J. Vol. II 1966 at page 194 it has been held that in order to take an employee out of the category of workman it is necessary to show that he is employed in fact and substance mainly in managerial or administrative capacity. The workman had no power to appoint or dismiss the employees. There is nothing to show that he ever granted any casual leave to any employee or some officers were placed under him and he was to supervise their functions. Signing on certain papers on behalf of the Company cannot by itself prove that the workman was performing duties of administrative nature. A clerk may be asked to sign on behalf of the Company and A. K. Mukherjee being Accountant of the Company it was expected of him to sign on certain papers on behalf of the Company. The learned Lawyer appearing for the Company has drawn my attention to Ext. 1 and he says that the workman signed for the employer on the Employees Provident Fund Scheme Form. In another letter Exts. 5 and 5(a) he has asked somebody to conform on a report called for by Mr. Mohta. By citing Ext. 5(a) the Company has tried to prove that A. K. Mukherjee was assigned duties of administrative nature and that is why he called an explanation from Mr. Dey. This is not correct. A. K. Mukherjee himself says that Mr. Dey was superior in rank to him and therefore there was no question of calling any explanation from him. He wanted to confirm a report from him as per direction of Mr Mohta. I think that he is correct on this point. All other papers produced before me by the Company simply show that the workman signed either as an employee or on behalf of the Company. These papers do not show that he ever performed any function of administrative nature. P.W. 2 says that Mr. Mukherjee used to sanction leave of the persons who were working in the office but the Company has not produced any single chit of paper to show that Mr Mukherjee ever sanctioned any leave to the employees. P.W. 3 also says that he used to work at the instruction of Mr. A K. Mukherjee who granted him leave. These two employees, i.e., P.Ws. 2 and 3 are still working in that Company and it is possible for them to depose on behalf of the Company to support the contention of the Company. As I have already said the Company has not produced any paper to show that Mr. Mukherjee ever granted leave to any employee. P.W. 1, J. K. Mohta himself admits that he has no paper to show that A. K Mukherjee was given authority by the Company to dismiss, appoint and grant leave to workmen. There was a Manager in the Company and above him J. K. Mohta was Secretary there. So A. K Mukherjee could not have been assigned duties of administrative nature in the Company when a Secretary and Manager were available there to discharge the functions of managerial and administrative nature. I, therefore, hold that A. K. Mukherjee was a workman within the definition of Industrial Disputes Act, 1947, and he performed duties of clerical nature. The issue is answered accordingly in favour of he workman.

Issue Nos. 1 and 2

I have taken up two issues together for my consideration. In the Order of Reference the workman, A. K. Mukherjee, is represented by Commercial Establishment Staff Union, 19/2A Pitambar Ghatak Lane, Calcutta-27 The Company has taken objection that this Union has no locus standi to represent the workman. J K Mohta while deposing before me in this case as P.W. 1 says that there is no Union in his organisation. It has been conceded by the Union that it has no representative character and it has no locus standi to represent the workmen of the Company. It is not an Union of the workmen of that Company A K. Mukherjee says that he became member of the Union in 1973, after his dismissal The Union has not produced any such paper to show that he is a member of the Union though specific objection has been taken by the Company regarding the representative character of this Union. Therefore I hold that the Union has no locus standi to represent the workman.

It has been argued by the learned lawyer appearing for the workman that this is an individual dispute under section 2A and even though the Union has got no locus standi to represent the workman it can be treated as an individual dispute under section 2A of the Industrial Disputes Act, 1947 Now the question before me is, can I treat a dispute under section 2A of the Industrial Disputes Act, 1947, when the workman is represented by a Union ? Section 2A runs as follows ·

"Where any employer discharges, dismisses, retrenches or otherwise terminates the service of an individual workman, any dispute or differences between that workman and his employer connected with or arising out of such discharge, dismissal, retrenchment or termination shall be deemed to be an industrial dispute notwithstanding that no other workman nor any union of workmen is a party to the dispute".

So this reference can be treated as an individual dispute under section 2A of the Industrial Disputes Act, 1947, only if I find that "no other workman nor any union of the workmen is a party to the dispute". Here in the reference itself the Union, i.e., Commercial Establishment Staff Union, is a party to the dispute and therefore this dispute cannot be treated as an individual dispute under section 2A of the Industrial Disputes Act.

In a case reported in L.I.C. 1974, 420 it has been held that "Section 2A was enacted to provide for the cases of individual workmen who were not supported by other workmen or any other union Section 2A, thus, covers only such cases in which the dispute of an individual workman has not been sponsored or espoused by other workmen. Labour Commissioner has jurisdiction to treat such dispute as an individual dispute between the petitioner and respondent No. 1; It could only be treated as an industrial dispute between the petitioner and respondent No. 5 which sponsored it. On these premises the dispute, not being within the ambit of section 2A of the Act, could not be referred to the Labour Court for adjudication by the Labour Commissioner." In the same case it has further been observed that "Section 2A of the Act does not state whether espoused by other workmen or any union of the workmen or not and it was not enacted to provide for such cases in which reference could be made under the Act. To provide for such cases no amendment was required Section 2A was enacted to provide for the cases of the individual workmen who were not supported by other workmen or any other union. Section 2A thus covers only such cases in which the dispute of individual workman has not been sponsored or espoused by other workmen or any union of workmen. The Labour Commissioner, had, therefore, no jurisdiction to treat this industrial dispute as an individual dispute between the petitioner and respondent No. 1".

The reference itself shows that the workman is represented by Commercial Establishment Staff Union, 19/2A Pitambar Ghatak Lane, Calcutta-27. As I have already said this Union has no locus standi to represent the workman and as the Union is a party to the dispute it cannot be treated as individual dispute under section 2A of the Industrial Disputes Act In that view of the matter I hold that the reference made by the Government is not legal and valid.

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL

Shri S. AHMED, M.A., LL.B., Judge,

AWARD

This industrial dispute between Messrs. Alpine Dairy, Agarpara, Calcutta-58, and their workmen represented by Alpine Dairy Workers' Union, P. B. Ghat Road, Agarpara, Calcutta-58, has been referred to this Tribunal for adjudication under section 10 of the Industrial Disputes Act, by the Government of West Bengal in the Labour Department, order No. 6703-I.R., dated 7th September 1968, with the following issues :

Issues

(1) Bonus for the year 1964-65.

(2). Gratuity for Sarbashri Deosaran and Rajendra Tewari.

On receipt of the Order of Reference, notices were sent to the parties. They appeared and filed their written statements. The Union raised some preliminary objections which were ultimately disposed of by my predecessor by his order No. 77, dated the 23rd February 1973. Thereafter the date for filing calculation by the parties was fixed. On 20th May 1974, the Union filed a petition stating that they have moved the Hon'ble High Court against the order No. 77, dated the 23rd February 1973. But no order was received from the Hon'ble High Court. Ultimately the case was fixed for hearing on 10th October 1975. Neither party appeared on the date fixed. Another date was fixed, but both the parties chose to remain absent. Another date for hearing was fixed on 29th November 1975. Neither paraty appeared. Another chance was given fixing date of hearing on 26th December 1975. It was stipulated in the order, dated the 29th November 1975, that if the parties failed to appear the matter will be disposed of in their absence according to law. On 26th December 1975, neither party appeared. Order was reserved. On 28th January 1976, the Union filed a petition praying for allowing it to contest the case. The petition was fixed for hearing. The Company raised no objection. The petition was allowed. The 17th March 1976, was fixed for hearing. The Union took adjournment. Next date was fixed on 17th Appril 1976. On 17th April 1976, neither party appeared and no step was taken. However, a last chance was given fixing 10th May 1976 as the date of hearing. It was stipulated in the order that if the parties failed to take any step a "no-dispute" award will be passed. On 10th May 1976, neither party appeared and no step was taken. It appears on perusal of the order-sheets that the parties to the dispute have repeatedly failed to take proper steps on several dates fixed. It is a pretty old matter. In the circumstances, I presume that the parties to the dispute are not interested in it. Accordingly I pass this "no-dispute" award.

This is my award.

AWARD

The Government of West Bengal in the Labour Department by its order No 7343-I.R., dated 14th November 1973, referred under section 10 of the Industrial Disputes Act, an industrial dispute between Messrs. D. Macropolo & Co. Ltd., and their workmen represented by D Macropolo Workers' Union, on the following issue :

Issue

Whether Messrs. D. Macropolo & Co. Ltd., are the employer of Sarvashree D. S. Mukherjee, N. C. Das, P. K. Ghosal, A. K. Das, S M. Das, R. N. Guha, H. K. Adak and Samud Khan ? What relief, if any, are they entitled to for non-employment ?

After receipt of the Order of Reference on 23rd November 1973 usual notices were served on the parties. The parties thereafter appeared and filed their respective written statements. As the Company in its written statement raised certain preliminary objections in paragraph 13 of its written statement and wanted those objections to be heard first, the case was taken up for hearing on the preliminary objections.

As the preliminary objections the following objections were pressed before me by the learned Advocate of the Company :

(1) The reference is not maintainable on the grounds that (a) the workers mentioned in the Order of Reference were not employees of the Company and that (b) the reference was made by the Government before determining the relationship.

(2) Salesmen are not workmen.

(3) The dispute referred to was not raised before the Management.

With regard to the point raised that Government cannot make such a reference for determination of the question regarding the relationship between the parties as noted in the first part of the issue, it may be noted that in the case reported in 1964(1) LL.J. p. 429 at page 430, such an issue was decided by the Tribunal. I do not find any force in the contention raised by the Company because when the very relationship is disputed, that dispute can be determined by the Tribunal and not by the Government. So, this point cannot be upheld. The other contention of the learned Advocate for the Company with regard to the question of maintainability is that there was no industrial dispute between the parties because, he submitted, the workers mentioned in the Order of Reference were not employees of the Company. The learned Advocate for the Union while disputing the point raised by the Company cited before me certain decisions reported in 1964(2) LL.J. 633 at page 637, 1957 (1) LL.J. 477 at page 480 and 1955(1) LL.J. 688 at page 694. In all the cases certain findings were reached with regard to the question of relationship on the basis of certain facts which are not similar to the facts of the present case. In the facts and circumstances of this case it cannot, on the basis of the decisions of those reported cases, be concluded that the workers referred to in the Order of Reference were employees of the Company. One of the workers has been examined in this case as O.P.W. 1. He himself admits in his cross-examination that Messrs. Shibnath Singh who was the Distributor of the Company, had dismissed him and other workers, and that he lost his service when he was working under S. N. Singh, the Distributor of the Company. P.W. 1 deposing on behalf of the Company states that those workers were employees of Messrs. Shibnath Singh and not of the Company. It is undisputed that S. N. Singh was a Distributor of the Company and that all the workers excepting one who worked as a driver, were Salesmen. O.P.W. 1 states in his examination-in-chief that the Distributor of the Company used to pay money to the office of the Company for the goods, which thereafter were kept in the godown of the Distributor and were supplied to the Salesmen therefrom. While stating in his examination-in-chief that the Company used to pay their salary to the Distributors and that they used to get their salary from the Distributors, he states in his cross-examination that he used to draw his salary from the Distributor after signing an acknowledgment therefor and handing over that acknowledgment to the Distributor. In his cross-examination he also admits that he has no paper to show that he was ever an employee of Messrs. D. Macropolo & Co. Ltd. In view of such evidence no conclusion in favour of the workers can be drawn on the basis of certain suggestions given by the learned Advocate for the Union to P.W. 1 who denied those suggestions. Perusing the evidence of P.W. 1 I find that those workers cannot be held to be employees of the Company only because the supervisors of the Company used to supervise over the Distributors and their employees and the Company paid some selling expenses to the Distributors. In answer to the question "will you please answer why D. Macropolo & Co.'s supervisors supervise over the Distributors and their employees", P.W. 1 says it was done because it is the Company's moral obligation to see that only good products were put in the market for sale and P.W. 1's answer to the question "then why D. Macropolo & Co. pays the selling expenses to the Distributors" is that it was done because the Distributors might have incurred certain expenses in putting the products in the market.

I have not taken into consideration the documents of the parties which were filed but not exhibited. The learned Advocate for Union cited before me two decisions reported in 1964(2) LL.J. 287 and 1962(1) LL.J. 629 in support of his contention that the photostat copies marked Y, Y(1), Y(2), Y(3), Y(4), Y(5) for identification should be admitted into evidence. These documents cannot be admitted into evidence on the basis of the said cases because they were neither proved nor the provisions of rule 20C(4) of the West Bengal Industrial Disputes Rules have not been complied with. On the same ground the Company's document said to be an agreement with the Union which according to the Company is alleged to have been filed to show that those workers were not even held to be employees of the Company by the Union itself, was not admitted into evidence.

In view of the evidence on record I find that it cannot be held that the workers mentioned in the reference were employees of the Company. That being the position, I hold that this reference is not maintainable.

With regard to point No. 2, I hold that the Company cannot be allowed to raise this contention because it has not been specifically pleaded in the written statement.

The third point also does not arise in the perspective of the pleadings and the evidence of the respective parties.

I have already held that this reference is not maintainable. This reference is accordingly disposed of

Government of West Bengal, Labour Department, by order No. 3168-I.R./IR/10L-170/75, dated the 4th August 1975, referred an industrial dispute existing between Messrs. Amiya Corporation, 118 Majharhati Road, North Dum Dum, Calcutta-49, and their workman Shri Sankar Chowdhury represented by Amiya

Corporation Employees' Union, C/o. Shri Radhamadhab Das, village Satyen Palli, P.O Nimta, 24-Parganas, under section 10 read with section 2A of the Industrial Disputes Act, 1947, for adjudication on the issue :

Issue

Is the discharge of Shri Sankar Chowdhury, Durwan, justified ? To what relief, if any, is he entitled ?

2 On receipt of the Order of Reference in this Tribunal on 13th August 1975, usual notices were issued and duly served on the parties who entered appearance and filed their respective written statements and in due course the date was fixed and extended several times for production of documents by the parties. Thus, 4th June 1976 was fixed for filing documents by the parties as a last chance and on that date both the parties absented without taking any steps and as such the case was fixed for this day (28th June 1976) for hearing with a direction on the parties to complete all steps in the meantime and to come fully ready This day the Union was ready with its witnesses but the Company was found absent on repeated calls and as such the case was taken up for ex parte hearing The Union examined its witnesses and proved documents which have been exhibited. Then a petition for adjournment was moved by a person without having any authority from the Company. On a consideration of the petition and hearing its mover and also the other side, the prayer for adjournment was rejected. Then when the case was taken up for argument another petition was moved by the self same person, Shri D. Basu Mallick purporting to act for the Company, praying for time for cross-examination of the witnesses examined by the Union. In the interest of justice time was allowed up to 2-30 p.m. but when the case was taken up again at the appointed time none was found for the Company and Shri D. Basu Mallick declined to proceed for the Company or to cross-examine the witnesses. The argument of the learned representative of the Union has accordingly been heard at length and the matter awaits my adjudication.

3 Briefly stated the case of the Union has made out in its written statement is that the concerned workman Shri Sankar Chowdhury was a permanent Durwan of the Company having put in seven years of unblemished service. The concerned workman received a telegram on 29th April 1971 from his son that his wife was seriously ill and urging him to come to their native home. With the telegram the concerned workman prayed for leave from the management but the later did not take any action on his prayer About a week after a neighbour from the village home of the concerned workman came and told him that the condition of his wife had deteriorated. The workman on 5th May 1971 filed a petition stating the situation and praying for one month's leave but the Company did not respond Being very much morosed and purturbed the workman was laid down with fever and attending trouble from the evening of 5th May 1971 and visited his Panel Doctor under E. S I Scheme who advised him to take medicines and rest. Having no relative or friend to look after him in his sick bed in Calcutta, the workman left for his village home arranging for submission of his medical certificate to the Company on 6th May 1971. As the workman did not recover within a week he visited a Medical Practitioner of the locality of his village home who granted him a medical certificate which was sent to the Company by post After recovery the workman came back on 12th June 1971 with a medical certificate and he was allowed by the Company to resume his duty from that date. Thereafter, all on a sudden on 14th June 1971 he was told by the management that his services had been terminated without giving him any notice or without assigning any reason The workman himself and thereafter also the Union on his behalf protested to the management against its action demanding reinstatement of the concerned workman but the management declined to accede to the request. The Union then raised the dispute with the Labour Commissioner concerned and on the failure of the latter to conciliate because of the uncompromising attitude of the Company there was the instance reference.

4. The concerned workman Shri Sankar Chowdhury (P. W. 1) has deposed on oath about his case giving the various material details The concerned telegram from his son is marked Ext 2, and his leave application Exts. 1 and 1/a Ext. 4 is a medical certificate from the Medical Officer of the village home locality of the concerned workman stating that the concerned workman was under the treatment of that medical officer since 12th May 1971 and was fit to resume duty on 12th June 1971. The definite testimony of the concerned workman is that he was allowed to resume duty by the management on 12th June 1971 and subsequently was told on 14th May 1971 that his services in the Company had been terminated but without issuing any notice upon him or without assigning any reason to him. It is also in the evidence of the workman that he protested against the Company's action. Ext 5, dated the 17th June 1971, is a letter of the General Secretary of the Union to the management of the Company protesting against the Company's action and demanding reinstatement of the concerned workman. The Company no doubt gave a reply Ext. 6 to the Union but the contentions made therein are not supported by any evidence, and, on the contrary the same have been repudiated on oath not only by the concerned workman but also by P.W. 2 Shri Radhamadhab Das of the Union

5. Upon the evidence on record, read with the available circumstances, it cannot but be held that the discharge of the concerned workman Shri Sankar Chowdhury by the Company is arbitrary and unjustified The concerned workman is entitled to reinstatement with back wages for the period of his enforced unemployment.

6. It is, accordingly, directed that the Company do reinstate the concerned workman, Shri Sankar Chowdhury, Durwan, in his former post and pay him

all the back wages for the period of his forced unemployment.

7. This is my award.

Issue

Pursuant to the notices served on the parties the Union filed its written statement on 28th April 1974, and the Company filed its written statement on 29th June 1974. When the case was thus pending both parties filed a joint petition of compromise on 31st May 1976. As per terms of the compromise petition the workman, P. S. Pillai, has accepted the termination of his employment by the Company as lawful and bona fide and the Company has agreed to pay a sum of Rs. 1,000 to the workman which he accepted in full and final settlement of all his claims.

By the Government of West Bengal, Labour Department, order No. 7289-I.R./IR/9L-65/71, dated the 4th December 1972, an industrial dispute existing between Messrs. Demdima Tea Garden, P. O. Birpara, district Jalpaiguri, and their workmen represented by Duars Cha Bagan Workers' Union, Birpara, district Jalpaiguri, was referred to this Court under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication, in respect of the following issue:-

Issue

Whether the termination of services of Shri Dasarath, Garden Chaprasi, by way of refusal of employment to him is justified? To what relief, if any, is he entitled?

Pursuant of service of notices, both parties appeared and filed their respective written statements.

The case of the workman as stated in the written statement filed on his behalf by the Union in short is that the concerned workman Shri Dasaratha was in employment under Messrs. Demdima Tea Garden as Garden Chaprasi for a very long time with clear service record, that on 6th April 1970 he was arrested by the police in connection with a murder case and so he could not resume his usual duty from 7th April 1970, that immediately after the arrest of Shri Dasaratha, the General Secretary of Duars Cha Bagan Workers' Union Shri A. H. Besterwitch, M.L.A., and Shri Dasaratha's wife reported the fact of his arrest to the management of Demdima Tea Garden, that Shri Dasaratha was produced before the learned Subdivisional Magistrate, Alipurduar, on 7th April 1970, by the police where he was remanded to Jail Custody as his bail prayer was rejected and thereafter he was released on bail on 8th April 1970, but due to restrictions imposed by the learned Magistrate he was not allowed to go outside the Municipal area of Alipurduar Town and thereafter the learned Magistrate was pleased to remove the restrictions and so Shri Dasaratha went to join his duty on 20th October 1970, but was not allowed by the management to resume his duties, that on 20th November 1970 Dasaratha sent a protest letter to the management regarding his refusal of employment but no reply was given, that on 7th April 1971 Shri Besterwitch sent a letter to the Conciliation Officer, Government of West Bengal's Birpara Region requesting him to take up the matter of Dasaratha and also to effect amicable settlement of the dispute and accordingly a joint conference was held on several dates for effecting amicable settlement but ultimately the Conciliation Officer failed in his attempt and thereafter on 6th August 1971 Dasaratha was acquitted in that murder case by the learned Session Judge, Jalpaiguri, but the management without considering all these things, illegally terminated the service of Shri Dasaratha without any legal and valid charge-sheet or showing any reason and also in violation to the Company's Standing Orders and thus he was victimised by the management, that the aforesaid action of the management is illegal, unjustified, mala fide and unwarranted and it was actuated against Shri Dasaratha with the idea of victimisation and the penalty was imposed without any valid reason or bona fide ground and this action of the management is a clear instance of unfair labour practice and so he prays for reinstatement with full back wages.

The Company has filed a separate written statement contending inter alia that the Order of Reference made by the Government of West Bengal is not maintainable in law and/or fact and the Union has no locus standi to represent in the aforesaid adjudication, that the management was not even aware of Dasaratha's arrest by the police until he approached the management in November 1970, when he was confirmed once again in addition to the letter of termination issued by the management sent to his place by bearer as per usual practice where he was not found and that the allegations against the management in respect of any other contact with the management by any person are false, that the management issued a show-cause notice, dated 13th April 1970 against Shri Dasaratha for his absence without any leave or permission or any intimation from 7th April 1970 and directed Shri Dasaratha to personally appear in Manager's Office on 14th April 1970 at 1 p.m to explain why disciplinary action should not be taken against him and thereafter the management issued a second show-cause notice, dated 15th April 1970 against Dasaratha for his continued unauthorised absence from 7th April 1970 asking him to appear and explain in writing at Manager's room on 17th April 1970 at 3 p.m., but that notice also could be served upon Dasaratha like the previous one and even then Dasaratha had neither applied to the management regarding his unauthorised absence nor had he informed the management about his continued unauthorised absence and so the management once again issued a letter, dated the 20th April 1970, to the said workman calling upon him to explain on 28th April 1970 by 2 p.m. why he should not be punished but this also could not be served upon him and thereafter the management held the ex parte enquiry on 29th April 1970 against Shri Dasaratha for his major misconduct as per the provisions of the Standing Orders and the workman was found guilty of the charge and so the management had terminated the services of the workman, Dasaratha by their letter, dated the 5th May 1970, and thus it is clear that the allegation of the Union that the workman concerned approached the management on 30th October 1970 for resuming his duty or that he gave a protest letter, etc., are false, baseless, motivated and an after-thought, that the service of Dasaratha was terminated in due course of law as per the Company's Standing Orders and on the basis of charge-sheet followed by a valid domestic enquiry and as such there is no reason to interfere with the said action of the management and the dismissal of Dasaratha is legal and valid and so he is not entitled to any reinstatement or back wages as prayed for

Decision

In the written statement filed by the Company certain preliminary objections were raised in respect of the Order of Reference locus standi of the Union to espouse or represent in the aforesaid adjudication, but the same were not pressed at the time of hearing by the learned Advocate for the Company.

Admittedly, the present Order of Reference was referred to this Court by the Government of West Bengal in exercise of the powers conferred by section 10 of the Industrial Disputes Act for adjudication as because it was found that an industrial dispute was in existence between Messrs. Demdima Tea Garden and their workmen represented by Duars Cha Bagan Workers' Union relating to an issue being a matter specified in the Second Schedule to the Industrial Disputes Act, 1947, and the issue is—

> Whether the termination of service of Shri Dasaratha, Garden Chaprasi, by way of refusal of employment to him is justified? To what relief, if any, is he entitled?

That Dasaratha was an employee of Messrs. Demdima Tea Garden who was dismissed by the Company is an admitted fact in this case. It also appears from the Second Schedule of the Industrial Disputes Act, 1947, that such an issue also relates to a matter specified in the Second Schedule of the said Act. So, I find that under section 10 of the Industrial Disputes Act Government has every right to make this reference and accordingly I hold that the present reference is good in law.

P.W. 3 is Shri A. H. Besterwitch who has said on oath that he was the General Secretary of the Duars Cha Bagan Workers' Union in 1970 and in 1971 he became the President of the Union. According to him Dasaratha was a member of their Union and after receiving the information that Dasaratha was implicated on a false charge of murder in a criminal case, he informed the management and also represented him at the time of reconciliation proceedings on behalf of the Union. He has further said that Shri Rana Sen was the Secretary of the Union. P.W. 4 is Rana Sen who has said on oath that he is one of the Secretary of Duars Cha Bagan Workers' Union. He has further said that a Membership Register is maintained by them gardenwise. He has produced the Membership Register which is Ext. 5 in this case and according to him Dasaratha is a member of their Union from 1969 and Serial Number 20 for 1969 and 18 for 1970 of the said Register Ext. 5 contain the name of Shri Dasaratha. He has also said that he represented Dasaratha in Conciliation Proceedings along with Mr. Besterwitch who communicated the fact of Dasaratha's arrest to the management. Serial Numbers 20 for 1969 and 18 for 1970 of the Register Ext. 5, actually show the name of Dasaratha as a member of the said Union, and so it appears clear that Dooars Cha Bagan Workers' Union has locus standi to espouse and to represent Dasaratha in the aforesaid adjudication in respect of the present industrial dispute which is quite legal and valid and so I hold that the aforesaid two preliminary objections raised on behalf of the Company are not maintainable in law.

It is an admitted fact that Dasaratha was absent from attending his duties in office as because he was arrested in a murder case and was detained in Jail Custody for a considerable period. It is the case of the management that they had no intimation or knowledge regarding Dasaratha's arrest by police or his detention in Jail Custody and therefore as because Dasaratha was absent without any leave or permission so it amounted to major misconduct as per the provisions of the Standing Orders of the Company and accordingly the enquiry was held by the Company in the absence of Dasaratha and he was found guilty in the enquiry and thereafter his service was terminated and he was dismissed from the service. According to the Union this dismissal is illegal, mala fide, malmotivated and as such it is not binding upon Dasaratha who is entitled to be reinstated with full back wages.

Exhibit C is the charge-sheet which is, dated 24th April 1970. It appears from this charge-sheet that the Manager of Demdima Tea Garden asked Dasaratha to explain by 2 p.m. of 26th April 1970 as to why he should not be punished for his failure to report for duty on expiry of the period for which he was suspended as a punishment for his previous absence and he was having again absented himself from work without permission since that date which was considered as an offence under clause 13(c)(v) of the Standing Orders. Exhibit D is another show-cause notice, dated the 28th April 1970, addressed to Dasaratha, Chaprasi, intimating him that an enquiry in the matter would be held on 29th April 1970 at 2 p.m. and he was further informed by the said Exhibit D that Shri Jagadish Prosad Bagla, the Assistant Manager, would hold the enquiry. Thus it appears that the charge that was levelled against him was his failure to report for duty for his previous absence and for his present absence which amounted to offence under clause 13(c) (v) of the Standing Orders as it would appear from Ext. C. The printed Standing Orders of the Company is Ext. 5 in this case. Clause 13(c) (v) of the said Standing Orders runs as follows:

"Habitual absence without leave or absence without leave for more than 10 days ....." and sub-clause (d) of the said clause 13 shows that no worker shall be dismissed for the first offence under clauses 5, and 6, etc., and unless he has previously been suspended for a similar offence. There is nothing on record to show that Dasaratha was previously suspended for similar offence and as such I find that clause 13(c) (v) of the said Standing Orders as indicated in the charge-sheet Ext. C is not applicable in case of Dasaratha nor there is any violation of the said Standing Orders as alleged by the Company.

It further appears that several notices were sent to Dasaratha before the alleged enquiry proceedings. The said notices are marked as Exts. B, B/1 and B/2 in this case. It appears from the endorsement given thereon that Manarakhan Chowkidar who went to serve notices on Dasaratha found him absent in his residence and he reported the fact to the management that Dasaratha was detained in Jail. Even the charge-sheet Ext. C shows that Manarakhan Chowkidar reported the fact that Dasaratha was not found in his residence. Exhibit D similarly shows that Dasaratha was not found in his residence. Thus it appears from the aforesaid documents Exts B, B/1, B/2, C and D that it was within the knowledge of the management that Dasaratha was detained in Jail and he was not available in his residence. But inspite of that the enquiry proceedings Ext E shows that the alleged domestic enquiry was held ex parte by Shri Jagadish Prosad Bagla, Assistant Manager of the Tea Garden, in absence of Dasaratha for the charge levelled against him as per the charge-sheet Ext C. It appears further from the said enquiry proceedings that V. S. Vaskaran and Manarakhan Chowkidar were examined by the Enquiry Officer but it appears neither Mr. Bhaskaran nor Manarakhan Chowkidar has been examined in this case before this Court. The report of the Enquiry Officer is Ext F in this case. It is clear from this report that Dasaratha was tried for his absence from duty and he was absent in the enquiry proceedings and the enquiry Officer came to the conclusion from the evidence of Mr. Baskaran and Manarakhan Chowkidar that the charges of major misconduct against the delinquent Dasarattha, Chaprasi, under clause 13(c) (v) of the Standing Orders and particularly when the delinquent had previous bad record of misconduct was found to be proved and so he recommended for his dismissal from service to the management. As I have already pointed out that there is not aniota of evidence to prove that the delinquent Dasaratha had previous bad record of misconduct or absented himself on a similar charge before and so I hold that clause 13(c) (v) of the said Standing Orders Ext. 5 has no application in this case and the entire enquiry proceedings which was conducted in absence of Dasaratha though the management had full knowledge regarding Dasaratha's absence from his residence and detention in Jail Custody at that time is nothing but a show of enquiry and as such a complete violation of the principles of natural justice as because no reasonable opportunity was given to him to defend the case. I therefore hold that it is neither proper nor just nor legal and as such it cannot be upheld. I, also hold that the entire enquiry proceedings is bad in law and so the dismissal letter issued on the basis of said enquiry proceedings by the management Ext. 8 terminating the service of Dasaratha in accordance with clause 13(c)(v) of the Standing Orders is also bad in law and therefore not binding upon Dasaratha.

In fct, in this case Dasaratha is P.W. 1 who has said on oath that after he was arrested by Police in connection with the aforesaid murder case he asked his wife to intimate the management his cause of absence. He has further stated that he was subsequently acquitted from the said murder case and in support of his contention he has filed a certified copy of the judgment of the learned Session Judge, Jalpaiguri, which is Ext. 1 in this case and it shows that Dasaratha was acquitted from the aforesaid offence under section 302/34 I.P.C. or any other minor section. Dasaratha has further said that at his instance Mr. Besterwitch on behalf of the Union intimated the fact to the management and took up his cause. P.W. 2 is the wife of Dasaratha who is also an employee of the said Tea Garden. She has said on oath that after dasaratha's arrest, she reported the fact to the management. She has further said that she also met Mr. Besterwitch who represented Dasaratha before the management after intimating his cause of arrest. P.W. 3 is Mr. Besterwitch who is a highly respectable man. He has stated on oath that on being informed by the wife of Dasaratha, he investigated into the matter, informed the management, represented Dasaratha in the conciliation proceedings along with Shri Rana Sen, Secretary of the Union. P.W. 4 is Rana Sen who has also corroborated P.W 3 Mr. Besterwitch. All of them were cross-examined at length but could not contradicted and I find no reason to disbelieve them. P.W. 5 is Somra Bhagat who is an employee of the said Tea Estate. He has also said on oath that after Dasaratha's arrest, he took the wife of Dasaratha to Mr. Besterwitch and in his presence Mr. Besterwitch rang up the then Manager Mr. Nandy and requested him to arrange for leave of Dasaratha during his detention in Jail Custody and on the request of Mr. Besterwitch he (Shri Bhagat) personally saw the Manager Mr. Nandy and requested him to consider the case of Dasaratha. Mr. Nandy has not been examined in this case by the Company and this witness who was cross-examined at length but could not be shaken, I find, has given the truth and I have no hesitation to believe him. Thus it appears that since Dasaratha was arrested the Union leaders like Mr. Besterwitch and Mr. Rana Sen (P.Ws. 3 and 4) and wife of Dasaratha (P.W. 2) who is also an employee of the Tea Garden and Shri Samra Bhagat (P.W.5) who is another employee of the Tea Garden did intimate the fact of Dasaratha's arrest to the management and it is but natural that they would do the same in normal course of events and so it is clear from the evidence adduced on behalf of the Union that the case of Dasaratha has been fully proved and the alleged domestic enquiry is nothing but a mala fide and colourful proceedings and was held ex parte in complete violation of the principles of natural justice and accordingly it is neither legal nor just.

On behalf of the Company only the Enquiry Officer O.P.W 1, Shri Jagadish Prosad Bagla, has been examined. He has admitted in his cross-examination, "I had information that Dasaratha was in Jail Custody before starting the enquiry proceedings. On the date of hearing of the enquiry proceedings I was aware that Dasaratha was in Jail Custody. I did not try to intimate Dararatha in Jail Custody about the proceedings through the Jail Authority" (vide page 5). Thus it appears clear that before starting the enquiry proceedings, the Enquiry Officer was aware that Dasaratha was detained in Jail and so he conducted the enquiry proceedings ex parte in absence of Dasaratha which is a clear violation of the principles of natural justice. The said witness O.P.W. 1 has further admitted in cross-examination, "According to the Standing Orders. Dasaratha had committed an offence of absenting himself without any authority for a long period. I have not seen the past record of Dasaratha but I have consulted the Attendance Register of 1968-69 of the Company. I did not mention in my proceedings that the registers were consulted as I found it unnecessary (vide page 5). The said Attendance Register has not been produced in this case before this Court and as I have already pointed out that no workers shall be dismissed for the first offence under sub-clause v of clause 13(c) of the Standing Orders Ext. 5, unless he has previously been suspended for a similar offence and in this case the said fact has not been proved though the Enquiry Officer states that Dasaratha committed an offence according to the Standing Orders and his enquiry report Ext. F shows that the charges of major misconduct was found to be proved against Shri Dasaratha under clause 13(c) (v) of the Standing Orders particularly when the delinquent Dasaratha had no such previous bad record of misconduct. Thus it appears clear from the evidence of O.P.W. 1 that his enquiry report Ext. F is completely misconceived and wholly perverse and accordingly the same cannot be accepted and the action taken by the management in dismissing Shri Dasaratha on the basis of this enquiry report Ext. F which was communicated to Dasaratha by the letter Ext. 8, is equally illegal, mala fide and such it is bad in law, and cannot be accepted.

Thus considering the entire evidence on record both documentary and oral I am clear in my mind to hold that the termination of services of Shri Dasaratha, Garden Chaprasi, by the employer is not justified a legal and accordingly he is entitled for reinstatement with full back wages as prayed for. The issue is thus decided against Messrs Demdima Tea Garden and in favour of the Union.

This is my award. This disposes of the Order of Reference.

AWARD

The Government of West Bengal, by its Labour Department, order No. 4734-I R /IR/11L-448/75, dated the 10th November 1975, referred under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), an industrial dispute between Messrs. B N Elias & Co and their associated Companies, namely, (a) Messrs Oriental Electric and Engineering Co., (b) Messrs. Oriental Machinery and Civil Construction Pvt Ltd, and (c) Messrs Oriental Electric Engineering Co, all of 2 Old Court House Street, Calcutta, on the one hand, and their workmen represented by Motor Workers' Union, Calcutta, Howrah, 24-Parganas and Hooghly, 19/2A Pitambar Ghatak Lane, Calcutta-26, on the other, to this Tribunal, for adjudication, of the following issue :

Issue

> Whether the termination of service of Sarbashree (1) Md. Jamil Ahmed Khan, (2) Md. Yaqub and (3) Insaf Ali Khan by way of refusal of employment to them is justified ? To what relief, if any, are they entitled ?

Presently this Tribunal is to consider whether the reference made by the State Government is maintainable in view of the framing of issue as above.

It will not be out of place to mention herein that this Tribunal, by its order No 15, dated 14th June 1976, suo motto decided to enquire whether the reference is maintainable, and accordingly both parties were called upon to come ready and address the Tribunal on 16th June 1976.

Mr B L Totla, learned Labour Adviser, appearing for the Management of the Companies, contended that the reference is not maintainable inasmuch as the issue "termination of service by way of refusal of employment" is ambiguous by itself. In other words, he submits that the expression "termination of service" cannot be equated with the expression "refusal of employment". In the case of "termination of service", the jural relationship of master and servant comes to an end, whereas in the case of "refusal of employment", it cannot be said that the jural relationship comes to an end. In this connexion, Mr. Totla relies upon a recent decision of the Hon'ble High Court at Calcutta re : Sabitri Motor's case, reported in 1976(33)F.L R page 14.

Mr. D L. Sen Gupta, learned Advocate, appearing on behalf of the workmen, on the other hand, contended that the reference is maintainable in its present form He candidly admits that the issue has not been happily framed but inspite of the same, it cannot be said that the reference is not maintainable. He also submits that the decision in the case of Sabitri Motors has no application in the instant case. In this connection, Mr. Sen Gupta relies on a number of decisions. They are (1) Shaw Wallace & Co. Vs. Central Government Industrial Tribunal-cum-Labour Court, Jabbalpore and ors, reported in 1970 I LL J., 710 at 711; (ii) Jhari Fire Bricks and Pottery Works Pvt. Ltd. and Labour Court, Chotanagpur Division and ors., reported in 1967 I LL J., 607; (iii) V Narayan Vs. Madura Co (P) Ltd, reported in 1970 II LL.J., 218 at 220; (iv) State Bank of India and N. Sundaramoney, reported in 1976 I LL J. 478; (v) Feroz Din and ors and State of West Bengal, reported in 1960 I LL.J, 244; (vi) Express Newspapers Ltd and their workmen, reported in 1962 II LL J., 227; and (vii) Workmen of Dahingeapar Tea Estate Vs. Dahingeapar Tea Estate, reported in 1958 II LL.J., 498

This Tribunal proposes to consider the above decisions cited by Mr. Sen Gupta at the appropriate place But before doing so, this Tribunal proposes to record the admitted facts as embodied and appearing in the respective written statement of the parties.

According to the employer-Company, Md. Yaqub and Md. Insaf Ali Khan were retrenched from service and the service of Md Jamil Ahmed Khan terminated in terms of clause 4 of this letters of his appointment. It is claimed that the Company under the said clause was at liberty to terminate has service without any notice whatsoever or pay in lieu thereof. The Union, on the other hand, in their written statement, contended that the said workmen were unlawfully and illegally retrenched from service They contended that this Tribunal should hold that the termination of service of all the three drivers mentioned in the issue to be illegal being in contravention of sections 25F and 25G of the Industrial Disputes Act, 1947 (see last page of the written statement). From the pleading as above, it is crystal clear that it is nobody's case that it was a case of refusal of employment According to the Management, it was a case of retrenchment so far two workmen were concerned and so far the third workman, it was a case of termination simpliciter, whereas according to the Union the termination of service of the workmen was by way of retrenchment without complying with the provisions of law. Prima facie, therefore, the issue does not reflect the case of the parties as embodied and appearing in their written statements. The issue as framed by the State Government demands that this Tribunal should consider whether the termination of service of the said workmen by way of refusal of employment is justified.

It is now well settled that the issue must be relating to the dispute between the parties. In the instant case, reading the two written statements, this Tribunal holds that the issue as framed by the State Government does not reflect the case of the parties, and as such this Tribunal is bound to hold that the reference is not maintainable. This

Tribunal further holds that the said issue also suffers from another defect which it proposes to consider presently.

Hon'ble Mr. Justice Sudhamoy Basu has hold in the case of Sabitri Motor Services Private Ltd. that the expressions "termination of service" and "refusal of employment" cannot be equated. "Termination of service" presupposes severance of jural relationship of employer-employee while the expression "refusal of employment" may be consistent with continuance of such relationship. The two expressions cannot be equated. In this connexion, His Lordship also relied upon the case of Feroz Din & ors. In this decision the Hon'ble Supreme Court held that the expression "refusal to continue to employ" means refusal by the employer to allow any number of persons employed by him to attend to their duties without effecting a termination of service. Therefore, in the instant, the issue is ambiguous. If the dispute is a case of termination, it cannot be the case of refusal of employment. If it is a case of refusal of employment, it cannot be a case of termination of service.

Mr. Sen Gupta, on the contrary relying upon the case of V. Narayan vs. Madura Co. (P) Ltd. cited above, submits that dismissal and/or termination even may be effected if the Management refuses by word or conduct to allow the servant to fulfil his contract of employment; in other words, in some cases the refusal of employment itself amounts to termination of service. In the aforesaid decision, their Lordships relied upon an English decision re: Rubel Bronze and Metal Co. reported in 1918, 1 K. B. 315. Then again, in the case of Jhari Fire Bricks, and Pottery Works Pvt. Ltd., their Lordships held that refusal of employment sometimes means implied termination of service. This Tribunal being a creature of inferior jurisdiction is bound by the decision of its own High Court which is clear on this point. It has been categorically laid down that in the case of termination of service there ceases to have a jural relationship of master and servant while in the refusal of employment, jural relationship still subsists, and as such the two decisions cited by Mr. Sen Gupta above are hardly acceptable. Apart from the two decisions, it will also be not out of pleace to mention that the expression "refusal of employment" appears in section 2(I) of the Industrial Disputes Act, while explaining the meaning of the expression "lock-out". The Legislature held that 'lock-out" means, inter alia, the refusal by an employer to continue to employ any number of persons employed by him. In other words, refusal of employment has a definite meaning in the Act itself. It has been equated with "lock out". It is well settled that when a meaning of a word or expression has been given in an Act, that meaning of the said word or expression has to be abide by for the purpose of the said Act unless an alternative meaning is given to the same. In the instant case, the issue is termination of service by way of refusal of employment. Alternatively the issue is termination of service by way of lock out, which is nobody's case. Considering as above, the contention of Mr. Sen Gupta is hardly tenable. It has to be admitted that the issue as framed is ambiguous and no Tribunal can proceed with such an issue.

The other decisions cited by Mr. Sen Gupta are not exactly on the point, and as such, this Tribunal refrains from dealing with the same.

In the premises, this Tribunal holds that the present reference is not maintainable and with this observation, passes this award.

The reference is disposed of accordingly.

AWARD

Government of West Bengal, in the Labour Department, by its order No. 5336-I.R./IR/7L-8/72, dated Calcutta, the 8th September 1972, referred under section 10 of the Industrial Disputes Act, 1947, an industrial dispute existing between Messrs. Shyamnagar Jute Factory Co. (North Mill) Limited, P. O. Bhadreswar, district Hooghly, and their workmen represented by Bengal Chatkal Mazdoor Union, (Bhadreswar Branch), P. O. Bhadreswar, district Hooghly, on the following issue :

Issue

Whether the action of the management in demoting Shri Kailash from the post of a Sardar to the post of a Cop-Winder is justified ? To what relief, if any, is he entitled ?

After receipt of the reference on 12th September 1972 usual notices were issued to the parties. The parties then filed their written statements and lists of documents. The case was thereafter put up for hearing. The parties led evidence on the date fixed for hearing and hearing was concluded on 19th June 1976.

The case was heard on the preliminary points as well as on merits of the agreement of the parties.

The learned Advocate for the Company pressed that (i) the Union has no locus standi to represent the workmen; and (ii) that the reference is bad because the alleged dispute was not raised with the management and that Shri Kailash was never Cop-Winder Sardar.

With regard to the first point as to whether the Union has locus standi to represent the workmen it may be noted that this point urged in the written statement of the Company was not pressed at the time of hearing. The O. P. W. 1 deposing for the Company does not say anything with regard to this case of the Company. That being the position I overrule the contention of the Company.

The Union's case appearing from paragraphs 8, 9 and 10 of its written statement is that the present dispute arose some time after 19th January 1970. There is no evidence whatsoever to show that this dispute was raised with the management before the workmen represented by the Union approached the Government machinery. O P. W. 1, the Personnel Officer of the Company, states in his examination-in-chief that the alleged dispute referred to this Tribunal, namely, demotion of Kailash was made known to the Company, for the first time, by the Ext. A/1, and that before that day neither the workman nor anybody on behalf of the workmen raised any such dispute with the management on the question of alleged demotion. The letter Ext. A/1, dated 6th May 1970, is a letter addressed to the Assistant Labour Commissioner, a copy of which was forwarded to the Company by the Memorandum, dated 27th May 1970. The Government's referring the dispute to the management after the Union went direct to the Government before raising the dispute with the management will not constitute an industrial dispute. The evidence of O. P. W. 1 which I have quoted above is neither denied nor challenged. The evidence of the workman, P. W. 1, considered that of P. W. 2 does not show that the present dispute was raised with the management. P.W. 1 in his cross-examination states that he reported to the Union that he saw the Manager with P.W. 2 and Gobinda, and that the Manager refused to comply with the demand for appointing him Cop-Winder Sardar. This evidence is not supported by P. W. 2. P. W. 1 admits that he has no paper to show that he met the Manager with these two members of the Works Committee, that the Manager refused to comply with his demand and that he communicated the facts of his visit to the Manager and Manager's refusal of his request to the Union. He also admits that he has no paper to show that the Union ever took up this dispute with the Management. The evidence of P. W. 2, the secretary of the works Committee, stating inter alia that the workman, Shri Kailash never worked as a Sardar does not support the evidence of P. W. 1 regarding the alleged demand. As the dispute was never raised with the management before the workman approached the Government machinery, this reference is incompetent and, therefore, the present Tribunal has no jurisdiction to adjudicate upon the case.

With regard to the third point the learned Advocate for the Company drew my attention to the evidence of workman's witness P. W. 2 that Kailash never worked as a Sardar and argued that in view of such evidence the question of demotion from the post of Sardar cannot arise. As I have already held in the preceding paragraph that this Tribunal has no jurisdiction to adjudicate upon the case no decision on this point can be given by this Tribunal.

I have already held that the Tribunal has no jurisdiction to adjudicate upon the case.

This case is, thus, disposed of.

In the matter of an industrial dispute existing between Messrs. Oriental Distributors (India), 3 Kundu Lane, Calcutta-37, and their workman Shri Birendra Nath Dutta, 12-B Jaharlal Dutta Lane, Calcutta-4. (Case No. 250/75.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri A. N. BASU, Judge,

AWARD

Is the dismissal of Shri Birendra Nath Dutta section 2A of the Industrial Disputes Act, 1947, by the Government of West Bengal, Labour Department, by order No. 4182-I.R./IR/10L-231/75, dated the 6th October 1975, in respect of an industrial dispute existing between Messrs. Oriental Distributors (India), 3 Kundu Lane, Calcutta-37, and their workman Shri Birendra Nath Dutta, 12-B Jaharlal Dutta Lane, Calcutta-4. The issue for adjudication is as follows:

Issue

"Is the dismissal of Shri Birendra Nath Dutta justified ? To what relief, if any, is he entitled ?

2. The Order of Reference was received in this Tribunal on 21st October 1975, and thereafter usual notices were issued to and duly served upon both the parties, and they entered appearance. In due course the workman filed his written statement. But the Company, though afforded several opportunities, did not care to file its written statement, and absented. In the circumstances the case was fixed for hearing on 1st July 1976 with the direction that the parties must come ready. On that date the workman came ready. The Company however remained absent and, as such, the case was heard ex parte.

3. Briefly stated, the case of the workman concerned as pleaded in his written statement is that he was a skilled and experienced worker putting in 24 years of uninterrupted, meritorious, sincere and satisfactory service to all concerned with a pay of Rs. 353 per month at the material time. He had to do regularly overtime work beyond the scheduled working hours, but without payment of overtime wages. As he asked for overtime payment the senior partner of the Company Shri K. K. Basu became annoyed with him and threatened him with dire consequences. Being disgusted and frustrated due to such treatment the concerned workman tendered resignation on 17th March 1975, and then when he went for collecting his dues such as gratuity, etc., he was refused payment with the threat that he would be put to troubles. The management then hatched out a foul plan and issued a charge-sheet on 25th March 1975 with baseless and false allegations, and fixed the date of enquiry without affording any opportunity to the workman concerned for giving his explanation or for self defence. The management then in an arbitrary way dismissed the concerned workman with retrospective effect from 15th March 1975 by a letter issued on 5th April 1975. The workman instantly raised an industrial dispute with the management on 22nd April 1975 challenging the order of dismissal and asking the management to reinstate him in service without loss of wages. The Company refused to accede to his request and, as such, he referred the matter to the Conciliation Officer for intervention. Efforts at conciliation having failed, there was the instant reference.

4. The concerned workman Shri Birendra Nath Dutta has examined himself as P. W. 1. He has taken oath to depose in support of his case with material particulars. He has said inter alia that his demand for overtime wages annoyed the management, they put him into troubles, and out of frustration he tendered his resignation from service. But the management, without accepting the same and as a part of a foul plan issued a charge-sheet to him without affording him opportunity of self defence, and thereafter issued the letter of dismissal with retrospective effect as mentioned. Ext. 1, dated 25th March 1975, is the impugned charge-sheet, and Ext. 2 is the impugned order terminating his services, dated 5th April 1975, which was purported to take effect from 15th March 1975. The action of the Company was immediately protested against in writing by the concerned workman by his letter (Ext. 3), dated 22nd April 1975 which, it appears, was duly received by the Company by signing the connected postal acknowledgment slip (Ext. 3-b). As his protest and request were not heeded to by the management, the matter was taken up by the concerned workman with the Assistant Labour Commissioner by his letter (Ext. 4). Upon the evidence on record it is clear that the action of the Company was arbitrary and high-handed and also illegal. The show of departmental enquiry without complying with the established principles, and in particular without affording the workman reasonable opportunity of self defence is nothing but a mockery. One word more, that the workman tendered his resignation out of frustration due to unfair treatment by the Company. In the circumstances, that should not stand in the way of the workman getting relief in the instant case. Upon the evidence on record I find that the dismissal of the concerned workman Shri

Birendra Nath Dutta by the management is unjustified. He is entitled to reinstatement and back wages.

5. It is accordingly directed that the Company do reinstate the concerned workman Shri Birendra Nath Dutta in his former post and pay him back wages f-- the period of his forced unemployment.

This is my award.

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri A. N. BASU, Judge,
Fifth Industrial Tribunal.

Present for the Union: Shri Satin Roy Choudhuri, a Trade-Unionist.

Present for the Company: None.

This is a reference under section 10 read with section 2A of the Industrial Disputes Act, 1947, by the Government of West Bengal, Labour Department, by order No. 5397-I.R./IR/11L-608/75, dated the 16th December 1975, in respect of an industrial dispute existing between Messrs. Nityananda Mistanna Bhandar, Biswambhar Roy Road, P. O. Krishnagar, district Nadia, and their workman Shri Sankar Ghosh represented by Nadia Zilla Mistanna Dokan Karmachari Samity, Bank Lane, Hatarpara, P. O. Krishnagar, district Nadia. The issue raised for adjudication is as mentioned below:

Issue

Whether the termination of services of Shri Sankar Ghosh is justified? To what relief, if any, is he entitled?

1. On receipt of the Order of Reference in this Tribunal on 20th December 1975, usual notices were issued to and duly served on the parties. The Union entered appearance on the date fixed on 22nd January 1976, and filed its written statement and documents in due course. The Company however remained absent throughout without taking any steps in spite of opportunities being extended to them from time to time. In the circumstances the case was fixed this day, i. e., on 26th June 1976, for hearing on which date the Union was present and ready but the Company was found absent on repeated calls. The case was therefore heard ex parte.

2. The case of the Union as made out in its written statement is shortly that the workmen of the Company placed a Charter of Demands to the management and, in spite of repeated requests, the management did not take any action thereon. The affected workman Shri Sankar Ghosh happened to be a prominent member of the Union, and for his trade union activities the management was extremely displeased with him. On 24th January 1974 the management refused him employment without assigning any reason therefor. Shri Ghosh himself as well as the Union protested against the Company's action and demanded reinstatement of the concerned workman but without result. At the instance of the concerned workman and his other co-workers the Union approached the Labour Commissioner, but his efforts for conciliation also proved abortive because of the adamant and uncompromising attitude of the Company resulting in the instant reference.

3. The concerned workman Shri Sankar Ghosh has deposed about his case giving material and relevant particulars. It is in his evidence that he was refused employment by the Management on and from 24th January 1974 without assiging any reason, by way of victimisation. The Charter of Demands and the subsequent communications emanating from the workman to the management together with the connected postal papers have been marked, respectively, as Exts. 1, 2 and 3 series. The demand letter of the concerned workman on his being refused employment has been marked Ext. 4, and the connected postal certificate has been marked Ext. 4(a). The concerned workman

and also the General Secretary of the Union by their letter Ext. 5 demanded reinstatement of the affected workman. Ext. 6 is another letter of the Union to the Assistant Labour Commissioner raising dispute and seeking intervention of that authority. The General Secretary of the Union Shri Sudhindra Mohan Sen has taken oath before the Tribunal as P W. 2 to reiterate and corroborate the case made out by the Union in its pleadings. Upon the evidence on record as it is, which remains uncontroverted and unassailed, there cannot but be the finding that the termination of the services of Sankar Ghosh is arbitrary and unjustified. The workman is perfectly entitled to reinstatement in service with full back wages.

4. Accordingly I make the award directing the Company to reinstate the concerned workman Shri Sankar Ghosh in his former post and pay him all his back wages during the period of his forced unemployment.

This is my award.

AWARD

The Government of West Bengal, in Labour Department, has referred an industrial dispute between Messrs. Friends Service Station, Keshabganj, G. T. Road, Burdwan, and Sk. Mozammel Hossain, workman, represented by Burdwan Petrol Pump Stations (Sales & Services) Workers' Union, 13 Town Hall Park Road, Burdwan, to this Tribunal by its Order of Reference No 5973-I.R./IR/11L-345/73, dated 24th August 1973, under section 10 of the Industrial Disputes Act, for adjudication, on the following issue :

Issue

Whether dismissal of Sk. Mozammel Hossain is justified ? To what relief, if any, is he entitled ?

After receipt of the Order of Reference, notices were issued to the parties fixing 25th September 1973 for appearance, which were served, but the petitioner-Union only appeared on that date. The Opposite Party-Company also appeared subsequently on 27th September 1973. Thereafter, both the parties have filed their respective written statements. The case was fixed for hearing on 4th April 1974 by my learned predecessor's order No. 13, dated 12th March 1974, but was adjourned on a number of occasions on various grounds till 28th August 1974, when the Opposite Party-Company filed a petition for relying on the domestic enquiry and for adducing evidence first and also praying for an adjournment accordingly. By my order No. 21, dated 28th August 1974, I allowed the Oposite Party-Company to adduce evidence first, as it relied upon the domestic enquiry and in that view, the case was adjourned to 3rd October 1974 for further hearing. The preliminary hearing relating to the domestic enquiry was concluded accordingly and by my order No. 53, dated 4th March 1976, I found the domestic enquiry held to be not in accordance with the principles of natural justice and so vitiated and I allowed the Oposite Party-Company to adduce evidence on merits and the petitioner-Union to adduce evidence rebuttal thereof fixing 11th March 1976 for further hearing on merits. The hearing on merits was adjourned, there after, on a number of occasions till 26th June 1976, when the employer filed a petition for adjournment on the ground of compromise and by my order No. 57, dated 26th June 1976, I allowed the prayer fixing 28th June 1976 for compromise, in default, for hearing.

The parties have filed a joint petition of compromise on 28th June 1976, under the signature of the Secretary of the Petitioner-Union and the Partner of the Opposite Party-Company intimating that they would not proceed with the case, as the industrial dispute has been settled between them outside the Tribunal. The terms of settlement have also been incorporated in the joint petition of compromise and there has been a specific prayer for passing an award on the basis of the abovesaid compromise petition as such.

On a perusal of the petition of compromise, I find that the parties have settled the industrial dispute between them outside the Tribunal would not proceed with the same before this Tribunal. It also appears that the industrial dispute is no longer in existence between the parties. The terms of compromise also appear to be fair and reasonable. Under the circumstances, I am inclined to pass a 'no dispute' award on the basis of this joint petition of compromise. A 'no dispute' award is passed accordingly on the basis of the joint petition of compromise under the signature of the Secretary of the Petitioner-Union and the Partner of the Opposite Party Company, which be made a part of this award.

This is my award.

AWARD

The Governmennt of West Bengal, by Labour Department, order No. 1009-I.R./IR/11L-370/73, dated 18th February 1974, has referred the instant industrial dispute between Messrs. Nathmall Giridharilal, 108 Benares Road, Howrah-6, and their workmen represented by Nathmall Giridharilal Mazdoor Union, 44 Kshetra Mitra Lane, Salkia, Howrah, to this Tribunal under section 10 of the Industrial Disputes Act for adjudication on the following issue namely :

Issue :

> Whether the management is justified in suspending the entire work of the Factory from 29th January 1973 ? To what relief, if any, the workmen are entitled ?

After service of notice both the parties appeared and filed their respective written statements.

The case of the Union, in short, is that while they were pressing for implementation of the Award of the Seventh Industrial Tribunal by putting forward a charter of demands, the Company in order to resist the same, illegally and without assigning any reason suddenly suspended the work of the said factory situated at 108 Benaras Road, Howrah, from 29th January 1973, that the work of the factory remained suspended up to 12th June 1973, and it was reopened on 13th June 1973, after displaying a notice on the Factory Notice Board describing voluntary suspension of the factory as strike by the workers, that the Company reopened the factory with the help of contractor's labourers on entering into a settlement with them, that the direct labourers were thrown out of employment for whicih no payment was made to them, that although the Majdoor Union challenged the illegal suspension of the factory by the Company there was no result, that accordingly the Union referred the matter to the Assistant Labour Commissioner, Government of West Bengal, for conciliation but in vain and that accordingly the present reference has been made

The case of the Company in short is that as the workmen failed to raise any demand with the management in respect of the industrial dispute under reference, the reference itself is bad in law and this Tribunal has no jurisdiction to entertain and adjudicate upon such reference, that the Company never closed down or suspended the work of the factory from 30th January 1973 to 12th June 1973 and that the factory could not function because of strike by the contract labourers for the said period, that on 12th June 1973 there was a settlement reached between the management and the Union formed newly by the contract labourers as a result of which the factory was reopened from the following day, that a proper notice was displayed on the notice board directing the workmen to resume their duties and that the workmen who failed to resume their duties are not entitled to any relief whatsoever.

Findings

At the outset the objection raised by the Company regarding the validity of the reference and jurisdiction of this Tribunal is taken up for consideration. The Company relying upon Supreme Court decision in the Sindhu Resettlement Corporation case reported in 1968 (I) LLJ. page 834 contends that as the workmen of the concerned Union failed to raise any demand with the management regarding regarding their claim for the wages for the alleged period of suspension, the reference is bad and this Tribunal has no jurisdiction. The Union on the contrary relied on two judgments of the Calcutta High Court delivered by Mr. Justice D. Pal, as he was then, and by Hon'ble Mr. Justice Basak reported in 1976 Vol. III, Part-I, Calcutta High Court Notes, page 285, which go to lay down the legal proposition that the requirement of raising a demand with the management shall be deemed to have been fulfilled even where a dispute is taken at the instance of the workmen of the Union before the Conciliation Officer who duly notifies the subject matter of the dispute to the management. Ext. 7, is a letter, dated 3rd January 1973, addressed by the Secretary of the Union Shri Sukumar Mondal, to the General Manager of Messrs. Nathmall Giridharilal, which shows that the Union duly protested against the illegal suspension of the work of the factory on and from 29th January 1973, and also regested the management to withdraw suspension with immediate effect. Ext. 8 is the certificate of posting P.W. 1, says that he wrote this letter and sent it by certificate of posting. Though it is denied on behalf of the Company that they have received it.

I am unable to accept the denial as a fact Ext. 9 also shows that this fact was reported to the Assistant Labour Commissioner, Howrah, on 7th February 1972. Exts. 10, 10/A, and 10/B shows that the Labour Officer, Howrah, repeatedly asked the management of Messrs Nathmall Giridharilal to send their representative to attend a joint conference in the matter of the alleged suspension of work with effect from 29th January 1973. These documents will show that the fact of suspension was brought to the notice of the management and demand for withdrawal of suspension was made by the Union and that accordingly the contention of the Company that due to absence of demand the reference is bad and the Tribunal has no jurisdiction has no substance. Merely because P.W. 1 says that no demand for wages for the period of suspension was made by them, the reference cannot be bad and the jurisdiction cannot be wanting as the principal subject-matter under reference is the justification of suspension with effect from 29th January 1973. The question of consequential relief is not material for the purpose I therefore, rule out the preliminary objection of the Company.

Next, I am to decide if it was a case of strike by the workmen as alleged by the Company or if it was a voluntary suspension of work by the Company as alleged by the Union. It transpires from the evidence of P.W. 1, that in 1972 there were only 15 to 18 direct labourers and the rest were contractor s labourers working in the factory of the Company and that the Mazdoor Union, the Union at whose instance the present reference has been made, was formed in 1972, that the factory work was stopped from 29th January 1973, that the labourers went to the Assistant Manager of the Factory on 30th January 1973 to ascertain as to when the factory would be opened, and that the police was called by the management reporting Gherao, as a result of which some of the labourers were arrested by the police. P. W 2, another employee, corroborates P W. 1, in this regard. P. W 3, is an Assistant Labour Commissioner, Government of West Bengal. He says that none on behalf of the management attended the joint conference called on different dates including 29th January 1973. P W. 4 is an Upper Division Clerk at the Office of the Assistant Labour Commissioner. He produced the departmental record relating to the present dispute which is Ext 12.

On the other side O. P. W. 1 Shri Krishna Das Dutta, the Factory Manager, says that on 30th January 1973 there were about 16 or 17 direct employees and the rest were contractor's employees, that on 30th January 1973 the contractor's employees gheraoed him and the contractor and brought the factory's work to stand still, that they were rescued by the police at 11 p.m., that the Factory work remained suspended on 31st March 1973, that he does not remember if any notice relating to the Gherao and strike was given from the side of the Company or not, that the Factory was reopened on 16th June 1973, that the strike came to an end as a result of a settlement between the Company and the newly formed Union on 12th June 1973. In his cross-examination he admits that he stayed at his residence during the period when the Factory was closed or the work of the Factory was suspended and that he occasionally met the Maliks to ascertain the position O.P.W. 2 Shri Anil Baran Paul who was a contract labourer before the settlement says that on 30th January 1973 they struck work and Gheraoed the Manager and the Contractor, that the Factory worked as usual on 29th January 1973, that the factory remained under strike from 30th January 1973 to 15th June 1973 and it was reopened on 16th June 1973 and that the direct labourers joined the strike from 1st February 1973 His evidence should be viewed with caution as admittedly he has changed the Union on assuming the character of a direct labourers by virtue of the settlement, dated 12th June 1973. O.P.W. 3 who was similarly a contract labourer, deposes to the same effect as O P. W 2. O. P. W. 4 Shri Jyotirmoy Mukherjee is the General Manager of the Company. He says that on 30th January 1973 the factory was closed down on account of strike, that this fact was reported to him by their Factory Manager, and that the Factory reopened on 16th June 1973. In his cross-examination he says that the Mazdoor Union was not called when the settlement with the Employees' Union took place on 12th June 1973 and that the Management reopened the Factory after the execution of the settlement, Ext. A He also admits at the time of execution of Ext. A that the Employees' Union was not registered.

On a careful consideration of all the facts, circumstances and evidences on record, I am inclined to hold that the factory work remained suspended from 29th January 1973 and that probability is in favour of the suspension of work by the Management without lawful and sufficient reason. It appears that there is no satisfactory evidence to prove that at least the direct workmen struck work with effect from 30th January 1973 or 1st February 1973 as alleged by the Company. There is nothing to show that when the suspension of work was opposed to by the Union and the matter was brought to the knowledge of the Management through the Assistant Labour Commissioner, the Management or controverted or took any sufficient and reasonable steps to support their contention, that this was not a case of voluntary suspension of work as alleged by the Union. It seems probable that centering the trouble by Contract Labourers, the Factory work suspended. Accordingly, I hold that the workmen concerned are entitled to full wages for the period of suspension of work including other lawful dues, if any.

This is my award.
